In a day when the fourth leading cause of death in America is due to adverse effects of properly prescribed drugs Journal of American Medical Association July 2000 many are asking Are there not safer alternatives Yes there are Allow me to introduce to you one extraordinary yet simple natural remedy Activated medicinal charcoal Charcoal What is it We drink water filtered by it breath are scrubbed with it eat food purified through it wear clothes made with it preserve things in it go to war with it enjoy hundreds of dishes cooked by it we move mountains with it we make the night sky sparkle with it grow our food and flowers in it we take it with us to the bottom of the deepest oceans and out into space swim in water washed with it draw our inspirations with it record man s history dipped in it and then we call upon it to clean up many of our environmental mistakes Not least and not last medicinal charcoal plays an increasingly significant role in maintaining restoring and enhancing man s level of health No wonder we naturally warm up to it I heartily recommend CharcoalRemedies com The Complete Handbook of Medicinal Charcoal and It s Applications by author John Dinsley As a physician as a mother and grandmother as a public health educator for the past 41 years I have come to fully trust the efficacy and safety of charcoal as simple yet powerful home remedy This book serves not only as a reference book of medicinal charcoal facts but also brings together a hundred and fifty different charcoal experiences of individuals from around the world People need this book EVERY FAMILY every healthcare worker every traveler abroad every health conscious individual needs a copy in their home library Agatha Thrast MD Co founder Uchee Pines Institute Medical Examiner for the State of Georgia [Psychonephrology 1](#) Norman B. Levy, 2013-06-29 Major nephrological and psychological organizations have at best set aside only small portions of their programs for papers or panels devoted to the psychological aspect of patients with end stage renal disease Thus the increased need for information concerning the psychological aspects of end stage renal disease has been met by occasional journal articles professional peer discussions small portions of national confer ences and informal conversations and consultations with people with clinical and research experience in these areas The First International Conference on Psychological Factors in Hemodialysis and Transplantation arose out of a need to have a forum in which the major people involved in treatment and research in this area could share their latest work among themselves and with the registrants The initial encouragement for organizing such a conference came from the rank and file of nephrology social workers nephrology nurses and liaison psychiatrists and psychologists In early 1977 I had decided that I would make an effort to organize such a meeting and asked the two other individuals most closely identified with major research in this area Atara Kaplan De Nour and Harry S Abram to join me in planning this confer ence With their support and suggestions concerning the program I embarked upon an attempt to raise financial backing for it I was some what surprised to find that the many equipment and drug companies supporting nephrological conferences were not greatly interested in this one **Mosby's Drug Guide for**
