God Makes the Rivers to Flow Eknath Easwaran, 2009 Eknath Easwaran taught spiritual living for nearly 40 years and drew deep ongoing inspiration from the sacred literature of all traditions the great river of wisdom that is always flowing throughout the world The 149 short extracts in this anthology come from the much loved saints sages and scriptures of the Christian Hindu Sufi Jewish Native American Buddhist and Taoist traditions These passages can be read for daily inspiration for their insights into other spiritual traditions for the light they throw on how to live for the sustenance they offer when we feel sad or tired and for the deep transformation they can bring in Easwaran s method of passage meditation Rich supporting material includes stories from India detailed background notes suggestions for memorization and for studying the texts in practices such as lectio divina from the Christian tradition and instruction in using these texts in passage meditation

Rivers Crossing Jim H. Ainsworth, 2010-12 In the summer of 1958 old wounds between District Attorney Buster Galt and Rance Rivers have mostly healed until Buster accuses Rance s son of murder *Anthropogenic Rivers* Jerome Whittington, 2019-01-15 In the 2000s Laos was treated as a model country for the efficacy of privatized sustainable hydropower projects as viable options for World Bank led development By viewing hydropower as a process that creates ecologically uncertain environments Jerome Whittington reveals how new forms of managerial care have emerged in the context of a privatized dam project successfully targeted by transnational activists Based on ethnographic work inside the hydropower company as well as with Laotians affected by the dam he investigates how managers technicians and consultants grapple with unfamiliar environmental obligations through new infrastructural configurations locally inscribed ethical practices and forms of flexible experimentation informed by American management theory Far from the authoritative expertise that characterized classical modernist hydropower sustainable development in Laos has been characterized by a shift from the risk politics of the 1990s to an ontological politics in which the institutional conditions of infrastructure investment are pervasively undermined by sophisticated hactivism Whittington demonstrates how late industrial environments are infused with uncertainty inherent in the anthropogenic ecologies themselves Whereas anthropogenic usually describes human induced environmental change it can also show how new capacities for being human are generated when people live in ecologies shot through with uncertainty Implementing what Foucault called a historical ontology of ourselves *Anthropogenic Rivers* formulates a new materialist critique of the dirty ecologies of late industrialism by pinpointing the opportunistic ambitious and speculative ontology of capitalist natures *By the Rivers of Water* Erskine Clarke, 2013-10-08 In early November 1834 an aristocratic young couple from Savannah and South Carolina sailed from New York and began a strange seventeen year odyssey in West Africa Leighton and Jane Wilson sailed along what was for them an exotic coastline visited cities and villages and sometimes ventured up great rivers and followed ancient paths Along the way they encountered not only many diverse landscapes peoples and cultures but also many individuals on their own odysseys

including Paul Sansay a former slave from Savannah Mwoh Mah a brilliant Grebo leader and his beautiful daughter Mary Clealand at Cape Palmas and King Glass and the wise and humorous Toko in Gabon Leighton and Jane Wilson had freed their inherited slaves and were to become the most influential American missionaries in West Africa during the first half of the nineteenth century While Jane established schools Leighton fought the international slave trade and the imperialism of colonization He translated portions of the Bible into Grebo and Mpongwe and thereby helped to lay the foundation for the emergence of an indigenous African Christianity The Wilsons returned to New York because of ill health but their odyssey was not over Living in the booming American metropolis the Wilsons welcomed into their handsome home visitors from around the world as they worked for the rapidly expanding Protestant mission movement As the Civil War approached however they heard the siren voice of their Southern homeland calling from deep within their memories They sought to resist its seductions but the call became more insistent and finally irresistible In spite of their years of fighting slavery they gave themselves to a history and a people committed to maintaining slavery and its deep oppression both an act of deep love for a place and people and the desertion of a moral vision A sweeping transatlantic story of good intentions and bitter consequences By the Rivers of Water reveals two distant worlds linked by deep faiths Rivers and the Power of Ancient Rome Brian Campbell, 2012-08-15 Figuring in myth religion law the military commerce and transportation rivers were at the heart of Rome's increasing exploitation of the environment of the Mediterranean world In Rivers and the Power of Ancient Rome Brian Campbell explores the role and influence of rivers and their surrounding landscape on the society and culture of the Roman Empire Examining artistic representations of rivers related architecture and the work of ancient geographers and topographers as well as writers who describe rivers Campbell reveals how Romans defined the geographical areas they conquered and how geography and natural surroundings related to their society and activities In addition he illuminates the prominence and value of rivers in the control and expansion of the Roman Empire through the legal regulation of riverine activities the exploitation of rivers in military tactics and the use of rivers as routes of communication and movement Campbell shows how a technological understanding of and even mastery over the forces of the river helped Rome rise to its central place in the ancient world
