The Anatomy of Desire: An Anthology of Distance Shekinah Vera-Cruz, Valerie Wu, 2018-12-27 From the vicious to the clinical to the confessional The Anatomy of Desire is filled with poems that cut from where the ache is still tender and rend longing wide open Pulling knives from the body to call them holy crushing berries in fists like deliverance it's an anthology of words that ask hunger what it's made of words that spit blood on the floor every time they try to speak Arts of Wonder Jeffrey L. Kosky, 2012-12-11 Kosky turns to quiet works by subtle artists for spiritual insight and even wisdom a timely book that suggests different ways of being religious today Mark C Taylor author of After God Best Books of 2012 New Museum The fate of our times is characterized by rationalization and intellectualization and above all by the disenchantment of the world Max Weber's statement remains a dominant interpretation of the modern

condition the increasing capabilities of knowledge and science have banished mysteries leaving a world that can be mastered technically and intellectually And though this idea seems empowering many people have become disenchanted with modern disenchantment Using intimate encounters with works of art to explore disenchantment and the possibilities of re-enchantment Arts of Wonder addresses questions about the nature of humanity the world and God in the wake of Weber's diagnosis of modernity Jeffrey L Kosky focuses on a handful of artists Walter De Maria Diller Scofidio James Turrell and Andy Goldsworthy to show how they introduce spaces hospitable to mystery and wonder redemption and revelation and transcendence and creation What might be thought of as religious longings he argues are crucial aspects of enchanting secularity when developed through encounters with these works of art Developing a model of religion that might be significant to secular culture Kosky shows how this model can be employed to deepen interpretation of the art we usually view as representing secular modernity A thoughtful dialogue between philosophy and art Arts of Wonder will catch the eye of readers of art and religion philosophy of religion and art criticism *Longing Distance* Joanie Puma, 2018-06-15 *Christ and Culture* Graham Ward, 2015-11-04 Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr's famous volume on Christ and Culture published in the 1970s Explores representations of Christ from sources as diverse as the New Testament and twentieth century continental philosophy Considers Christ and culture in the light of contemporary categories such as the body gender desire politics and the sublime Develops an original and imaginative Christology rooted in Scriptural exegesis and concerned with today's cultural issues The author has been described as the most visionary theologian of his generation *Making Love with Scripture* Jacob D. Myers, 2015-11-01 Nothing has been more contentious in the history of Christianity than the meaning of the Bible and that debate continues today Arguments over scripture have divided denominations churches and families and these squabbles have led many to abandon the faith altogether Jacob D Myers a rising young scholar has a solution to the problem with scripture The instability of the Bible's meaning he argues is not a weakness but a strength and it can benefit conservatives and liberals alike In a conversational style peppered with pop culture references Myers provides a variety of tools for readers of the Bible helping the experienced and inexperienced alike appreciate the sacred text in new ways Finally he proposes the intriguing alternative of an erotic interpretation one that makes love with the Bible and opens new vistas of understanding *Every Boy's Book* Edmund Routledge, 1876 **Every Boy's Book** John George Wood, 1860 *CEO, I'm Married* Xin Ya, 2020-05-28 Married eight years husband addicted to online gambling waste business Xia Yuhan had to take charge of the family business for him to pay off the gambling debts On the crowded way back from work I ran into my husband holding a bright and beautiful little demoness in his arms Xia Yuhan dispiritedly decided to divorce her daughter along with her but her ex husband arrogantly said that giving up on her would be her loss The little goblin even took her ex husband's hand and swore to her Suddenly a refined and mature figure jumped out from the crowd He knelt down on one

knee and raised the diamond ring in his hand Dearest please marry me
