White Light Ronald J. Friis, 2021-11-12 White Light The Poetry of Alberto Blanco examines the interplay of complementary images and concepts in the award-winning Mexican writer's cycle of poems from 1979 to 2018. Blanco's poetic trilogy *A la luz de siempre* is characterized by its broad range of form and subject and by the poet's own eclectic background as a chemist, maker of collages, and musician. Blanco speaks the language of the visual arts, science, mathematics, music, and philosophy and creates work with deep interdisciplinary roots. This book explores how polarities such as space and place, reading and writing, sound and silence, visual and verbal representation, and faith and doubt are woven through *A la luz de siempre*. These complements reveal how Blanco's poetry like the phenomenon of white light embraces paradox and transforms into something more than the sum of its disparate and polychromatic parts.

Beyond Human Tara Daly, 2019-02-15. In the Andes, indigenous knowledge systems based on the relationships between different beings, both earthly and heavenly, animal and plant, have been central to the organization of knowledge since precolonial times. The legacies of colonialism and the continuance of indigenous cultures make the Andes a unique place from which to think about art and social change as ongoing and as encompassing more than an exclusively human perspective. *Beyond Human* revises established readings of the avant-gardes in Peru and Bolivia as humanizing and historical. By presenting fresh readings of canonical authors like C  sar Vallejo, Jos   Mar  a Arguedas, and Magda Portal, and through analysis of newer artist-activists like Julieta Paredes, *Mujeres Creando Comunidad*, and Alejandra Dorado, Daly argues instead

that avant gardes complicate questions of agency and contribute to theoretical discussions on vital materialisms the idea that life happens between animate and inanimate beings human and non human and is made sensible through art Published by Bucknell University Press Distributed worldwide by Rutgers University Press **The Princeton Encyclopedia of Poetry and Poetics** Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993
