Larson, 2013-01-11 *Coping With Loss* describes the many ways in which people cope with the death of someone they love Most earlier books on bereavement have fallen into two categories distillations of the clinical experience of individual therapists or collections of chapters reporting the results of empirical studies Each category is valuable but has tended to serve a narrow group of readers practitioners with particular theoretical orientations or researchers in quest of the latest findings Coauthored by a leading research psychologist and an experienced therapist who specializes in bereavement education and intervention this book is different The authors weave together the strands of theory research and clinical wisdom into a seamless and readable narrative While they discuss previous work they also present new data never before published from one of the largest studies of bereaved people ever conducted the Bereavement Coping Project Unlike most studies to date which focused on only one type of bereaved group usually widows or widowers the Bereavement Coping Project examined the experiences of several different groups during the first 18 months after the death The groups included those who had lost a spouse a parent an adult sibling or a child and those who had lost their significant other to cancer or cardiovascular disease on one hand as opposed to the stigmatized disease of AIDS on the other The book begins with a critical overview of theories of bereavement succeeding chapters explore in depth the impact of specific types of loss the impact of particular coping strategies on recovery the impact of social supports and religion and the special cases of children and of people who seem to grow and change for the better after a loss A final chapter considers implications for intervention with bereaved people Each chapter is richly illuminated with real life examples throughout and ends with a section called Voices in which bereaved people describe their various attempts to cope in their own words Insightful and informative **Strength to Deliver** Tolu Adeleye , Ph.D, 2013-07-14 **RECHARGE YOUR ZEST FOR LIFE** Do you feel life owes you some unfulfilled achievement Do you often look back with regrets on some of the dreams you started pursuing but abandoned in mid stream Have you deserted some of your life s goals due to family financial or other reasons Have you been hindered by key players in your life in the achievement of your life s goals If you answered Yes to any of the above questions then this book is for you You can achieve the passionate goals that you previously deserted You can revive your interrupted dreams as you learn how to consider them in the light of your new circumstances You can breathe new life into them conceive them anew and pursue goals towards their ultimate delivery in your present day situation You will discover how to Find out your strengths and discern your life s purpose Clarify what you want to do with your interrupted dreams in your present situation Breathe new life into the deserted dreams that align with your life s mission Take modified action steps and pursue re organized goals towards fulfillment of your dreams Avoid miscarriages and bring your revived dream to term this second time around Overcome obstacles that make you weak and unable to attain your dream in due time Take ownership of your newly delivered dream

at the plight of Jews in mid 20th century Eastern Europe From a small Angora farm in Satu Mare Romania to the horrifying grounds of Auschwitz and finally to a new life in America the five distinct voices of Edith Hilda and Mendi Festinger Nate Litvin and Kurt Meyers provide a powerful and intimate journey through one of mankind s darkest hours Litvin does well not to mute her sources with an authoritative filter The book s undeniable authenticity comes from the life events retold by each narrator while most historical texts offer one individual s take We Never Lost Hope presents five survivors working through their memories Litvin augmented the book with photographs news articles and other ephemera telegrams maps etc that support the sense of intimacy and reality Since some accounts can occasionally run long it may have been helpful for Litvin to provide more editorial insight and direction Still the book is a soaring testament to the strength and adaptability of five remarkable people A wonderfully executed powerful family chronicle Kirkus Discoveries 2 13 09 *A Bride for the Lost King* Maisey Yates,2021-07-27 Playing pretend may be more than the king bargained for in this fake engagement story by New York Times bestselling author Maisey Yates A wild king and the one woman to tame him After years presumed dead Lazarus must claim the throne he s been denied But to enact his royal revenge he also needs a convenient fianc e to hide his hard edges His right hand woman Agnes is perfect but her innocence could be his downfall Agnes owes Lazarus her life and she s dedicated it to protecting him But his scorching touch has even her trembling She knows their arrangement will last only until Lazarus has stolen back his crown Can she ever be brave enough to admit he s also stolen her heart From Harlequin Presents Escape to exotic locations where passion knows no bounds Read all The Heirs of Liri books Book 1 His Majesty s Forbidden Temptation Book 2 A Bride for the Lost King *Grief, Loss and Bereavement* Peter Wimpenny,John Costello,2013-03-01 Dealing with the social experience of grief loss and bereavement are challenging areas for everyone including health and social care practitioners who are often well placed to offer help and support to the bereaved This book draws together a comprehensive range of worldwide evidence for understanding and supporting the bereaved in a variety of health and social care contexts It can be used by practitioners from a wide range of backgrounds in both health and social care to gain an appreciation of bereavement and its associated support and care Additionally it can be used for personal and professional development by practitioners who want to enhance their own and others practice with the bereaved in specific contexts or organisations The book may also be of value to those undertaking post graduate study who want to gain a wider understanding of the evidence related to bereavement and bereavement care practice in health and social care and may be seeking to add to the body of evidence in this field *A Guide to the Clinical Care of Women with HIV* Jean Anderson (Gynecologist),2000 *Strangers and Friends at the Welcome Table* James Hudnut-Beumler,2018-03-19 In this fresh and fascinating chronicle of Christianity in the contemporary South historian and minister James Hudnut Beumler draws on extensive interviews and his own personal journeys throughout the region over the past decade to present a comprehensive portrait of the South s long dominant religion Hudnut Beumler traveled to both rural and urban communities listening to the

faithful talk about their lives and beliefs What he heard pushes hard against prevailing notions of southern Christianity as an evangelical Protestant monolith so predominant as to be unremarkable True outside of a few spots no non Christian group forms more than six tenths of one percent of a state s population in what Hudnut Beumler calls the Now South Drilling deeper however he discovers an unexpected blossoming diversity in theology practice and outlook among southern Christians He finds alongside traditional Baptists black and white growing numbers of Christians exemplifying changes that no one could have predicted even just forty years ago from congregations of LGBT supportive evangelicals and Spanish language church services to a Christian homeschooling movement so robust in some places that it may rival public education in terms of acceptance He also finds sharp struggles and political divisions among those trying to reconcile such Christian values as morality and forgiveness the aftermath of the mass shooting at Charleston s Emanuel A M E Church in 2015 forming just one example This book makes clear that understanding the twenty first century South means recognizing many kinds of southern Christianities
