Chakraberty,2014-04-14 Master Laster takes you beyond Sachin Tendulkar's career aggregates and passionate assertions There are almost as many books about Sachin Tendulkar as there are centuries by him But just as there is only one Tendulkar century that came in a winning run chase in the last innings of a Test match rare are the books that look at his personal records through the prism of how much they mattered to the team In fact there are none because the easiest thing to do is to produce adulatory tomes for his dotting fans But there are an equal number of cricket fans out there who want to know something more than gushing accolades and who don't shy away from asking difficult questions The book covers 1 a quarter of a century of Indian cricket bringing back to life many a game played during Tendulkar's time 2 it indulges fans in one of the enduring joys of cricket discussing a point threadbare from multiple angles 3 how many of his centuries made a difference to the team 4 what is his track record under pressure None of the books on Tendulkar has engaged fans in these debates There is the odd question raised here or a critical comment made there in memoirs by former cricketers but not a single book that sifts through the mountain of Tendulkar records to see what value can be attached to them from a team's point of view An exercise like that can be quite revealing even startling and certainly a lot of fun for cricket lovers It sets the Tendulkar debate against specific data taking it beyond career aggregates and passionate assertions Master Laster covers the variables in the game and its infinite possibilities It also deals with why this game is so fascinating to so many of us

cricket the result was record breaking schoolboy batting exploits that launched the career of a cricketing phenomenon Before long Sachin Tendulkar was the cornerstone of India s batting line up his every move watched by a cricket mad nation s devoted followers Never has a cricketer been burdened with so many expectations never has a cricketer performed at such a high level for so long and with such style scoring more runs and making more centuries than any other player in both Tests and one day games And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai His many achievements with India include winning the World Cup and topping the world Test rankings Yet he has also known his fair share of frustration and failure from injuries and early World Cup exits to stinging criticism from the press especially during his unhappy tenure as captain Despite his celebrity status Sachin Tendulkar has always remained a very private man devoted to his family and his country Now for the first time he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other
