Lindsay Steenberg, 2020-10-29 Anglo American culture is marked by a gladiatorial impulse a deep cultural fascination in watching men fight each other The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity Frequently the gladiator or celebrity fighter from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships is used as a way of insisting that a desire to fight and to watch men fighting is simply a part of our human nature This book traces a cultural interest in stories about gladiators through twentieth and twenty first century film television and videogames Prejudice Endre Begby, 2021 Many prejudiced beliefs will be false and many will

be harmful But it is widely assumed also that prejudiced belief is defective in the sense that it could only arise from distinctive kinds of epistemic irrationality we could acquire or retain such beliefs only by neglecting evidence and thereby violating our epistemic responsibilities In Prejudice Endre Begby argues that this common conviction is misguided there are many pathways to epistemically justified prejudiced belief He provides a systematic platform for non ideal epistemology which applies to a wide range of other socio epistemic phenomena of current concern fake news conspiracy theories science scepticism and more It is widely assumed that we can be held morally accountable for the harms that prejudiced beliefs cause only if we are epistemically blameworthy for holding the beliefs in the first place Through examples and case studies at individual collective and institutional levels of decision making Begby argues that it is a mistake to lean on the concept of epistemic responsibility to articulate our moral responsibilities in this way There is no barrier to holding us accountable even for blameless wrongs Dissociating these notions also frees victims of prejudice from the unreasonable burden of having to show that their victimizers were in a position to know better Book jacket

The Truth About Eternal Life Al Danks,2016-06-20 The issue of eternal life where and how we will spend eternity is the most consequential issue we will face

in life The difference in the consequences to us if we receive eternal life or fail to receive it are as extreme as they could possibly be Moreover we will have to live with the consequences forever Jesus tells us that entering into eternal life is difficult many will seek to enter and will not be able to Strive to enter through the narrow door For many I tell you will seek to enter and will not be able Luke 13 24 The cost of failing to enter eternal life is so great that we would be beyond foolish not to seek the truth about eternal life with commensurate diligence The Truth About Eternal Life is written to help in that search A Eternal Life We significantly help ourselves find the path leading to eternal life by seeking out what eternal life is This simple step is easily overlooked A good understanding of what eternal life is helps us find the path leading to it perceive our status relative to that path and perceive our status relative to eternal life itself There is a type of life available to us that we are not born with This life is characterized by shalom love peace truth and freedom including freedom from fear and anxiety This is eternal life and we may partake of it now during our temporal life God gives us eternal life through his Word B Our Current Condition We are born with a type of life characterized by corrupt desires These desires bring forth death and are incompatible with eternal life To receive eternal life we must remove the corrupt desires from our being C God s Provision God has given us provision to help us remove the corrupt desires become compatible with eternal life and receive it God sends his Spirit of Truth to guide us into all truth If we ask him he will send him to guide us into the truth of eternal life God has also given truth to us in 1 John that helps us know if we have received eternal life D What Must We do We must enter into a new covenant with God through which he helps us remove corrupt desires become compatible with eternal life and receive it We must be cleansed from the sin caused by the corrupt desires and sow God s Word into our hearts so it can produce eternal life in us
