

Losing Ground

Julian Lincoln Simon

Losing Ground:

Losing Ground Jione Havea, 2022-07-07 The Ruth narrative opens with a climate crisis a famine pushed a family to migrate and addresses some of the critical concerns for refugees food security home land inheritance Around those concerns *Losing Ground* Reading Ruth in the Pacific offers a collection of bible studies from the Pacific that interweave the climate pandemic with the interests and wisdoms of Pasifika natives Weaving Ruth's story together with the stories of those who as Pacific islanders on the frontline of a climate catastrophe are forced to leave their homes because of rising sea levels Pasifika bible scholar Jione Havea offers a powerful and potent contribution which refuses to pretend scripture can be read separately from the every day realities of a climate emergency

Losing Ground David M. Burley, 2010-04-26 What is it like to lose your front porch to the ocean To watch salt water destroy your favorite fishing holes To see playgrounds and churches subside and succumb to brackish and rising water The residents of coastal Louisiana know For them hurricanes are but exclamation points in an incessant loss of coastal land now estimated to occur at a rate of at least twenty four square miles per year In *Losing Ground* coastal Louisianans communicate the significance of place and environment During interviews taken just before the 2005 hurricanes they send out a plea to alleviate the damage They speak with an urgency that exemplifies a fear of losing not just property and familiar surroundings but their identity as well People along Louisiana's southeastern coast hold a deep attachment to place and this shows in the urgency of the narratives David M Burley collects here The meanings that residents attribute to coastal land loss reflect a tenuous and uprooted sense of self The process of coastal land loss and all its social components from the familial to the political impacts these residents concepts of history and the future Burley updates many of his subjects narratives to reveal what has happened in the wake of the back to back disasters of Hurricanes Katrina and Rita

Losing Ground John R. Nolon, Daniel B. Rodriguez, 2007 This book calls attention to the emerging issues involved in building on the edge of environmentally vulnerable places explores why we do this and proposes ways to mitigate its impact The challenge of public policy is to acknowledge and challenge the conflicts inherent in modern planning philosophy in the service of sensible environmental regulation

Visions of Poverty Robert Asen, 2012-01-01 Images of poverty shape the debate surrounding it In 1996 then President Bill Clinton signed welfare reform legislation repealing the principal federal program providing monetary assistance to poor families Aid to Families with Dependent Children AFDC With the president's signature this originally non controversial program became the only title of the 1935 Social Security Act to be repealed The legislation culminated a retrenchment era in welfare policy beginning in the early 1980s To understand completely the welfare policy debates of the last half of the 20th Century the various images of poor people that were present must be considered *Visions of Poverty* explores these images and the policy debates of the retrenchment era recounting the ways in which images of the poor appeared in these debates relaying shifts in images that took place over time and revealing how images functioned in policy debates to advantage some positions and disadvantage

others Looking to the future Visions of Poverty demonstrates that any future policy agenda must first come to terms with the vivid disabling images of the poor that continue to circulate In debating future reforms participants whose ranks should include potential recipients ought to imagine poor people anew This ground breaking study in policymaking and cultural imagination will be of particular interest to scholars in rhetorical studies political science history and public policy

The Afterlives of Kathleen Collins

L. H. Stallings,2021-12-07 An absorbing portrait of a groundbreaking Black woman filmmaker Kathleen Collins 1942 88 was a visionary and influential Black filmmaker Beginning with her short film The Cruz Brothers and Miss Malloy and her feature film Losing Ground Collins explored new dimensions of what narrative film could and should do However her achievements in filmmaking were part of a greater life project In this critically imaginative study of Collins L H Stallings narrates how Collins as a Black woman writer and filmmaker sought to change the definition of life and living The Afterlives of Kathleen Collins A Black Woman Filmmaker s Search for New Life explores the global significance and futurist implications of filmmaker and writer Kathleen Collins In addition to her two films Stallings examines the broad and expansive and varying forms of writing produced by Collins during her short life time The Afterlives of Kathleen Collins showcases how Collins used filmmaking writing and teaching to assert herself as a poly creative dedicated to asking and answering difficult philosophical questions about human being and living Interrogating the ideological foundation of life writing and cinematic life writing as they intersect with race and gender Stallings intervenes on the delimited concepts of life and Black being that impeded wider access distribution and production of Collins s personal cinematic literary and theatrical works The Afterlives of Kathleen Collins definitively emphasizes the evolution of film and film studies that Collins makes possible for current and future generations of filmmakers

