Sacrifice On The Somme Island Pamphlets S

M Walker

Sacrifice On The Somme Island Pamphlets S:

Ghosts of the Somme Jonathan Evershed, 2018-05-30 Once assumed to be a driver or even cause of conflict commemoration during Ireland's Decade of Centenaries came to occupy a central place in peacebuilding efforts. The inclusive and cross-communal reorientation of commemoration particularly of the First World War has been widely heralded as signifying new forms of reconciliation and a greater maturity in relationships between Ireland and the UK and between Unionists and Nationalists in Northern Ireland. In this study Jonathan Evershed interrogates the particular and implicitly political claims about the nature of history, memory and commemoration that define and sustain these assertions and explores some of the hidden and countervailing transcripts that underwrite and disrupt them. Drawing on two years of ethnographic fieldwork conducted in Belfast, Evershed explores Ulster Loyalist commemoration of the Battle of the Somme, its conflicted politics and its confrontation with official commemorative discourse and practice during the Decade of Centenaries. He investigates how and why the myriad social, political, cultural and economic changes that have defined post-conflict Northern Ireland have been experienced by Loyalists as a culture war and how commemoration is the means by which they confront and challenge the perceived erosion of their identity. He reveals the ways in which this brings Loyalists into conflict not only with the politics of Irish Nationalism but with the peacebuilding state and crucially with each other. He demonstrates how commemoration works to reproduce the intra-communal conflicts that it claims to have overcome and interrogates its nuanced and perhaps counterintuitive function in conflict transformation.

The Battles of the Somme, 1916 Fred R. van Hartesveldt, 1996-05-30 The 1916 Anglo-French offensive comprising the battles of the Somme marked a change in the Allies' relationships with the British, beginning to play a more important role. From contemporaries to the present, the Somme has also produced a number of controversies. This book shows the current state of historians' interpretations of the Somme. The initial section presents the historical background of the offensive, lays out the major interpretative disputes and identifies the scholars and works in each school of thought. The second section provides a bibliography of more than 700 entries. The initial section of the book presents the historical background of the offensive and lays out the major interpretative disputes about it. The section identifies scholars and works in each school of thought, enables readers to determine where a specific work fits in the spectrum of views and provides cross-references to the bibliography. The second section provides an annotated bibliography of more than 700 entries.

Books Ireland, 1996

Revolution in Ireland Conor Kostick, 1996 A very good book and one well worth reading. Books Ireland: An excellent counterweight to the mass of Collins' biography which forgets the revolutionary period. Dr Mike Cronin, Sheffield Hallam University. An essential addition to the library of any progressive interested in Ireland. Morning Star. For the first time in one book there is a full account of the strikes, factory occupations and land seizures which shook Irish society. Socialist Review. A wealth of information. Workers Solidarity. Contents: Prelude to Rev. Growing Discontent. Sectarianism. Limerick. Soviet Repression. Resistance. War of Independence. Labour. Nationalism. Unionism.

Truce to Treaty Syndicalism Civil War **Ten Years of Irish Publishing** ,2000 CD ROM contains bibliographic listings with title author publisher pages price ISBN and date **Legacy of the Somme 1916** Gerald Gliddon,1996 The Battle of the Somme is widely regarded as one of the bloodiest and most controversial land battles ever fought The first British troops went over the top on 1 July 1916 and by the day s end some 19 000 had been killed in the greatest one day loss the British Army has ever known This notoriety has ensured that the Somme and its many fallen warriors live on in countless books plays and films Documentary sources about the Somme abound and there is a voracious appetite among the book buying public for more Legacy of the Somme 1916 is a unique bibliographical and media guide to the battle setting on record in as comprehensive a listing as is possible much of what has been written filmed or sound recorded in the English language between 1916 and 1995 This detailed listing includes official unofficial and unit histories of the British and Commonwealth armies biographies autobiographies and memoirs literature drama and media archives tanks and war graves registers Short commentaries accompany each entry and a detailed index enables accurate cross referencing of subjects First and foremost this is a unique work of reference which will appeal to all with an interest in the First World War It will aid historians researchers and enthusiasts to track down the vast amount of information available on the battle and will also prove valuable to libraries museums and the book trade **Whitaker's Books in Print** ,1998 **Sacred and Secular Martyrdom in Britain and Ireland since 1914** John Wolffe,2019-11-28 During and immediately after the First World War there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920 John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom analysing the ways in which they operated sometimes in parallel sometimes merged together and sometimes in conflict with each other Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England Secular martyrdom is discussed in relation to military conflicts especially the Second World War and the Falklands In Ireland there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916 although by the time of the Northern Ireland Troubles in the later twentieth century these traditions diverged In covering these themes the book also offers historical and comparative context for understanding present day acts of martyrdom in the form of suicide attacks **Cross-border Reflections on 1916** ,2001 **Ulster's Shared Heritage** Michael Hall,1993

Ireland's Heritages Mark McCarthy,2017-09-29 This book is the first sustained attempt to incorporate critical scholarship and thought at the cutting edge of contemporary geography history and archaeology into the burgeoning field of Irish heritage studies It seeks to illustrate the validity of multiple depictions of the Irish past showing how scrutiny of heritage practices and meanings is so essential for illuminating our understanding of the present Examining Ireland s heritages from a critical perspective that celebrates notions of heterogeneity and uniqueness the distinguished contributors to this book

scrutinise the multiplicity of complex relations between heritage history memory commemoration economy and cultural identity within various historical geographical and archaeological contexts Using several examples and case studies this book raises issues not only from a uniquely Irish perspective but also investigates the memorialisation and marketing of the Irish past in overseas locations such as the USA and Australia Ulster's European Heritage Michael Hall,1994 **The Cruthin Controversy** Michael Hall,1994 Citizenship in a Modern Society H.U.R.T. (Organisation),2001 **The Air Officer's Guide** ,1949 Beskriver Det amerikanske Flyvev ben USAF *Stolen Valour - The BNP's Theft of Britain's Military Honour* James Bethell, *Ireland's 1916 Rising* Dr Mark McCarthy,2013-01-28 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland s 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising s undeniable influence upon modern Ireland s evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire s foundations and enthused independence movements elsewhere Ireland s 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising s commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II s visit to the Garden of Remembrance in 2011 and looks to the Rising s 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance Host Bibliographic Record for Boundwith Item Barcode 30112107850775 and Others ,1917 **Literary Digest** ,1915 **Illustrated London News** ,1916
