stage of reclusion and the final being his return to the academic field and his teaching As is the case of all of his work these two works belong to the third phase of his life      **Shi'i Theology in Iran** Ori Goldberg,2011-09-12 Metaphor and identity The discursive personality Stuck in the middle with you A double edged sword Anxiety and discourse Theology and duality Mediated deliverance Faith Wheel within a wheel Faith as core and structure Silence fraught with meaning      *Sufi Encounters* Shaykh Fadhlalla Haeri,Muneera Haeri,2019-05-14 An unparalleled exploration of Sufism as it is practised around the world describing meetings with today s enlightened teachers as well as including wonderfully inspiring translations of the great Sufi masters of the past Ultimately this book acts as a guide to the Sufi path and offers wise insight into the meaning and purpose of life A compelling view of Sufi history together with vivid personal remembrances of living mystics This is an inspiring and at the same time beautifully subtle book with light filled insights on every page Saadi Shakur Chishti author of The Sufi Book of Life The Sufi path described in this book leads the seeker past ordinary states of consciousness towards a new experience of infinitude that is the source of the universe In this stage there is no duality or otherness but instead infinitude the Original Oneness from which all dualities and attributes emanate The book is at once an autobiography a didactic treatise and a literary opus full of wonderful translations of the words of earlier Sufis as well as the author s own poetry It describes Shaykh Fadhlalla Haeri s life quest to connect today s world with classical times especially through his meetings with enlightened Sufis all over the globe Shaykh Fadhlalla Haeri also addresses profound Sufi teachings concerning the nature of humankind the cosmos and God using clear and simple language to address difficult doctrinal issues as only a master who has digested fully such knowledge could do The book also reveals much about the present day Islamic world where despite the tragedies that are to be seen everywhere tradition and spirituality survive This is a metaphysical and spiritual guide to the Sufi path that ultimately offers insight into the meaning and purpose of life

**What is Shi'i Islam?** Mohammad Ali Amir-Moezzi, Christian Jambet, 2018-05-08 For the public at large Shi'ism often implies a host of confused representations suggesting more often than not obscurantism intolerance political violence and other ignominies running hot or cold in response to world events In fact for many people Shi'ism stands for radical Islam or worse Islamic terrorism In some respects nothing is more familiar than Shi'ism and yet nothing is more misunderstood For some twenty years the media have increased their coverage of the phenomenon Never or only rarely do they formulate the question we ask here what is Shi'ism What is this belief that inspires millions of people dispersed throughout the world This book provides a broad based introduction to Shi'i Islam It examines what the Shi'is believe how they see themselves and how they view the world It includes a thorough examination of doctrine philosophy the Shi'i approach to the Qur'an and the historical evolution of Shi'ism as a branch of Islam Too often and too quickly the conclusion is drawn that Shi'ism is a marginal heretical sect fundamentally alien to the deeper truth of the great religion of Islam thrust by historical accident onto the political stage Shi'ism either speaks the truth of Islam meaning that it is a truth of terror or it is entirely foreign to Islam and therefore merits outright rejection as Islamic fundamentalists and some individuals repeatedly claim This book intends to explain why such common misunderstandings of Shi'ism have taken root Written in an accessible format and providing a thorough overview of Shi'ism this book will be an essential text for students and scholars of Islamic Studies or Iranian Studies
