Sacrifice and the Death of Christ Frances M. Young,2010-03-01 Sets thinking and preaching about atonement in new directions *The Sacrifice of the Death of Christ* Theyre Townsend SMITH (Vicar of Wymondham.),1851 Sacrifice And The Death Of Christ Asa Moonshower,2021-07-09 The victory of Jesus Christ symbolized by the Cross and the empty tomb forever changed the course of history And yet despite it being one of the most well documented historical events in the history of the world there are still many questions that we ll not have a clear answer to until we ourselves reach the gates of Heaven Jesus is the reason for the season The events of Holy week are what give us hope for the lives we live When he rose from the grave was the moment we all became saved and Christians fulfilling thousands of years of prophecy This book goes into detail to explain the events of this ever so important week in the lives of every Christian *The Sacrifice of the Death of Christ: a Sermon [on 1 Cor. Xi. 26].* Thomas Williamson PEILE,1857 **Sacrifice and the death of Christ** ,1983

Reflections on the Sacrificial Death of Jesus Christ Jason Tatlock,2019-10-03 The sacrificial nature of Jesus crucifixion stands at the core of the Christian faith and it serves as a focal point for the forty days of Lent The essential meaning of his death as a victim of sacrifice is widely recognized but there is more to the sacrificial representation than many realize Jesus is not for example described in the New Testament only as a Passover lamb That type of lamb sacrifice had nothing to do with addressing sin His sacrifice involved concepts beyond Passover Jesus and his early followers drew upon Jewish Scriptures to describe his death in light of several other Israelite practices and traditions such as Day of Atonement rituals guilt sacrifice and more In this book Tatlock draws upon his understanding of ancient sacrifice to explain the complex portrayal of the crucifixion in the New Testament He shares about his personal challenges and insights in a series of daily reflections for the Lenten season or for any other time of the year *The Concept of Sacrifice in the Death of Christ* Christopher N Croom,2020-07-05 One of the most important topics of the Bible is understanding the sacrifice of Jesus Christ This is also one of the most misunderstood topics This short booklet will give you insight into existing frameworks on the concept of sacrifice and then expositionally layout the proper framework in which we should behold the death of Christ for the Church *The death of Christ was a propitiatory sacrifice and a vicarious atonement for the sins of mankind, atheological essay [by J.C. Cowley].* John Cowley Fisher,1877 **Christ's Death a Propitiatory Sacrifice. A sermon, etc** Charles Thomas BARING (successively Bishop of Gloucester and Bristol, and of Durham.),1856 *The Sacrifice of the Death of Christ* Lord Arthur Charles Hervey (Bishop of Bath and Wells.),1865 **The Sacrifice of the Death of Christ** Theyre T. Smith,1851 **The gospel of the divine sacrifice** Charles Cuthbert Hall,1897 *The Death of Christ: a Sacrificial Oath, and a Sacrifice for Sin. A Sermon [on Matt. Clark Brown,2021-05 What is the relationship between Jesus sacrifice and our redemption forgiveness and receiving an inheritance per the terms of the covenant will that was effected by His death From what and to what are we saved Is it Jesus death alone that saves us What part does His resurrection have in our salvation Does the justice of God demand the satisfaction of blood before He will forgive similar to what pagans throughout history have believed What was the purpose of the Old Testament sacrifices Does blood alone atone for sin How does Christ s death render powerless the devil To whom was Christ s life given as a ransom From what are we ransomed Why did Jesus not only die but suffer and die If all that was necessary was His shed blood why didn t God sovereignly ordain a more merciful death for His own dear Son What is the relationship between a will or testament and a covenant What was willed to Jesus as an inheritance from His Father and what was willed to us through the new testament in His blood An history of the corruptions of Christianity Joseph

Priestley,1871 **Christ and the Altar Fire: Sacrifice as Deification in Matthias Scheeben** David

Augustine,2025-01-01 For renowned nineteenth century German dogmatic theologian Matthias Scheeben the divinely instituted liturgical cult of the Old Testament is replete with soteriological import figuratively signifying not only Christ s saving work and the sacramental worship of the New Testament but also the transformation and elevation of the rational creature by divine grace Scheeben s distinctive use of sacrificial concepts is rooted in his underlying view of sacrifice as primarily perfective directed to the glorification of God and constituted by the conversion of the offering into a pleasing and acceptable aroma via ritual burning with God given fire In *Christ and the Altar Fire* David Augustine offers an in depth study of Scheeben s soteriology of sacrifice providing a comprehensive analysis of his theology of sacrifice as well as a detailed examination of his sacrificial construal of Christ s person his saving work and its application to others At the heart of this account is Scheeben s understanding of Christ s sacrifice as encompassing his entire paschal mystery passion death resurrection and ascension itself a passage of glorification that serves as the site and source of deifying and latreutic nuptial union As he shows Scheeben employs the altar fire typology to establish a unity of cross and glory that fully maintains the atoning and meritorious significance of Christ s saving death Displaying careful attentiveness to Scheeben s historical context and to the contours of his substantial corpus Augustine also brings Scheeben s biblically inflected dogmatic theology into dialogue with contemporary biblical and theological scholarship showcasing the enduring relevance of his thought

Sacrifice and Modern Thought Julia Meszaros,Johannes Zachhuber,2013-10-03 Sacrifice has always been central to the study of religion yet attempts to understand and assess the concept have usually been controversial The present book which is the result of several years of interdisciplinary collaboration suggests that in many ways the fascination with sacrifice has its roots in modernity itself Theological developments following the Reformation the rediscovery of Greek tragedies and the encounter with the practice of human sacrifice in the Americas triggered a complex and passionate debate in the sixteenth century which has never since abated Contributors to this volume leading experts from theology anthropology and

literary and cultural studies describe and discuss how this modern fascination for the topic of sacrifice has evolved how it has shaped theological debate the literary imagination and anthropological theory Individual chapters discuss in depth major theological trajectories theories of sacrifice including those of Marcel Mauss and Ren Girard and current feminist criticism They engage with sacrifice in the context of religious and philosophical thought works of literature and film They explore different yet overlapping aspects of modernity s obsession with sacrifice The book does not intend to impose a single narrative over all these diverse contributions but brings them into a conversation around a common centre *The Sign and the Sacrifice* Rowan Williams,2016-11-29 Rowan Williams former Archbishop of Canterbury presents the Gospel accounts of Jesus crucifixion and resurrection as viewed through the eyes of those who witnessed them *The Sign and the Sacrifice* explores the meaning of the cross and the significance of Christ s resurrection discussing what these events meant to Jesus followers in the early years and what they can say to us today *Jesus of Nazareth neither baptised nor slain by Jew or Gentile* George W. Bartle,1877