Policy Studies Review Annual

Ray C. Rist,1986-09-01 In the tradition of the Policy Studies Review Annual series Volume Eight continues to offer the best of recent writing and analysis in a number of policy relevant area Indeed reflecting the shifting nature of policy debates and public attention Volume Eight has introduced seven entirely new substantive areas including such sensitive issues as the viability of the safety net information policy work and labor policy immigration policy and environmental policy The volume is also characterized by explicit attention to two critical aspects of the policy analysis craft the strengths and weaknesses of various methodological approaches and the role noneconomic factors should play in economic policy analysis Drawing from such public sector administrators as William Ruckelshaus and Eleanor Chelmsky academic policy analysts such as Martin Feldstein and Irving Louis horowitz and two congressional support agencies CBO and GAO the volume provides the most timely and relevant assessments of current policy issues It also provides the reader with a framework within which to approach substantie areas as widely disparate as national security and health care The volume is an indispensable tool for those who seek to sort through the confusions and contradictions of present policy statements in order to gain a cogent view

of how these and other issues are framed and what viable policy options are available Contents partial METHODS FOR POLICY ANALYSIS S Rosen S Tolchin D McCaffrey J Hall P Dommel S Kelman NONECONOMIC FACTORS IN ECONOMIC POLICY MAKING A Etzioni A Bhattacharya J Feldman M Fedstein THE SAFETY NET AS PUBLIC POLICY Congressional Budget Office C Murray U S General Accounting Office R Struyk R K Weaver WORK AND LABOR POLICY S Levitan D Bresnik L Datta HEALTH POLICY AND COST CONTAINMENT V Fuchs B B Torrey J Lave DEFENSE AND NATIONAL SECURITY POLICY S Deitchman H Brown R Art D Robertson J Steinbruner I L Horowitz C Danopoulos INFORMATION POLICY E Chelimsky L Perlman R J Perlman P Lengyel ENVIRONMENTAL POLICY W Ruckelshaus M Kraft N Vig R C Kearney J J Stucker W K Viscusi IMMIGRATION POLICY R Mines P Martin E Bean T Sullivan D G Papademetriou

Poverty, Hunger, and the Welfare System United States. Congress. House. Select Committee on Hunger,1987

The Ultimate Resource 2 Julian Lincoln Simon,2020-06-30 Arguing that the ultimate resource is the human imagination coupled to the human spirit Julian Simon led a vigorous challenge to conventional beliefs about scarcity of energy and natural resources pollution of the environment the effects of immigration and the perils of overpopulation The comprehensive data careful quantitative research and economic logic contained in the first edition of The Ultimate Resource questioned widely held professional judgments about the threat of overpopulation and Simon s celebrated bet with Paul Ehrlich about resource prices in the 1980s enhanced the public attention both pro and con that greeted this controversial book Now Princeton University Press presents a revised and expanded edition of The Ultimate Resource The new volume is thoroughly updated and provides a concise theory for the observed trends Population growth and increased income put pressure on supplies of resources This increases prices which provides opportunity and incentive for innovation Eventually the innovative responses are so successful that prices end up below what they were before the shortages occurred The book also tackles timely issues such as the supposed rate of species extinction the vanishing farmland crisis and the wastefulness of coercive recycling In Simon s view the key factor in natural and world economic growth is our capacity for the creation of new ideas and contributions to knowledge The more people alive who can be trained to help solve the problems that confront us the faster we can remove obstacles and the greater the economic inheritance we shall bequeath to our descendants In conjunction with the size of the educated population the key constraint on human progress is the nature of the economic political system talented people need economic freedom and security to bring their talents to fruition

