Sacred City Of Anuradhapura:

The Sacred City of Anuradhapura Brahmachari Walisinha Harischandra, 1908 **The Sacred City of Anuradhapura**
Brahmachari Walisinha Harischandra, 2015-06-24 Excerpt from *The Sacred City of Anuradhapura With Forty Six Illustrations*
In presenting this enlarged second edition I am glad that I have realised my hope as expressed in November 1904 in the preface to my first attempt of *The Sacred City of Anuradhapura* having 25 pages and five illustrations The main object of this book is to make known to the world the true and most authentic history of the Sacred City of Anuradhapura that has been undergoing desecration at the hands of misinformed officials of the Government of Ceylon The Buddhists of Asia love this holy City founded three centuries prior to the birth of Jesus Christ Those people living in the remotest parts of the world who are interested in antiquarian things and archaeology visit this City And there is no other City upon the universe that has maintained its position as a Sacred City replete with sacred objects of diverse kind for a period of 2 200 years except this City the property of the Buddhasasana built and maintained by the Sinhalese nation I have refrained from writing on the political City of Anuradhapura as it is still unexplored and I expect to publish a separate book on that subject after the Ceylon Government has caused the clearing and excavation of that buried City which deserves prompt attention from the Government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Past from Above Georg Gerster, 2005 Catalog for an exhibition at the Ruhrlandmuseum in Essen honoring Georg Gerster for over 40 years of aerial photography of archaeological sites around the world **The Sacred City of Anuradhapura** Walisinha Harischandra, 2018-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Sacred City of Anuradhapura Walisinha

Anuradhapura Brahmachari Walisinha Harischandra,2019 **Government Backed Discrimination, Persecution and Ethnic Politics: Targeting Muslims in Sri Lanka** ,2024-12-14 Government supported Buddhist monks and extremist organizations started operating against the Sri Lankan Muslims This was the time when organizations like Sinhala Ravaya Ravana Balaya and the Sri Lanka Podujana Peramuna emerged Since I was in the media field in Colombo I attended many of their media conferences and conducted interviews with them I was able to observe that their activities were taking place with government support This was a time when the Mahinda group believed they could govern with the blessings of Buddhists without the help of minority communities However it is well known that this later became impossible Now why this book Since the beginning of Navamani I have been publishing articles in platforms like the Sri Lankan Muslim online media and Puthiya Kural and I fear that these writings which are not documented in history will be forgotten Therefore I am publishing this in English as well as in Tamil The reason for choosing English is that this book written in Tamil and transformed into a manuscript will contain stories that everyone can recognize However the international community must be made aware of these issues Copies of this book should be sent to several organizations including the UN Human Rights Council Library and Amnesty International and they should be documented by them Many ethnic discriminatory activities have occurred in Sri Lanka but the incidents of racism against Muslims which took place without government support or oversight are recorded in this book initiated by the Rajapakse regime The articles included in this book serve as historical evidence **Garden Travel Guide** Tom Turner, How to visit the world's most interesting gardens at the best time of year is the subject of this eBook It contains advice and an anthology of some 100 gardens including temple gardens palace gardens tomb gardens and botanic gardens A World Garden is one which represents a significant aspect of the world's garden culture
