Sabbath Theology:

Living the Sabbath (The Christian Practice of Everyday Life) Norman Wirzba, 2006-12-01 Sabbath is one day a week when we should rest from our otherwise harried lives right In Living the Sabbath Norman Wirzba leads us to a much more holistic and rewarding understanding of Sabbath keeping Wirzba shows how Sabbath is ultimately about delight in the goodness that God has made in everything we do every day of the week With practical examples Wirzba unpacks what that means for our daily lives at work in our homes in our economies in school in our treatment of creation and in church This book will appeal to clergy and laypeople alike and to all who are seeking ways to discover the transformative power of Sabbath in their lives today From Sabbath to Lord's Day D. A. Carson, 1999-11-05 A series of authors assert the premise that Sunday is a new day of worship that was chosen to commemorate the unique salvation historical event of the death and resurrection of Christ rather than merely being another day for celebrating the Sabbath The Sabbath as Rest and **Hope for the People of God** Guy Prentiss Waters, 2022-09-27 A Short Study of the Sabbath from Creation to Consummation When it comes to the Sabbath Christians have different ideas on what it means and how to observe it For many people it is a day to go to church and have fellowship with other believers What they often miss though is that the Sabbath is intricately tied to rest and worship both of which ultimately point to the Lord as our creator and redeemer In this addition to the Short Studies in Biblical Theology series Guy Prentiss Waters offers an introductory study of the Sabbath from the creation of the world to the consummation of all things when Jesus returns He shows how the Sabbath is observed through the major themes and genres of the Bible creation law prophets Jesus and the apostles and how that applies to our lives today Waters teaches us about the Sabbath s full restoration in the new heavens and the new earth and its continual reminder of the covenant that God has made with his people Written for New Believers and Seasoned Saints Alike Perfect for laypersons pastors college and seminary students and academics Practical Examines how the Sabbath is relevant to the church now as well as how it will be restored in the new heavens and the new earth Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God s word Jesus in Q Ky-Chun So, 2017-04-06 JESUS IN Q is about the Sabbath and the theology of Jesus There are several books about the Sabbath with regard to the Gospel of Matthew Mark Luke and John but nothing regarding Q This book is designed to address the relation to the Sabbath in Q which makes it remarkable amongst other Sabbath related books with reference to the Synoptic Gospels Considering the rabbinic writers and the early fathers who have used generally in a free way the sayings of Jesus drawn from the Gospels and or oral tradition this book examines the apologists and the extracanonical writers whose writings constitute a well defined literary genre and witness a progressively more bookish use of the sayings of Jesus This book understands the extracanonical documents in early Judaism as a prerequisite for understanding the appearances of Jesus **Sabbath Theology** Maurice S. H. Pappas ThM, 2017-11-14 When it comes to the doctrine of the Sabbath many are confused Some are so confused that they are asking how many commandments are there nine or ten Has the fourth commandment been abrogated or is it still binding If the fourth commandment stands then on what day are we to observe the Sabbath on Saturday or Sunday Or does it really matter just as long as we take off one day in the week Others have come to think that all the commandments have been abrogated Is this true A more searching question is asked Is the typical Christian community correct in observing the Sabbath on the first day of the week Or does the fourth commandment mandate the Sabbath to be observed on seventh day Still others are asking is the Sabbath Day and the Lords Day same or are they different As one can readily see these questions are troubling to many professing Christians They are confused as the doctrine of the Sabbath is no longer addressed However the more searching question is if the fourth commandment stands have we provoked our Lord to anger in failing to observer the Sabbath as we ought If we are to observe it then how is the Sabbath to be observed It is the writers conviction that we are not only to observe the Sabbath but also until we do there will be no revival in this country no matter how fervently we may fast and pray The doctrine of the Sabbath is essential to the life of the church and the liberties we once enjoy as a nation before it was infected with this liberation theology We must heed the divine mandate coming down from God to Remember the Sabbath Day to keep it Holy Exodus 20 8 The Sabbath Abraham Joshua Heschel, 2005-08-17 Elegant passionate and filled with the love of God's creation Abraham Joshua Heschel's The Sabbath has been hailed