## **Sabras Soul:**

**The Sabra** Oz Almog, 2000-11-28 This book provides a comprehensive portrait of the Sabras the state of Israeli s first generation born between the 1930 s and 40 s recreating their life their thought and their role in Jewish history **SABRA** Edward A. Vinson, 2014-09-24 This is a first person as if rendition of the New Covenant book of Mark from a perspective a view not the View but a view of the Unseen Substance of our most precious Faith It s viewpoint is through Jesus eyes because where the Holy Spirit is Lord there is Liberty and so I take the Liberty to let His Word dwell richly in me and flow through me as through the bed of a stream in a land of milk and honey in a land of grain and new wine the same Mystery that is in you if Christ dwells in your heart by faith if the Word made flesh abides with you It is as a fire shut up in my bones and herein its tongues have licked and have kissed the surface of that which I see Without His Call and His Equipping His ever present Help I could have done nothing and could not have sat down day by day morning by morning and evening by evening and taken up the Waterman He provided at the Chalice Thrift Shop the the pen or a ready writer and given voice to the Voice that sings in me to you *Carrying a Big Schtick* Miriam Eve Mora, 2024-05-21 Jewish masculinity as a diverse set of adaptive reactions to masculine hegemony and the political religious and social realities of American Jews throughout the twentieth century For twentieth century Jewish immigrants and their children attempting to gain full access to American society performative masculinity was a tool of acculturation However as scholar Miriam Eve Mora demonstrates this performance is consistently challenged by American mainstream society that holds Jewish men outside of the American ideal of masculinity Depicted as weak effeminate cowardly gentle bookish or conflict averse Jewish men have been ascribed these qualities by outside forces but some have also intentionally subscribed themselves to masculinities at odds with the American mainstream *Carrying a Big Schtick* dissects notions of Jewish masculinity and its perception and practice in America in the twentieth century through the lenses of immigration and cultural history Tracing Jewish masculinity through major themes and events including both World Wars the Holocaust American Zionism Israeli statehood and the Six Day War this work establishes that the struggle of this process can shed light on the changing dynamics in religious social and economic American Jewish life
