Loss and Grief in the Childbearing Period Denise Côté-Arsenault, Margaret Comerford Freda, 2011-01-01

Loving You from Here SUSAN. CLARK, 2020-10 Loving You From Here explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades ago but still living with the loss The book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support This profound and insightful book will help everyone impacted by the loss of a baby

Mourning Unlived Lives Judith A. Savage, 1989 Of course this book will be used as a survival manual for grieving parents but it is a remarkable kit for the biggest psychological project of our time ordinary people teaching themselves to work through even the saddest occasions in order to live with strong feeling Until our century the gifts of spirit and psychology such as finding meaning in grief were regarded as something for the few Now we all want whatever psychological insight we can lay hand to we all want the conviction that no matter how fierce our grief we are part of life not in rebellion against it Here is this book marvelous not just for its therapeutic wisdom and compassionate discussion but for its research on and reference to the great griefs of the past Judith Savage takes us along the great wise route connecting our private griefs to the general condition of us all

Remembering Our Angels Hannah Stone, 2007-03 No

one knows the devastation and heartache of losing a baby more than a father or mother Grieving parents often do not know where to turn and what to do with their grief in the aftermath of a pregnancy loss In *Remembering Our Angels* Hannah Stone has collected essays and stories from pregnancy loss awareness activists doctors grief counselors and grieving parents in the hope of offering a resource to parents in mourning *Different Baby, Different Story* Joann O'Leary, Lynnda Parker, Margaret M. Murphy, Jane Warland, 2020-12-15 Pregnancy after prenatal or infant loss can be a lonely and frightening time but through stories of both pain and healing the authors show how to navigate the exciting but choppy waters of a subsequent pregnancy The loss of a pregnancy or newborn infant changes the meaning of pregnancy birth and parenting forever Increased parental fear and anxiety and continuing grief for the deceased baby can impact subsequent pregnancies in unexpected ways Parents who are unsupported in pregnancy after loss are may be more at risk of experiencing anxiety depression Post Traumatic Stress Disorder and difficulty in attaching to a new baby *Different Baby Different Story* explores the range of emotions thoughts and physical experiences of parents who have gone on to subsequent pregnancies Including stories from mothers fathers other children and extended family members this poignant and moving work will help readers through their own feelings and give voice to those who may have felt unheard or unsupported in the past With practical advice on self advocacy the book helps expectant parents gain insights as to how others learned to work with health care professionals mental health professionals and their own families and friends and coworkers For expectant mothers their partners their families and their friends this work supports the range of experiences and encourages readers on a path to healing *Understanding Pregnancy Loss* Christine Moulder, 1998-11-11 Stillbirth miscarriage and termination of pregnancy are emotionally laden experiences providing particular challenges for health professionals Based on original research this book provides insight into subjective experience and professional response It grows out of in depth interviews with women and with the full range of health professionals who were significant in their care These experiences are drawn upon to explore the dilemmas in providing good care and to suggest ways in which practice might be improved *Grieving Reproductive Loss* Kathleen Gray, Anne Lassance, 2018-10-26 *Grieving Reproductive Loss The Healing Process* acknowledges the devastating impact these losses can have Written in plain language the book attempts to bring about a greater understanding of the grief associated with reproductive loss and through the Healing Process Model copyright offers a holistic approach for constructive healthy grieving and healing of body mind and spirit **Models of Care in Maternity Services** Tahir Mahmood, Philip Owen, Sabaratnam Arulkumaran, Charnjit Dhillon, 2010-11-01 This book helps all those working in maternity services to improve the quality of the care they offer Improvement is driven by clinical effectiveness and increasing patient demands and for each area of practice described this book outlines the service organisation needed to achieve this improvement The goal is to help clinicians take responsibility for developing services that meet the needs of their patients as well as managing their individual medical conditions The book demonstrates that much can be achieved

within current resources and without major additional expense Different approaches are demonstrated but the key issue is the patient pathway Trainees clinicians managers and commissioners of services will find this book of practical value There should be a copy on the shelves of every hospital obstetric unit **Loving You from Here** Susan Clark,2022-10-13 Few experiences can compare to the trauma and pain of losing a baby and the wall of silence that often surrounds that loss can make grieving even harder Loving You From Here explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades ago but still living with the loss This book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support From managing those initial feelings of shock grief guilt and anger this book will also show families how it is possible to grow around that grief and eventually form an enduring bond with their baby This profound and insightful book will help everyone impacted by the loss of a baby before during or after birth including those who have suffered an early or a late miscarriage and those who have had an ectopic pregnancy and provides sensitive and reassuring advice on all aspects of loss and bereavement as well as practical advice on how to find a new normal This groundbreaking book breaks through the suffocating silence that surrounds the death of a baby and gives a voice to all those affected by baby loss
