C. Simut

Sacred Work Planned Parenthood And Its Clergy Alliances:

Sacred Work Tom Davis, 2005 In *Sacred Work* Tom Davis brings to light the ways in which the Planned Parenthood Federation of America a leading reproductive rights organization and the clergy are not as incongruent as they often are construed to be Beginning with Margaret Sanger's efforts to include mainline clergy in the fight to provide information about contraceptives to the general public Davis details the religious and historical dimensions of this long alliance up through current debates

After Roe Mary Ziegler, 2015-06-08 In the decade after the 1973 Supreme Court decision on abortion advocates on both sides sought common ground But as pro abortion and anti abortion positions hardened over time into pro choice and pro life the myth was born that *Roe v Wade* was a ruling on a woman's right to choose Mary Ziegler's account offers a corrective

Entangled Ashley Boggan, 2025-05-06 The United Methodist impasse over human sexuality has its roots in two dichotomous ideologies of history and theology This book maps how American Methodists have responded to sexual change since World War II It argues that the current United Methodist impasse over human sexuality has its root in the existence of two dichotomous ideologies of Methodist history and theology one liberal and one evangelical which come to the foreground in discussions of human sexuality It offers evidence about how these ideologies have sought to reconcile their sexual ethic with sexual change since the birth control movement of the 1920s In post WWII America most Methodists upheld a limited notion of family life and sexuality one that allowed for the use of artificial contraception within marriage and for divorce In response to the sexual revolution liberal leaning Methodists upheld a new sexual ethic the new morality which peaked with radical new approaches to sex education a full endorsement of abortion rights and support of the homophile movement However the new morality coincided with an increased presence of and a new voice for evangelical Methodists Charles Keysor and the Good News Movement Evangelical Methodists critiqued the new morality as value neutral and anti Scripture The evangelical desire for a rules based morality solely reliant on Scripture collided with the new morality and led to intense debates over sex education abortion and the inclusion of LGBTQ persons within the United Methodist denomination from the 1970s onward Since 1972 United Methodists have continually debated human sexuality at each General Conference primarily through the advocacy efforts of political caucus groups This author hopes that an historical examination of how Methodists have confronted sexual change will enlighten current conversations about human sexuality

Abortion & Life Jennifer Baumgardner, 2025-07-01 Baumgardner's groundbreaking new book includes abortion testimonials by Ani DiFranco Barbara Ehrenreich Gloria Steinem and others In her role as author and activist Jennifer Baumgardner has permanently changed the way people think about feminism and will shape the next hundred years of politics and culture The Commonwealth Club of California hailing Baumgardner as one of Six Visionaries for the Twenty First Century In *Abortion Life* author and activist Jennifer Baumgardner reveals how the most controversial and stigmatized Supreme Court decision of our time cuts across eras classes and race Stunning portraits by photographer Tara Todras

Whitehill of folk singer Ani DiFranco authors Barbara Ehrenreich and Gloria Steinem and others accompany their elucidating accounts of their own abortion experiences In this bold new work Baumgardner explores some of the thorniest issues around terminating a pregnancy including the ones that the pro choice establishment has been the least sensitive or effective in confronting

Abortion Mary Fissell,2025-03-13 An ancient entertainer robbed of her livelihood while pregnant a medieval holy woman performing a miraculous termination an abortion provider prosecuted as a witch during the Reformation a Victorian midwife saving her patients from the workhouse Women have always sought to end pregnancies and have long succeeded This book tells their stories From enslaved and Indigenous herbal knowledge on early plantations to Planned Parenthood s unlikely alliance with postwar churches Mary Fissell reveals abortion s long politics uncovering how Western societies have policed the practice or chosen not to For long periods in our past abortion was widely tolerated by authorities and ordinary people and far from black and white in Christian morality it was not a crime in Britain until 1803 nor a religious issue in America until the twentieth century But those histories of calm have been punctuated by moments of acute repression as we re seeing today From France and Scotland to Germany and Italy abortion controls through the centuries have always emerged from wider panics around social change whether times of war revolution and economic upheaval or patriarchal anxiety about women s growing independence As restrictions tighten once more this vividly illuminating history reminds us that such limits never endure

Fighting for Control Lina-Maria Murillo,2025-01-07

American Religious History Gary Scott Smith,2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

Broadcasting Birth Control Manon Parry,2013-08-23 Traditionally the history of the birth control movement has been told through the accounts of the leaders organizations and legislation that shaped the campaign Recently historians have begun examining the cultural work of printed media including newspapers

magazines and even novels in fostering support for the cause Broadcasting Birth Control builds on this new scholarship to explore the films and radio and television broadcasts developed by twentieth century birth control advocates to promote family planning at home in the United States and in the expanding international arena of population control Mass media Manon Parry contends was critical to the birth control movement s attempts to build support and later to publicize the idea of fertility control and the availability of contraceptive services in the United States and around the world Though these public efforts in advertising and education were undertaken initially by leading advocates including Margaret Sanger increasingly a growing class of public communications experts took on the role mimicking the efforts of commercial advertisers to promote health and contraception in short plays cartoons films and soap operas In this way they made a private subject fertility control appropriate for public discussion Parry examines these trends to shed light on the contested nature of the motivations of birth control advocates Acknowledging that supporters of contraception were not always motivated by the best interests of individual women Parry concludes that family planning advocates were nonetheless convinced of women s desire for contraception and highly aware of the ethical issues involved in the use of the media to inform and persuade

