

The book cover features a photograph of a young woman with dark hair and bangs, sitting barefoot on a dark, textured surface. She is wearing a yellow long-sleeved shirt and blue jeans, with her legs crossed and arms resting on her knees. She is looking directly at the camera with a serious expression. The title and subtitle are printed in yellow text in the upper right corner.

Looking Back A Chronicle Of Growing Up Old In The Sixties:

Looking Back Joyce Maynard, 2012-04-17 A memoir of what it was like to be a teenager in a tumultuous era from the New York Times bestselling author of *The Best of Us* Joyce Maynard was eighteen years old when her 1972 New York Times Magazine cover story catapulted her to national prominence Published one year later *Looking Back* is her remarkable follow up part memoir part cultural history and part social critique She wrote about diving under her desk for air raid practice during the Cuban Missile Crisis the Beatles first appearance on The Ed Sullivan Show and catching the first glimpse on the cover of Life magazine of a human fetus in utero Extraordinarily frank sincere and opinionated Maynard seemed unafraid to take on any subject including herself But as she reveals in a poignant and candid new foreword she carefully kept her inner life off the page She didn't write about her difficult relationship with her mother or her father's alcoholism or the fact that her best friend at college had struggled with the knowledge that he was gay And she did not mention the most important part of her life at the time she was writing this book her relationship with reclusive author J D Salinger who read and corrected every page even as he condemned her for writing it In this special anniversary edition Maynard's candid introductory reflections on the girl behind the girl who wrote *Looking Back* lend a new dimension to this iconic analysis of a generation This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection

Looking Back Joyce Maynard, 2003 **My Generation** John Downton Hazlett, 1998 John Hazlett's engaging study of writers from the 1960s demonstrates the ways in which the idea of the generation has affected autobiographical writing in this century Autobiographers from the sixties claim to speak on behalf of all members of their generation However each writer presents a unique political and personal agenda Best Books for Young Adults Holly Koelling, 2007-08-13 Rev ed of *Best books for young adults* Betty Carter with Sally Estes and Linda Waddle 2nd ed c2000 New York Magazine, 1991-12-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Genius of Earth Day* Adam Rome, 2013-04-16 The first Earth Day is the most famous little known event in modern American history Because we still pay ritual homage to the planet every April 22 everyone knows something about Earth Day Some people may also know that Earth Day 1970 made the environmental movement a major force in American political life But no one has told the whole story before The story of the first Earth Day is inspiring it had a power a freshness and a seriousness of purpose that are difficult to imagine today Earth Day 1970 created an entire green generation Thousands of Earth Day organizers and participants decided to devote their lives to the environmental cause Earth Day 1970 helped to build a lasting eco infrastructure lobbying organizations environmental beats at newspapers environmental studies programs ecology

sections in bookstores community ecology centers In *The Genius of Earth Day* the prizewinning historian Adam Rome offers a compelling account of the rise of the environmental movement Drawing on his experience as a journalist as well as his expertise as a scholar he explains why the first Earth Day was so powerful bringing one of the greatest political events of the twentieth century to life

She Said What? Maria Braden, 2021-11-21 No longer relegated to reporting on society happenings or household hints women columnists have over the past twenty years surged across the boundary separating the women s or lifestyle sections and into the formerly male bastions of the editorial financial medical and op ed pages Where men previously controlled the nation s new organizations were the chief opinion givers and defined what is newsworthy many women newspaper columnists are now nationally syndicated and tackle the same subjects as their male counterparts bringing with them distinctive styles and viewpoints Through these frank and lively interviews Maria Braden explores the lives and work of columnists Erma Bombeck Jane Brody Mona Charen Merlene Davis Georgie Anne Geyer Dorothy Gilliam Ellen Goodman Molly Ivins Mary McGrory Judith Miss Manners Martin Joyce Maynard Anna Quindlen and Jane Bryant Quinn Profiles describe how these writers got started where they get the nerve to tell the world what they think how they generate ideas for columns and what it s like to create under the pressure of deadlines Representative columns illustrate their distinctive voices and an introductory essay provides a historical overview of women in journalism including pioneering women columnists Fanny Fern Dorothy Thompson and Sylvia Porter Braden finds that today s women columnists frequently raise issues or use examples unique to their gender Because they are likely to have a direct personal connection to current social issues such as abortion child care or sexual harassment they are able to provide fresh perspectives on these provocative topics In doing so they are helping to define what is worthy of attention in the 90s and to shape public response A unique addition to the literature on women in journalism this book will interest general readers as well as students of journalism literature American studies and women s studies Aspiring writers will find here role models and practical guidance
