The LORD
CORNBURY
Scandal

*The Politics of Reputation
in British America*

Lord Cornbury Scandal

Brian Cowan, Scott Sowerby

Lord Cornbury Scandal:

The Lord Cornbury Scandal Patricia U. Bonomi, 2000-02-01 The portrait of a viscount in women's clothing from the colonial government of New York addresses the climate of political corruption conspiracy slander and rumormongering prevalent in his times Also addressed are the postwar American Whig tendencies to completely discount colonial benevolence and well kept provincial politics in favor of scorn and derision of the British colonial government *The Lord Cornbury Scandal* Patricia U. Bonomi, 2012-12-01 For more than two centuries Edward Hyde Viscount Cornbury royal governor of New York and New Jersey from 1702 to 1708 has been a despised figure whose alleged transgressions ranged from raiding the public treasury to scandalizing his subjects by parading through the streets of New York City dressed as a woman Now Patricia Bonomi offers a challenging reassessment of Cornbury She explores his life and experiences to illuminate such topics as imperial political culture gossip Grub Street and the climate of slander early modern sexual culture and constitutional perceptions in an era of reform In a tour de force of scholarly detective work Bonomi also reappraises the most conclusive piece of evidence used to indict Cornbury a celebrated portrait said to represent the governor in female dress that hangs today in the New York Historical Society Stripping away the many layers of the Cornbury myth this innovative work brings to life a fascinating man and reveals the conflicting emotions and loyalties that shaped the politics of the First British Empire A tour de force of historical detection Tim Hilchey New York Times Book Review Bonomi's book is more than an exoneration of Cornbury It is a case study of what she aptly calls the politics of reputation Edmund S Morgan New York Review of Books A fascinating authoritative glimpse into the seamy underside of imperial politics in the late Stuart era Timothy D Hall Pennsylvania Magazine of History and Biography An intriguing detective story that casts light upon the operation of political power in the past and the nature of history writing in the present Alan Taylor New Republic For more than two centuries Edward Hyde Viscount Cornbury royal governor of New York and New Jersey from 1702 to 1708 has been a despised figure whose alleged transgressions ranged from looting the colonial treasury to public cross dressing in New York City Stripping away the many layers of the Cornbury myth Patricia Bonomi offers a challenging reassessment of this fascinating figure and of the rough and tumble political culture of the First British Empire with its muckraking press salacious gossip and conflicting imperial loyalties [A Treasury of Great American Scandals](#) Michael Farquhar, 2003-07-01 Following on the heels of his national bestseller *A Treasury of Royal Scandals* Michael Farquhar turns his attention to matters a little closer to home with *A Treasury of Great American Scandals* From the unhappy family relationships of prominent Americans to the feuds smear campaigns duels and infamous sex scandals that have punctuated our history we see our founding fathers and other American heroes in the course of their all too human events Ineffectual presidents lazy generals traitors treacherous fathers nagging mothers ungrateful children embarrassing siblings and stories about insanity death and disturbing postmortems are all here as are disagreeable marriages vile habits and of course sex good sex bad sex and good bad sex too

We can take comfort in the fact that we are no worse and no better than our forebears But we do have better media coverage Bonus educational material A brief history of the United States including scandals The American Hall of Shame A complete listing of presidential administrations **Not for Filthy Lucre's Sake** Daniel J. Weeks,2001-06 The late seventeenth and early eighteenth centuries were tumultuous times for New Jersey The settlers in East New Jersey rose in violent opposition to the proprietary government of the province Antiproprietary agitators including Richard Saltar defied the authority of the province courts often forcibly breaking up the proceedings and physically assaulting the judges Daniel J Weeks reveals that the antiproprietary movement was more than a spontaneous outburst against the perceived oppressions of the proprietors It was in fact a concerted and well planned effort to overthrow proprietary power in New Jersey and establish a government based on the consent of the majority of the freeholders The troubles had their roots in the very first days of settlement after the proprietors private owners of the land and government refused to recognize the land patents of the settlers BOOK

JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Hidden History of the Mid-Hudson Valley** Carney Rhinevault,Tatiana Rhinevault,2011-09-09 The Albany Post Road was the vital artery between New York City and the state capital in Albany in the eighteenth and nineteenth centuries It saw a host of interesting events and colorful characters though these unusual and extraordinary stories as well as their connection to the thoroughfare are oft forgotten Revolutionary War spies marched this path and anti rent wars rocked Columbia County Underground Railroad safe houses in nearby towns like Rhinebeck and Fishkill sheltered slaves seeking freedom in Canada and Frank Teal s Dutchess County murder remains unsolved With illustrations by Tatiana Rhinevault local historian Carney Rhinevault presents these and other hidden stories from the Albany Post Road in New York s mid Hudson Valley **Political Thought in Seventeenth-Century Ireland** Jane H. Ohlmeyer,2000-06-29 This book provides an in depth analysis of seventeenth century Irish political thought and culture Encyclopedia of New Jersey Maxine N. Lurie,Marc Mappen,2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey

The New Encyclopedia of American Scandal George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption The State Trials and the Politics of Justice in Later Stuart England Brian Cowan,Scott Sowerby,2021 The book discusses the state trial as a legal process a public spectacle and a point of political conflict a key part of how constitutional monarchy became constitutional State trials provided some of the leading media events of later Stuart England The more important of these trials attracted substantial public attention serving as pivot points in the relationship between the state and its subjects Later Stuart England has been known among legal historians for a series of key cases in which juries asserted their independence from judges In political history the government s sometimes shaky control over political trials in this period has long been taken as a sign of the waning power of the Crown This book

revisits the process by which the state trial emerged as a legal proceeding a public spectacle a point of political conflict and ultimately a new literary genre It investigates the trials as events as texts and as moments in the creation of historical memory By the early nineteenth century the publication and republication of accounts of the state trials had become a standard part of the way in which modern Britons imagined how their constitutional monarchy had superseded the absolutist pretensions of the Stuart monarchs This book explores how the later Stuart state trials helped to create that world **Trust and Distrust** Mark Knights, 2021-12-02 Trust and Distrust offers the first overview of Britain's history of corruption in office in the pre modern era 1600 1850 and as such will appeal not only to historians but also to political and social scientists Mark Knights paints a picture of the interaction of the domestic and imperial stories of corruption in office showing how these stories were intertwined and related Linking corruption in office to the domestic and imperial state has not been attempted before and Knights does this by drawing on extensive interdisciplinary sources relating to the East India Company as well as other colonial officials in the Atlantic World and elsewhere in Britain's emerging empire Both corruption and office were concepts that were in evolution during the period 1600 1850 and underwent very significant but protracted change which this study charts and seeks to explain The book makes innovative use of the concept of trust which helped to shape office in ways that underlined principles of selflessness disinterestedness integrity and accountability in officials

Lord Cornbury Scandal Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has be more evident than ever. They have the ability to inspire, provoke, and ignite change.
