Wagner, 2015-06-29 As Leadership goes so goes the group, the organization, the nation, et al. Yet in spite of this multi-millennial axiom and the simple fact that we are the best leadership-educated society in the history of business, our encounters with genuine leaders remain extremely rare. Real Leadership: Are You Ready? examines this perplexing phenomenon and qualifies the problem as an unwillingness and/or inability to use new leadership information to improve our performance. It also provides the solution: a Leadership Enrichment LIFE cycle LEL c to help individuals and organizations build and sustain durable Leadership Platforms. If you are ready to enrich your personal leadership and raise the level of leadership in your organization, this book is for you. But I caution you: ahead of time, this book and its measures of merit are a little different than the typical leadership development offering. It won't offer instant solutions or allow for a casual engagement by the passive reader. No, it offers much more than that. The principal measure of merit for Real Leadership: Are You Ready? is the extent to which it will steal you and your organization away from the impersonal and futile trappings of fake leadership and enable you to move toward the personal and productive outcomes of Real Leadership. With your commitment and this book as a guide, the personal and organizational platforms that emerge will not only provide better support for the weight of those who choose to follow your lead; they will actually be able to withstand the world's difficult tests of time and torrent. *Fire Officer: Principles and Practice* Michael J. A Walk In The Light Peter Coriddi, 2025-09-17 Peter Coriddi was born into the light and continues to walk in the light. Just like all of us, his path traveled has not always been straight or level. In times of hope, love, learning, praying, serving, building, evangelizing, suffering, and witnessing. Throughout it all, he has leaned on his faith for strength while striving for personal and spiritual growth. In a collection of writings that includes personal stories, introspective questions, and other reflections, Coriddi shares uplifting insights gathered from each stage of his journey to date while encouraging believers to explore their own relationships with God and faith. He begins by explaining how the Father, Son, and Holy Spirit are an integral part of the journey and then focuses on the secular life versus the spiritual life, the choices we make, the consequences of our choices, and the lessons learned. He continues by reminding believers to live the way to attain an eternal life with God and concludes with poems, stories, and prayers that creatively explore his own experiences. **A Walk in the Light** shares the ideas, thoughts, insights, and experiences that guided a faithful man's journey through life as he pursued the truth, answers, and inner peace.