From Reconciliation to Revolution David P. Cline, 2016-09-19 Conceived at the same conference that produced the Student Nonviolent Coordinating Committee SNCC the Student Interracial Ministry SIM was a national organization devoted to dismantling Jim Crow while simultaneously advancing American Protestant mainline churches approach to race In this book David P Cline details how between the founding of SIM in 1960 and its dissolution at the end of the decade the seminary students who created and ran the organization influenced hundreds of thousands of community members through its various racial reconciliation and economic justice projects From inner city ministry in Oakland to voter registration drives in southwestern Georgia participants modeled peaceful interracialism nationwide By telling the history of SIM its theology influences and failures Cline situates SIM within two larger frameworks the long civil rights movement and the even longer tradition of liberal Christianity s activism for social reform Pulling SIM from the shadow of its more famous twin SNCC Cline sheds light on an understudied facet of the movement s history In doing so he provokes an appreciation of the struggle of churches to remain relevant in swiftly changing times and shows how seminarians responded to institutional conservatism by challenging the establishment to turn toward political activism

Secular Bodies, Affects and Emotions Monique Scheer, Nadia Fadil, Birgitte Schepelern Johansen, 2019-01-10 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Taking its cue from the study of lived religion *Secular Bodies Affects and Emotions* shows how the idea of a secular public is equally marked by a display and cultivation of affect and emotions Whereas it is widely agreed that religion is often saturated by emotion the secular is usually treated as a neutral background serving as the domain of public rational deliberation This book demonstrates that secularity and secularism are also upheld by bodily practices and emotional attachments Drawing on empirical case studies

this is the first book to ask and explore whether a secular body exists Building on the work of Talal Asad the book argues that the secular is not an absence of religion but a positive entity that comes about through its co constitutive relationship with religion And once we attune ourselves to recognizing its operations as grammar which structures social practice writing an anthropology of the secular could become a new possibility

Anti-Abortion Activism in the UK Pam Lowe, Sarah-Jane Page, 2022-04-19 Taking a lived religion approach that draws on extensive ethnographic research on abortion debates in public spaces Anti Abortion Activism in the UK explores the sacred and profane commitments of anti abortion activists and counter demonstrations outside clinics examining the contestations over space

The Conscience of Care Dov Fox, 2025 American law categorically protects clinicians who invoke conscience to refuse standard care from Plan B to IVF Yet clinicians enjoy no conscience protections when they offer prohibited care as in states that restrict abortion Dov Fox exposes the untenable logic of this lopsided system and argues for urgently needed reform

Mourning the Unborn Dead Jeff Wilson, 2009-01-21 This book discusses the surprising story of how Asian immigrants convert Buddhists pro life and pro choice activists and ordinary women have imported Japanese rituals in order to deal with one of the most divisive public issues in American society abortion Wilson analyzes the implications of these varied appropriations for the Americanization of Buddhism

All Politics is Religious Dennis Sidney Ross, 2012 A practical and empowering resource this book provides ideas and strategies for expressing a clear forceful and progressive religious point of view that is all too often overlooked and under represented in public discourse

Traditionalism and Radicalism in the History of Christian Thought C. Simut, 2010-09-27 This book is concerned with the presentation and analysis of certain dogmatic issues such as christology ecclesiology pastoral work anthropology faith and bioethics among many others all meant to illustrate how Christian thoughts stands between traditionalism and radicalism It is both a dogmatic study and a historical overview of the topic

These Truths: A History of the United States Jill Lepore, 2018-09-18 Nothing short of a masterpiece NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one volume American history in decades award winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation Widely hailed for its sweeping sobering account of the American past New York Times Book Review Jill Lepore s one volume history of America places truth itself a devotion to facts proof and evidence at the center of the nation s history The American experiment rests on three ideas these truths Jefferson called them political equality natural rights and the sovereignty of the people But has the nation and democracy itself delivered on that promise These Truths tells this uniquely American story beginning in 1492 asking whether the course of events over more than five centuries has proven the nation s truths or belied them To answer that question Lepore wrestles with the state of American politics the legacy of slavery the persistence of inequality and the nature of technological change A nation born in contradiction will fight forever over the meaning of its history Lepore writes but engaging in that struggle by studying the past is part of the work of citizenship With These Truths

