Klostermaier, 2010-03-10 This third edition of the classic text updates the information contained in the earlier editions and includes new chapters on the origins of Hinduism its history of relations with Buddhism Christianity and Islam Hindu science and Hindu measures of time The chronology and the bibliography have been updated as well A comprehensive survey of the Hindu tradition the book deals with the history of Hinduism the sacred writings of the Hindus the Hindu worldview and the specifics of the major branches of Hinduism Vaisnavism Saivism and Saktism It also focuses on the geographical ties of Hinduism with the land of India the social order created by Hinduism and the various systems of Hindu thought Klaus K Klostermaier describes the development of Hinduism in the nineteenth and twentieth centuries including present day political Hinduism and the efforts to turn Hinduism into a modern world religion A unique feature of the book is its treatment of Hinduism in a topical fashion rather than by chronological description of the development of Hinduism or by summary of the literature The complexities of Hindu life and thought are thus made real to the reader and Hindus will recognize it as their own tradition

Hinduism Klaus K. Klostermaier, 2014-10-01 The history of the Hindu tradition is captured by Klaus K Klostermaier in this new survey of a rich and ancient religion This study moves swiftly but thoroughly through the ages from early emergence of the Vedic tradition to the developments in contemporary Hinduism Factual information is balanced with discussion of such problematic areas as the true origins of Hinduism and the controversy of the Aryan invasion Other features include full coverage of all the major branches within the religion and their origins the role of philosophical reflection in the development of Hinduism the future of Hinduism a quick reference chronology bibliography and extensive glossary This guide to the development of a major religion should be of interest to those interested in the subject from graduates to the curious general reader and can be used as a companion volume to Hinduism a short introduction
