Long-Term Unemployment and Reemployment Policies Laurie J. Bassi, Stephen A. Woodbury, 2000-12-20 Research in Employment Policy *Employment Opportunities Act of 1983* United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Employment and Productivity, 1983

Ageing and Employment Policies Promoting Better Career Mobility for Longer Working Lives in the United Kingdom OECD, 2024-12-09 The transition towards a green economy rapid development of digital technologies and demographic change are some of the forces disrupting traditional career paths resulting in more fluid diversified career trajectories To benefit from increased longevity workers will increasingly have to consider job mobility at middle and older ages changing jobs or careers more frequently than in the past As in other countries career mobility declines with age in the United Kingdom yet voluntary mobility can provide opportunities to find better jobs potentially improving job satisfaction skills use and productivity This report identifies key public and employer policies in the United Kingdom that can support career mobility at older ages While the UK labour market remains dynamic providing ample job opportunities not all workers benefit equally Sustained public commitment to better integrated career guidance employment support and skills training is needed to support workers at all stages of their career With workforce ageing all stakeholders including employers must prioritise enhancing job quality along with health and well being to prevent premature workforce exits Key factors include fair pay access to occupational health supportive working conditions and workplace accommodation flexible work options and opportunities for ongoing learning and development

Congressional Procedures and the Policy Process Walter J. Oleszek, 2014 As a governing body Congress continually adapts to changes in process and practice This procedural context governs every aspect of the House and Senate and affects lawmakers as they make voting decisions expedite or delay legislation or defeat a bill Walter Oleszek s definitive work Congressional Procedures and the Policy Process examines how the majority and minority parties use procedural devices to achieve their political goals and offers an assessment of the role of conference committees in reconciling bicameral differences Not shying away from the complexity of the topic Oleszek ensures that the machinations of Congress are understandable through an array of interesting examples cases and anecdotes that he is particularly well positioned to witness and experience first hand Updates include an analysis of budget brinksmanship the increased use of filling the tree in the senate and a look at how the oversight approach of Congress triggers legislative executive clashes

Evaluation of the Impacts of the Washington Alternative Work Search Experiment Terry Russell Johnson, 1991 Tests the effectiveness of four work searching approaches used in the Unemployment Insurance UI programme Evaluates the impact on unemployment insurance payments noting also the effect on earnings

Handbook of the Economics of International Migration Barry Chiswick, Paul Miller, 2014-12-08 The economic literature on international migration interests policymakers as well as academics throughout the social sciences

These volumes the first of a new subseries in the Handbooks in Economics describe and analyze scholarship created since the inception of serious attention began in the late 1970s This literature appears in the general economics journals in various field journals in economics especially but not exclusively those covering labor market and human resource issues in interdisciplinary immigration journals and in papers by economists published in journals associated with history sociology political science demography and linguistics among others Covers a range of topics from labor market outcomes and fiscal consequences to the effects of international migration on the level and distribution of income and everything in between Encompasses a wide range of topics related to migration and is multidisciplinary in some aspects which is crucial on the topic of migration Appeals to a large community of scholars interested in this topic and for whom no overviews or summaries exist
