Sad Years:

The Developmental Psychopathology of Anxiety Michael W. Vasey, 2001 In The Development Psychopathology of Anxiety the editors have brought together many of the field's most respected and innovative researchers and challenged them to take a fresh look at the major factors that appear to contribute to the etiology and maintenance of anxiety disorders in childhood and throughout the life span The result is a series of creative chapters that will stimulate further theoretical and empirical efforts regarding these important issues and which will be of interest to researchers and clinicians alike Jacket