as a classic of Jewish spirituality ever since its original publication and has been read by thousands of people seeking meaning in modern life In this brief yet profound meditation on the meaning of the Seventh Day Heschel one of the most widely respected religious leaders of the twentieth century introduced the influential idea of an architecture of holiness that appears not in space but in time Judaism he argues is a religion of time it finds meaning not in space and the materials things that fill it but in time and the eternity that imbues it so that the Sabbaths are our great catherdrals Featuring black and white illustrations by Ilya Schor A Concise System of Theology Alexander Smith Paterson, 1848 **Puritan Reformed Theology** Joel R. Systematic Theology Augustus Hopkins Strong,1907 Subversive Sabbath A. J. Swoboda,2018-02-20 We live in a 24 7 culture of endless productivity workaholism distraction burnout and anxiety a way of life to which we ve sadly grown accustomed This tired system of life ultimately destroys our souls our bodies our relationships our society and the rest of God s creation The whole world grows exhausted because humanity has forgotten to enter into God s rest This book pioneers a creative path to an alternative way of existing Combining creative storytelling pastoral sensitivity practical insight and relevant academic research Subversive Sabbath offers a unique invitation to personal Sabbath keeping that leads to fuller and more joyful lives A J Swoboda demonstrates that Sabbath is both a spiritual discipline and a form of social justice connects Sabbath keeping to local communities and explains how God may actually do more when we do less He shows that the biblical practice of Sabbath keeping is God s plan for the restoration and healing of all creation The book includes a foreword by Matthew Sleeth Sabbath Dr. Dan B. Allender,2010-12-27 What would you do for twenty four hours if the only criteria were to pursue your deepest joy Dan Allender s lyrical book about the Sabbath expels the myriad myths about this day of rest starting with the one that paints the Sabbath as a day of forced quiet spiritual exercises and religious devotion and attendance This he says is at odds with the ancient tradition of Sabbath as a day of delight for both body and soul Instead

the only way we can make use of the Sabbath is to see God's original intent for the day with new eyes In Sabbath Allender builds a case for delight by looking at this day as a festival that celebrates God's re creative redemptive love using four components Sensual glory and beauty Ritual Communal feasting Playfulness Now you can experience the delight of the Sabbath as you never have before a day in which you receive and extend reconciliation peace abundance and joy The Ancient Practices There is a hunger in every human heart for connection primitive and raw to God To satisfy it many are beginning to explore traditional spiritual disciplines used for centuries everything from fixed hour prayer to fasting to sincere observance of the Sabbath Compelling and readable the Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more A Complete System of Christian Theology Samuel Wakefield, 1869 The Battle for the Sabbath in the Dutch Reformation Kyle J. Dieleman, 2019-01-21 Kyle J Dieleman focuses on the doctrinal and practical importance of Sunday observance in the early modern Reformed communities in the Low Countries My project investigates the theological import of the Sabbath and its practical applications The first step is to focus on how Dutch Reformed theologians conceived of the Sabbath The theology of the Sabbath I argue moves over time from an emphasis on spiritual rest to participating in the ministries of the church to a strict rest from all work and recreation The next step is to explore congregants actual Sunday practices By attending to church governance records at the national regional and local levels the importance of proper Sabbath observance quickly becomes clear The provincial synod records classes records and consistory records indicate that church authorities were adamant that church members faithfully attend sermon and catechism services refrain from sinful practices and abstain from recreational activities Equally as telling as the observance demanded of church members is how church authorities responded The church records portray these authorities as fretting over the disordered and unregulated nature of improper Sabbath observance Having established the importance of the Sabbath in Dutch Reformed theology and lived piety I argue the emphasis on Sunday observance is best understood as resulting from two main factors First the emphasis on proper Sunday observance is a result of the Reformed church authorities attempting to maintain the pious reputation of the Reformed faith and establish the identity of the Reformed Church amid multiple other confessional identities Second proper observance of the Sabbath was important because it ensured order within the church and society more broadly Sabbath Theology Maurice S.
