

Lord Of The Desert

James Barr

Lord Of The Desert:

Lords of the Desert James Barr, 2018-08-09 Beautifully written and deeply researched The Observer Upon victory in 1945 Britain still dominated the Middle East But her motives for wanting to dominate this crossroads between Europe Asia and Africa were changing Where imperial security control of the route to India had once been paramount now oil was an increasingly important factor So too was prestige Ironically the very end of empire made control of the Middle East precious in itself on it hung Britain's claim to be a great power Unable to withstand Arab and Jewish nationalism within a generation the British were gone But that is not the full story What ultimately sped Britain on her way was the uncompromising attitude of the United States which was determined to displace the British in the Middle East Using newly declassified records and long forgotten memoirs including the diaries of a key British spy James Barr tears up the conventional interpretation of this era in the Middle East vividly portraying the tensions between London and Washington and shedding an uncompromising light on the murkier activities of a generation of American and British diehards in the region from the battle of El Alamein in 1942 to Britain's abandonment of Aden in 1967 Reminding us that the Middle East has always served as the arena for great power conflict this is the tale of an internecine struggle in which Britain would discover that her most formidable rival was the ally she had assumed would be her closest friend

Bustles impressively with detail and anecdote Sunday Times Consistently fascinating The Spectator Barr draws on a rich and varied trove of sources to knit a sequence of dramatic episodes into an elegant whole Great events march through these pages Wall Street Journal **Lord of the Desert** Barbara Faith, 1993 The Royal Magazine, 1903 *Lord of the Desert* Douglas Valder Duff, 1951 The Desert of the Exodus E. H. Palmer, 1871 **Lords of the Desert** James Barr, 2018-09-11 A path breaking history of how the United States superseded Great Britain as the preeminent power in the Middle East with urgent lessons for the present day We usually assume that Arab nationalism brought about the end of the British Empire in the Middle East that Gamal Abdel Nasser and other Arab leaders led popular uprisings against colonial rule that forced the overstretched British from the region In **Lords of the Desert** historian James Barr draws on newly declassified archives to argue instead that the US was the driving force behind the British exit Though the two nations were allies they found themselves at odds over just about every question from who owned Saudi Arabia's oil to who should control the Suez Canal Encouraging and exploiting widespread opposition to the British the US intrigued its way to power ultimately becoming as resented as the British had been As Barr shows it is impossible to understand the region today without first grappling with this little known prehistory **Bread in the Desert** Randolph Harrison McKim, 1887 **Wasteland** Mike Pilavachi, 2020-01-20 Mountaintops can be invigorating but there's growth in the valleys How do we understand and stay close to God when things may not always go right In **Wasteland** Mike Pilavachi explores those difficult times in our lives when

our dreams are unrealised and our spirituality feels dry and lifeless Drawing from characters in the Old and New Testament he puts together a biblical survival kit so that hope shimmers on the horizon like a distant oasis

Waiting for the Rest That Still Remains Dr. Arie C. Leder, 2020-12-16 Waiting for the Rest That Still Remains A Biblical Theology of the Former Prophets focuses on Israel's squandering of God's gift of rest from the enemy all around by worshiping at the altars of other gods and its ultimate consequences a second exile this time from the landed presence of the Lord Where land is the Pentateuch's promised future the Former Prophets proffer a future tied to the Lord's dynastic covenant with David and Solomon's dedicatory prayer Pleas that God hear in heaven the prayers his people direct toward the temple in Jerusalem express hope for the good life in the land but the culmination of Solomon's prayer pleads that upon repentance their captors be compassionate to them in the land of their captivity there is no plea for return to the land from exile Outside of God's promise to David Joshua Kings do not identify an earthly place like Noah's ark or the land filled with God's presence to which they might return Israel awaits the fulfillment of God's promise to David *Sinai in Spring; Or, The Best Desert in the World* Montague John Rendall, 1911 **Orient**, 1991 **The Preacher's Complete Homiletical Commentary on the Old Testament: Leviticus**, 1892 *A Concordance of the Proper Names in the Holy Scriptures* Thomas David Williams, 1923 *The Will to Civilization* John Katz, 1975 California "where Sets the Sun", 1876-1904 Eliza A.