Wounds That Will Not Heal Russell K Nieli,2012-11-20 Racial preference policies first came on the national scene as a response to black poverty and alienation in America as dramatically revealed in the destructive urban riots of the late 1960s From the start however preference policies were controversial and were greeted by many including many who had fought the good fight against segregation and Jim Crow to further a color blind justice with a sense of outrage and deep betrayal In the more than forty years that preference policies have been with us little has changed in terms of public opinion as polls indicate that a majority

of Americans continue to oppose such policies often with great intensity In Wounds That Will Not Heal political theorist Russell K Nieli surveys some of the more important social science research on racial preference policies over the past two decades much of which he shows undermines the central claims of preference policy supporters The mere fact that preference policies have to be referred to through an elaborate system of euphemisms and code words affirmative action diversity goals and timetables race sensitive admissions tells us something Nieli argues about their widespread unpopularity their tendency to reinforce negative stereotypes about their intended beneficiaries and their incompatibility with core principles of American justice Nieli concludes with an impassioned plea to refocus our public attention on the truly disadvantaged African American population in our nation s urban centers the people for whom affirmative action policies were initially instituted but whose interests Nieli charges were soon forgotten as the fruits of the policies were hijacked by members of the black and Hispanic middle class Few will be able to read this book without at least questioning the wisdom of our current race based preference regime which Nieli analyses with a penetrating gaze and an eye for cant that will leave few unmoved

Wounds that Will Not Heal Russell Nieli, 2012 Racial preference policies first came on the national scene as a response to black poverty and alienation in America as dramatically revealed in the destructive urban riots of the late 1960s From the start however preference policies were controversial and were greeted by many including many who had fought the good fight against segregation and Jim Crow to further a color blind justice with a sense of outrage and deep betrayal In the more than forty years that preference policies have been with us little has changed in terms of public opinion as polls indicate that a majority of Americans continue to oppose such policies often with great intensity In Wounds That Will Not Heal political theorist Russell K Nieli surveys some of the more important social science research on racial preference policies over the past two decades much of which he shows undermines the central claims of preference policy supporters The mere fact that preference policies have to be referred to through an elaborate system of euphemisms and code words affirmative action diversity goals and timetables race sensitive admissions tells us something Nieli argues about their widespread unpopularity their tendency to reinforce negative stereotypes about their intended beneficiaries and their incompatibility with core principles of American justice Nieli concludes with an impassioned plea to refocus our public attention on the truly disadvantaged African American population in our nation s urban centers the people for whom affirmative action policies were initially instituted but whose interests Nieli charges were soon forgotten as the fruits of the policies were hijacked by members of the black and Hispanic middle class Few will be able to read this book without at least questioning the wisdom of our current race based preference regime which Nieli analyses with a penetrating gaze and an eye for cant that will leave few unmoved

Poverty Knowledge Alice O'Connor, 2024-11-01 Progressive era poverty warriors cast poverty in America as a problem of unemployment low wages labor exploitation and political disfranchisement In the 1990s policy specialists made dependency the issue and crafted incentives to get people off welfare Poverty Knowledge gives

the first comprehensive historical account of the thinking behind these very different views of the poverty problem in a century spanning inquiry into the politics institutions ideologies and social science that shaped poverty research and policy Alice O Connor chronicles a transformation in the study of poverty from a reform minded inquiry into the political economy of industrial capitalism to a detached highly technical analysis of the demographic and behavioral characteristics of the poor Along the way she uncovers the origins of several controversial concepts including the culture of poverty and the underclass She shows how such notions emerged not only from trends within the social sciences but from the central preoccupations of twentieth century American liberalism economic growth the Cold War against communism the changing fortunes of the welfare state and the enduring racial divide The book details important changes in the politics and organization as well as the substance of poverty knowledge Tracing the genesis of a still thriving poverty research industry from its roots in the War on Poverty it demonstrates how research agendas were subsequently influenced by an emerging obsession with welfare reform Over the course of the twentieth century O Connor shows the study of poverty became more about altering individual behavior and less about addressing structural inequality The consequences of this steady narrowing of focus came to the fore in the 1990s when the nation s leading poverty experts helped to end welfare as we know it O Connor shows just how far they had traveled from their field s original aims

