Emilia Rockwell,2005-04 This is the first novel published in Iowa Printed in Dubuque in 1858 it was written to recruit emigrants to Iowa what makes it unique among emigration literature is the fact that it was directed at women using the form of a domestic novel loaded with gentle mothers and stalwart fathers flower gemmed prairies and vine draped cottages and lots of tender words and humble weddings to encourage women to settle in the new state Mary Emilia Rockwell tells the story of Walter and Annie Judson who one desperate March night decide to move to the West in search of a better life Walter is an exploited debt ridden carpenter who knows that if we could go to the West to one of those new States where work is plenty wages high and land cheap we could make a more comfortable living and besides soon have a home of our own Annie has all a woman s devotion and self denial loving and supportive she takes the path of duty and moves her little family to a pleasant little village in Iowa In Newburg everyone is newly arrived hard working and self sacrificing facing difficulties with the certainty of prosperity and independence to come In spite of dramatic setbacks Walter prospers and he and Annie build a beautiful and commodious house in the growing community of Hastings The book ends with a return visit to Connecticut where the Judsons and a series of surprising events persuade Annie s parents to move to Iowa too and everyone is reunited in their home in the West Teacher administrator and writer Emilia Rockwell born about 1835 died about 1915 writes a conventionally sentimental story However she actually divorced her first husband became the administrator of a juvenile reformatory in Milwaukee and married a second time she lived in Lansing Iowa for only a few years Her writing is romantic but she accurately portrays the economic challenges and transformations of this pioneer period and historically touches upon the Panic of 1857 the Mormon Handcart Expedition and Native Americans in Iowa Sharon Wood s illuminating introduction presents Rockwell s biography
