Sufism as Lorna Goodison's Alternative Poetic Path to Hope and Healing Brenda Domínguez-Rosado, 2018-10-15 Jamaican Poet Laureate Lorna Goodison searches for answers for herself and other Caribbean based descendants of enslaved Africans by examining and presenting different spiritualities in her poetry in the hope of providing alternatives to the psyche in need of healing after the traumatic events of the infamous transatlantic Middle Passage The inclusion of Sufism in her poetry seems to have a dual purpose in that it offers a new creative angle and a sincere belief in its power to provide relief from personal anguish The fact that Sufism is similar to Jamaican based religions works in its favor Can Jamaicans who are Goodison's primary subject really relate to its message She does not underestimate her audience's capacity for change or their willingness to accept the ideas of Sufism Her role as facilitator is not a secret she is openly promoting her ideas and her belief that healing is possible This book is divided into three chapters In Chapter One a brief history of slavery in the

Caribbean region with a focus on Jamaica is presented The second chapter explicitly focuses on Lorna Goodison and her use of the written word to reveal her feelings about her ancestors and her own traumatic past It also defines Sufism includes some examples of Sufi poems and shows what aspects of Sufism resonate with Jamaican Revivalism and Rastafarianism The final chapter first makes reference to how Sufi elements have been used by other writers such as Alfred Lord Tennyson Walt Whitman Thomas Merton and Doris Lessing and then illustrates how contrary to these others Goodison is the only one to apply Sufi ideals to a Caribbean context thus falling into her own creative category that of a new Caribbean literary canon

The Great Test, Or, The Struggles and Triumph of Lorna Selover Herman Devillo Clarke,1916 **Playing with Languages** Amy L. Paugh,2014-05-01 Over several generations villagers of Dominica have been shifting from Patwa an Afro French creole to English the official language Despite government efforts at Patwa revitalization and cultural heritage tourism rural caregivers and teachers prohibit children from speaking Patwa in their presence Drawing on detailed ethnographic fieldwork and analysis of video recorded social interaction in naturalistic home school village and urban settings the study explores this paradox and examines the role of children and their social worlds It offers much needed insights into the study of language socialization language shift and Caribbean children s agency and social lives contributing to the burgeoning interdisciplinary study of children s cultures Further it demonstrates the critical role played by children in the transmission and transformation of linguistic practices which ultimately may determine the fate of a language *The Things We Learn When We're Dead* Charlie Laidlaw,2017-01-26 *The Things We Learn When We re Dead* is about how small decisions can have profound and unintended consequences but how we can sometimes get a second chance On the way home from a dinner party Lorna Love steps into the path of an oncoming car When she wakes up she is in what appears to be a hospital but a hospital in which her nurse looks like a young Sean Connery she is served wine for supper and everyone avoids her questions It soon transpires that she is in Heaven or on HVN because HVN is a lost dysfunctional spaceship and God the aging hippy captain She seems to be there by accident or does God have a higher purpose after all Despite that *The Things We Learn When We re Dead* is neither sci fi nor fantasy It is a book about memory and how if we could remember things slightly differently would we also be changed In HVN Lorna can at first remember nothing But as her memories return some good some bad she realises that she has decisions to make and that maybe she can find a way back home *In the Land of Lorna Doone* William Henry Rideing,1895
