

MARRIAGE POEMS

- **A Word To Husbands**

To keep your marriage brimming
With love in the loving cup,

- **London**

I wandered through each chartered street,
Near where the chartered Thames does flow,

- **Let Me Not To The Marriage Of True Minds**

Let me not to the marriage of true minds
Admit impediments. Love is not love

- **Habitation**

Marriage is not
a house or even a tent

- **Indian Weavers**

Weavers, weaving at break of day,
Why do you weave a garment so gay?

- **Call It A Good Marriage**

Call it a good marriage -
For no one ever questioned

- **The Wedding**

O marriage-bells, your clamor tells
Two weddings in one breath.

- **A Marriage Of Two**

A marriage of two
is for love that is true

Backscheider, Catherine E. Ingrassia, 2022-10-01 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R. Backscheider and Catherine E. Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded *Where I Live: New & Selected Poems 1990-2010* Maxine Kumin, 2010-04-12 *Where I Live* is a collection celebrating the remarkable poetic range of one of America's greatest living poets *Where I Live* gathers poems from Maxine Kumin's five previous books The poems take as their concern rural life family and poetic legacy and they wrestle with political and social causes Also included is a generous selection of twenty three new poems which expand upon themes that have preoccupied Kumin and bring her record of poetic mastery up to the present Kumin's rare kinship with the natural world is again seen in this collection Book Jacket *Romantic and Victorian Long Poems* Adam Roberts, 2019-05-23 First

Notational Experiments in North American Long Poems, 1961-2011 A. J. Carruthers,2017-01-28 This book is a critical experiment that tracks the literary and poetic uses of musical notation and notational methods in North American long poems from the middle of last century to the contemporary moment Poets have readily referred to their poems as scores Yet in this study Carruthers argues that the integration of musical scores in expansive works of this period does more work than previously thought offering both resolution and escape from the demands placed on long poem form The five case studies on Langston Hughes Armand Schwerner BpNichol Joan Retallack and Anne Waldman offer approaches to reading literary scores in what might be described as a critical stave or a critical fugue of instances In differing ways musical notation and notational methods impact the form time and sometimes the ethical and political stances of these respective long poems

and the Making of Jewish American Poetry Dara Barnat, 2023-08-01 Walt Whitman has served as a crucial figure within the tradition of Jewish American poetry But how did Whitman a non Jewish American born poet become so instrumental in this area of poetry especially for poets whose parents and often they themselves were not born here Dara Barnat presents a genealogy of Jewish American poets in dialogue with Whitman and with each other and reveals how the lineage of Jewish American poets responding to Whitman extends far beyond the likes of Allen Ginsberg From Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy Alicia Suskin Ostriker and Gerald Stern this book demonstrates that Whitman has been adopted by Jewish American poets as a liberal symbol against exclusionary and anti Semitic elements in high modernist literary culture The turn to Whitman serves as a mode of exploring Jewish and American identity **The Best American Poetry 2025** David