Lepore has produced a book that will shape our view of American history for decades to come Contested Reproduction John H. Evans, 2010-10-15 Scientific breakthroughs have led us to a point where soon we will be able to make specific choices about the genetic makeup of our offspring. In fact, this reality has arrived and it is only a matter of time before the technology becomes widespread. Much like past arguments about stem cell research, the coming debate over these reproductive genetic technologies, RGTs, will be both political and for many people, religious. In order to understand how the debate will play out in the United States, John H. Evans conducted the first in-depth study of the claims made about RGTs by religious people from across the political spectrum and *Contested Reproduction* is the stimulating result. Some of the opinions Evans documents are familiar, but others such as the idea that certain genetic conditions produce a meaningful suffering that is ultimately desirable, provide a fascinating glimpse of religious reactions to cutting-edge science. Not surprisingly, Evans discovers that for many people, opinion on the issue closely relates to their feelings about abortion, but he also finds a shared moral language that offers a way around the unproductive polarization of the abortion debate and other culture-war concerns. Admirably evenhanded, *Contested Reproduction* is a prescient, profound look into the future of a hot-button issue. **The Politics of the Cross** Daniel K. Williams, 2021-03-02 Where do Christians fit in a two-party political system? The partisan divide that is rending the nation is now tearing apart American churches. On one side are Christian Right activists and other conservatives who believe that a vote for a Democratic presidential candidate is a vote for abortion, sexual immorality, gender confusion, and the loss of religious liberty for Christians. On the other side are politically progressive Christians who are considering leaving the institutional church because of white evangelicalism's alliance with a Republican Party that they believe is racist, hateful toward immigrants, scornful of the poor, and directly opposed to the principles that Jesus taught. Even while sharing the same pew, these two sides often see the views of the other as hopelessly wrongheaded, even evil. Is there a way to transcend this deep-seated division? *The Politics of the Cross* draws on history, policy analysis, and biblically grounded theology to show how Christians can protect the unborn, advocate for traditional marriage, promote racial justice, care for the poor, and above all, honor the gospel by adopting a cross-centered ethic instead of the idolatrous politics of power, fear, or partisanship. As Daniel K. Williams illustrates, both the Republican and Democratic parties are rooted in Christian principles, but both have distorted those principles and mixed them with assumptions that are antithetical to biblical truth. Williams explains how Christians can renounce partisanship and pursue policies that show love for our neighbors to achieve a biblical vision of justice. Nuanced, detailed, and evenhanded, *The Politics of the Cross* tackles the thorny issues that divide Christians politically and offers a path forward with innovative, biblically minded political approaches that might surprise Christians on both the left and the right. **Wesleyan Vile-tality** Ashley Boggan, 2025-04-01 Learn what it means to submit to be more vile for today's Methodists. Wesleyan Vile-tality calls us back to the roots of our identity. Centered on the moment John Wesley submitted to be more vile in spreading the love of God to all people, Ashley Boggan argues that Wesleyan vile-tality is at the

core of who we are as Methodists As rule benders rabble rousers and outcast embracers those early Methodists stood out and stood up She traces how that original identity was lost as the predecessor denominations to The United Methodist Church grew and began to embrace respectability over vile tality In an accessible and engaging account of a fascinating history these stories of our past call us to understand who we were question who we are and reclaim who we should be Each chapter includes questions for personal reflection or group study

Remapping Second-Wave Feminism Janet Allured, 2016-11 Scholars of second wave feminism often center their research on northern thought and political activity and usually overlook the vibrant pockets of activism that existed elsewhere In Remapping Second Wave Feminism Janet Allured attempts to reshape the national narrative by focusing on the grassroots women s movement in the South particularly in Louisiana This book delves into unexplored origins of the feminist movement While acknowledging the ways that the fight for African American civil rights produced the women s liberation movement in the South and subsequently in the North Allured also locates other wellsprings of the movement that were particularly important to southern change seekers especially preexisting women s organizations such as the League of Women Voters and the YWCA Also for many southern feminists being part of a faith tradition that emphasized social justice reform is what ultimately propelled them into working for gender equality Allured highlights key figures in Louisiana divisions based on regional sexual and ideological differences access to abortion lawsuits that had national implications that emanated from southern women and the fight against sexual assault and domestic violence Through detailed archival and oral history research she has forged a new path making this a foundational work for the field Remapping Second Wave Feminism will amend how we reflexively view feminism as a northern phenomenon giving proper due to the southern contribution

Sacred Work Planned Parenthood And Its Clergy Alliances Introduction

In today's digital age, the availability of Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Work Planned Parenthood And Its Clergy Alliances versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacred Work Planned Parenthood And Its Clergy Alliances books and manuals for download and embark on your journey of knowledge?

FAQs About Sacred Work Planned Parenthood And Its Clergy Alliances Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sacred Work Planned Parenthood And Its Clergy Alliances is one of the best book in our library for free trial. We provide copy of Sacred Work Planned Parenthood And Its Clergy Alliances in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sacred Work Planned Parenthood And Its Clergy Alliances. Where to download Sacred Work Planned Parenthood And Its Clergy Alliances online for free? Are you looking for Sacred Work Planned Parenthood And Its Clergy Alliances PDF? This is definitely going to save you time and cash in something you should think about.
