Horace Bleackley

Loose Ladies:

The Ladies Man Charles L. Morey, 2010 THE STORY In Belle poque Paris the recently married Dr Hercule Molineaux tells one tiny little hardly noticeable lie to cover an innocent but embarrassing indiscretion From that single untruth tumbles a cascade of increasingly convoluted *Ladies' garment cutting* Thomas Hiram Holding, 1890 **The Pretender's Lady** Alan Gold, 2015-07-07 From the author of *The Last Testament* comes the true love of Bonnie Prince Charlie her adventures in America and her lasting legacy In the page turning popular genre trail blazed by Antonia Fraser and Phillippa Gregory *The Pretender's Lady* Alan Gold's meticulously researched novel accurately opens history's pages on a peerless woman who helped change the course of history and whose legend lives on in Scotland today Flora MacDonald She was the most famous Scotswoman of her day single handedly saving Bonnie Prince Charlie This is her fictionalized life story her relations with the Prince her flight to America Ben Franklin's influence and her return to Britain to lobby for peace But what's hidden from history revealed now for the first time in Gold's dazzling new work of fiction is the result of Flora's and Charlie's love a beautiful and talented boy raised on an American farm But only she knows his true heritage and his claim to the world's greatest throne And only the genius of Ben Franklin understands how to use this naïve boy to change the history of America Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Ten Ladies of Joy George Ryley Scott, 1929 *The Direct System of Ladies' Cutting* Thomas Hiram Holding, 1901 A Lady's Secret Jo Beverley, 2008-04-01 When Robin Fitzvitry the fun loving Earl of Huntersdown encounters a cursing nun in a French inn he can't resist the mystery He offers to help Sister Immaculata reach England expecting amusement on the tedious journey home from Versailles Petre d'Avernio is not exactly a nun though she has spent years in an Italian convent with her mother whose death has left her in danger She must find the only person who might protect her her true father an English lord who does not know she exists The gorgeous earl Robin Fitzvitry will be a dangerous ally but she's glimpsed her pursuers and must race to the coast She will resist him use him and eventually escape him with her virtue and secrets intact she hopes Ladies Fair and Frail Horace Bleackley, 1909 **Sarah Millican - The Queen of Comedy: The Funniest Woman in Britain** Tina Campanella, 2017-09-07 Married and working as a civil servant in a job centre Sarah Millican's life couldn't have been more ordinary just over a decade ago However after the sudden break up of her marriage she decided to try something new and sign up for a writing workshop It was to mark the beginning one of comedy's greatest success stories Growing up as a child of the Miners Strike which caused immense financial hardship for her family and a victim of bullying

Sarah's early years were far from easy. She had always been clever and creative but had never managed to find the outlet for it. It wasn't until her thirties that she was finally recognised in spectacular fashion as she went on to win the Best Newcomer Award after the Edinburgh Fringe Festival in 2008. A few years later her first DVD's sales broke all records for a female comedian. Sarah's brand of Geordie warmth and humility mixed with a natural edginess and willingness to talk about all aspects of everyday life has won her millions of fans. She manages to push the boundaries while still seeming like your best friend and it remains the great secret of her success. She is well on her way to national treasure status. This is the story of how a shy unassuming woman from South Shields became the Queen of British comedy. **The Lively Lady Townshend and Her Friends** Erroll Sherson, 1927 Women and Nature Glenda Riley, 1999-01-01 Long before Rachel Carson's fight against pesticides placed female environmental activists in the national spotlight, women were involved in American environmentalism. In *Women and Nature: Saving the Wild West*, Glenda Riley calls for a reappraisal of the roots of the American conservation movement. This thoroughly researched study of women conservationists provides a needed corrective to the male-dominated historiography of environmental studies. The early conservation movement gained much from women's widespread involvement. Florence Merriam Bailey classified the birds of New Mexico and encouraged appreciation of nature and concern for environmental problems. Ornithologist Margaret Morse Nice published widely on Oklahoma birds. In 1902 Mary Knight Britton established the Wild Flower Preservation Society of America. Women also stimulated economic endeavors related to environmental concerns including nature writing and photography, health spas and resorts, and outdoor clothing and equipment. From botanists, birders, and nature writers to club women and travelers, untold numbers of women have contributed to the groundswell of support for environmentalism.
