An Autobiography of George Washington Edith Ellis, 2006-07-01 George Washington's Autobiography is a fascinating example of channeled literature adding a very human personality to the stiff figure of the portraits Here we encounter a three dimensional Washington with his loves fears philosophy and repeated encounters with the spirit world This is an unforgettable intimate view of the Father of our Country Steven Fanning Ph D the author of *Mystics of the Christian Tradition* Scribe Edith Ellis met the spirit of George Washington one evening in 1955 He contacted her from the Other Side to ask if she would serve as a channel so that he could dictate his autobiography for his fellow American Patriots believing that he had kept his personal feelings about his life far too private Edith agreed although she was nearly blind and in her mid 70s So began a most extraordinary partnership between Edith Ellis and the Founding Father of America The result is this remarkable book that

Summary of Caroline Myss's Sacred Contracts Everest Media,2022-08-19T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I am a teacher and I love it I feel connected to the nursing part of my father s directive because of the healing effects my work has had on many people My education has been in journalism and theology but my work in medical intuition simply happened 2 I began to see images that had no apparent connection to the person I was reading These images were helpful for every person and one day in 1991 everything fell into place for me I was listening to a conversation between two women and they had immediately shared a life pattern that was noticeable in their heightened response to each other 3 I began to work with the archetypes in my readings and I began to see how they functioned within my own psyche I learned that each of us has our own personal alignment of key archetypes 4 The archetypal patterns work together to support your personal development They can be particularly helpful in healing painful memories or redirecting your life or finding a way to express your untapped creative potential *A Voice of Reason* Sherry Petro-Surdell,2013-05-28 What you are about to read began in my heart and found its way to hand written words on 3 ring note book paper These thoughts that turn into the spoken word I call Reasonings The words were often spoken to a small group of seekers Churches often call them sermons or messages but I call them Reasonings in reference to a biblical passage in Isaiah 1 18 Come now and let us reason together saith the Lord This infers to me that it is a co creation experience I also appreciate the Rasta spiritual perspective that calls this co creation process Reasonings to understand or as Rastafarians say to overstand the ways of God **Dolores Cannon's Teachings** K.A Wilson,2025-02-03 Dolores Cannon s Teachings A Journey Beyond the Veil is a transformative exploration of the ground breaking work of Dolores Cannon a renowned hypnotherapist and author who delved deep into the mysteries of the subconscious mind and the afterlife In this insightful guide K A Wilson brings to life Cannon s teachings offering readers a profound journey into past lives reincarnation soul development and the spiritual realms beyond Through practical wisdom and thought provoking insights this book provides a roadmap for expanding your consciousness understanding the afterlife and connecting with your higher self Dolores Cannon s Teachings guides readers on how to access their own spiritual potential tap into universal knowledge and experience personal growth through the power of past life regression and deep hypnosis Whether you re exploring spiritual awakening seeking a deeper understanding of life s purpose or curious about the mysteries of the universe this book offers an accessible and enlightening approach to uncovering the truth that lies beyond the veil **The Secret and Its Price** Marlene Carmen Nappa,2012-07-05 The Secret and Its Price is a wonderful vivid and compassionate book which takes us on a journey into the
