Looking For Lola:

The Sunday at Home, 1882 Writing on the Wall Jenna Rae, 2012-05-01 It doesn't take San Francisco detective Del Mason long to realize that her new neighbor Lola Bannon has more baggage than a cruise ship. She's seen too many victims of domestic violence not to recognize all the signs. Their mutual spark of attraction is compelling, but she knows that for now Lola needs friends, not lovers. When Lola is mugged and then her home vandalized, Del can't help but take a personal interest, though other detectives are on the case. Vandalism escalates to vicious warnings and allusions to Lola's past, but Lola has no idea what the perpetrator wants. The department advises Lola enter protective custody. The one person Lola trusts, Detective Del Mason, is ordered to keep her safe. With her duty and honor on the line, Del vows that the desire that grows every day they spend alone together won't cost Del her badge and Lola her life. *The Writing on the Wall* is the passionate story of one woman's survival of the past and another's commitment to the future that gives them the chance at happiness, neither of them believed possible.

Tell Me Who I Am Julia Navarro, 2014-02-13 A journalist receives a proposal to investigate the eventful life of his great grandmother, about whom all that is known is that she fled Spain, abandoning her husband and child, shortly before the Civil War broke out. The memoir of an entire century, this novel adds a new, original chapter to Julia Navarro's best-selling career. *Tell Me Who I Am* surprises and enchants with a captivating and heartrending story. This is a novel about memory and identity, with an exceptionally well-drawn and unforgettable literary character: a woman who, throughout her extraordinary life, was able to achieve the highly difficult feat of knowing herself. A victim of her mistakes, aware of her guilt, frightened by her traumas, she is, above all, an anti-heroine: a flesh-and-blood woman who always acts according to her principles, facing up to every challenge and making errors for which she will never fully pay. A woman who decided that she couldn't be neutral in this life. Navarro's most personal novel surprises for its melodrama and the raw emotions transmitted by many of its stories. It is filled with pure adventure, introspection, and political chronicle. From the tumultuous years of the Second Spanish Republic to the fall of the Berlin Wall, including World War II and the Cold War, these pages are packed with intrigue, emotion, politics, espionage, love, betrayal, and settings like Madrid, Barcelona, Paris, Buenos Aires, Mexico, Moscow, London, Berlin, and Warsaw, with brief stopovers in The Basque Country, Cairo, Athens, Lisbon, and New York.

Beach Trip Cathy Holton, 2010-06-22 Break out the tissues, sunblock, and margarita mix as four friends reunite after twenty-three years for a beach party in this feast of Southern friendship. Cathy Holton refreshes the action with winning humor. Publishers Weekly: Mel, Sara, Annie, and Lola have traveled diverse paths since their years together at a small Southern liberal arts college during the early 1980s. Mel, a mystery writer living in New York, is grappling with the aftermath of two failed marriages and a stalled writing career. Sara, an Atlanta attorney, struggles with her own slowly unraveling marriage. Annie, a successful Nashville businesswoman married to her childhood sweetheart, can't seem to leave behind the regrets of her youth. And sweet-tempered Lola whiles away her hours and her husband's money on little pills that keep her happy. Now

the friends all in their forties converge on Lola's lavish North Carolina beach house in an attempt to relive the carefree days of their college years. But as the week wears on and each woman's hidden story is gradually revealed, these four friends learn that they must inevitably confront their shared past and a secret that threatens to change their bond and their lives forever. A brilliant bubbly bracing novel packed with hilarity and heartache. **Wichita Falls Times Record News**

The Wedding Party Cheryl J. McCullough, 2012-04 Leah Robinson is a fun-loving high-spirited young lady who is the daughter of the well-known bishop of Hattiesville Community Church. Fiascos Kelli London, 2011-10-24 Life sucks. Big time. But guess what? I've got a dream: no one can kill me, and I've been planning how to make it come true. Charly's holding it down; she's got the attention of Mason, the new cutie around the way. She's setting the style for her crew, and if you get in her way, she'll mosh you. Despite her frontin', her game is shaky; she's got no phone, no ride, and she's living on the outskirts of Chicago. Even worse, she's got a dream-killing mother and has to work part-time to help pay the bills. But Charly's got a plan to rise above it all using the acting skills she's honed over the years to save face around the haters. All she's got to do now is get to New York without dropping the ball on making her and Mason official. But between the most messed-up travel plans ever and a bunch of broken promises, Charly's got a long journey ahead of her. That's okay, cause nothing will stop her, not even the biggest challenge of all: that's waiting at her destination. Kelli reinvents the urban heroine; she's cuter, smarter, fearless. Excellent read. **Travis Hunter**, author of *On the Come Up*. Praise for Kelli London: Kelli's stories are edgy and addictive. You won't want the story to end. **RM Johnson**, author of *Stacie Cole*. An amazing tale that is sure to delight, teach, and intrigue teens everywhere. **Ni Ni Simone**, *Boyfriend Season*. **Henrietha Joyce M.**

Johnson, 2016-11-01 Ruthie often traveled on the subway with her best friend Jem from the church where they attend. Often, she told me that the pastor had brainwashed her. When the abused came to light to her pastor, he called her stepfather and set up a counsel session for him, but not for Ruthie. Often, times Ruthie traveled on the subway with her friend Jem, and they discussed their abuses, as Jem was abused, also. They share many interests in life. Ruthie said thoughts of jumping across the train tracks often crossed her mind. Jem talked her down at times. One night she came home and had me cornered in my

bedroom with her eyes blazing with fire as she sat me on the bed and yelled at me Why didn t you come over to my house and save me from the abuse I was waiting for someone to save me I can still smell the scent of Jason on me Night after night and Sunday after Sunday when he came home from church he had me as his sex slave Grandma you said you felt in your mind something was not right so why didn t you come and kick the door down and find out what was going on But my dear I did call the Children s Aid I told them what you said that you were sleeping in the closet at one time and they came and visited They called me and told me all was good in the home There was nothing else I could have done She left that night with her friend and three days later I heard from her that she is in British Colombia They took the bus She said if she hadn t left the province she would have jumped the subway track As you know Joanna there is a finished rooftop on my building Many times whenever Ruthie comes home she would go to the rooftop even before she goes to bed She said she finds peace and comfort there She felt like God was up there waiting to talk and comfort her Is domestic work really for black women It seems that way Whenever some white person or others meet you and talk about work it seems they are waiting for you to say that this is the job you are doing