A Political History of the American Welfare System Brendon

O'Connor,2004 John Maynard Keynes once noted that Madmen in authority are distilling their frenzy from some academic scribbler of a few years back O Connor politics and public policy Griffith U Australia supports this observation in his study of the development of the American welfare system and the broader world of political language and rhetoric within which it has been shaped Studying welfare policy from Lyndon Johnson s liberal social agenda to Bill Clinton s ending welfare as we know it he divides the period and his book into three sections corresponding to welfare politics that conformed to liberal ideology the conservative backlash against liberalism and the forging of a conservative welfare system Annotation 2004 Book News Inc Portland OR booknews com

Second Anniversary of the Enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 United States. Congress. House. Committee on the Judiciary. Subcommittee on Commercial and Administrative Law,2007

After Multiculturalism John F. Welsh,2007-12-12 After Multiculturalism The Discourse on Race and the Dialectics of Liberty provides a unique critique of multiculturalist thought in social theory and public policy from an individualist perspective Contemporary academic and policy discourse on race and racism in the United States is dominated by collectivist social theories that are founded on the idea that the only meaningful challenges to racism are those that foster collective social identities and seek to influence and direct the use of state power in the interest of particular racial and ethnic groups Multiculturalism is the prevailing incarnation of anti racist thought that informs and mediates political process and organizational life in the United States The multicultural discourse on race has become tribalist anti western anti market and statist After Multiculturalism challenges the notion that collectivist and statist ideologies own racism as an educational

and public policy issue Welsh demonstrates that individualist philosophies entail critiques of racism that follow directly from their anti collectivist and anti statist foundations He argues that multiculturalism is unlikely to promote the types of social action and changes essential to overcoming racism and that the individualist and libertarian ideas discussed in the book make important contributions toward the realization of a world free of racial domination To this end the ideas of Ayn Rand Murray Rothbard Benjamin Benjamin Tucker Lysander Spooner Max Stirner and contemporary libertarian scholars are discussed to the lay the foundation for a critique of multiculturalism The book explores the concepts of post ethnicity and transracialism as individualist and libertarian expressions of a society after multiculturalism Welsh s discussions of transracialism and post ethnicity constitute unique and important contributions to social thought This book will hold great interest for scholars and students concerned with race ethnicity political theory or individualist thought as well as scholars and students of the history of ideas

Embodiment in Cross-Linguistic Studies ,2025-11-20 Over the past two decades linguistic research into embodiment has paid considerable attention to the human body and its individual parts particularly within typological and cognitively oriented studies This volume continues that line of inquiry with a specific focus on the lower limb It shows that like other major body parts the lower limb serves as a highly productive source domain for a wide range of conceptualisations across the world s languages and cultures More generally the book contributes to the growing body of work at the intersection of cognition language and culture It also engages with embodiment theory which posits that human cognition and language are fundamentally grounded in sensory motor experience Contributors are Kelsie Pattillo Jaime Pe a Gema Silva Franklin Espinoza Marleny Rodr guez Ma gorzata Wa niewska Rosanna Tramutoli Izabela Will Joseph Jaoko Ochieng Annika Tjuka Cristina Martins Fargetti Carmen L cia Reis Rodrigues Judit Baranyin K czy Iwona Kraska Szlenk Yi Tie Yongxian Luo and Mateus Cruz Maciel de Carvalho

Before a Democracy Died Scott Leckie,José María Arraiza,2023-11-22 This volume is a collection of chapters based on work within Myanmar by the authors between 2009 and 2021 while working to improve housing land and property rights for the population Despite the extensive application and political uptake of their work throughout the country during the brief democratic reform period of 2011 2021 and measurable progress being made their work and that of the entire HLP community was brought to a sudden stop following the unexpected military coup in February 2021 Many of those with whom the authors worked closely on various HLP matters are no longer able to work safely on these issues in Myanmar Others have fled the country and are now refugees while others continue to face daily persecution and harassment by the military regime These texts will be of great interest to scholars and activists in the region

Losing Ground Introduction

In the digital age, access to information has become easier than ever before. The ability to download Losing Ground has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Losing Ground has opened up a world of possibilities. Downloading Losing Ground provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Losing Ground has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Losing Ground. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Losing Ground. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Losing Ground, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Losing Ground has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Losing Ground Books

What is a Losing Ground PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Losing Ground PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Losing Ground PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Losing Ground PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Losing Ground PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
