Lost And Found A Woman Revisits 8th Grade:

Lost and Found Roberta Israeloff, 1997-10-14 Revisiting her past through old journals and diaries author Roberta Israeloff traces her passage from self confident tomboy to a teenager trying to understand what it means to be female in today's society Her recollections juxtaposed with thoughts on her current life capture from a personal perspective the journey to womanhood Will appeal to readers of **REVIVING OPHELIA**

Revisiting The Great White North? Darren E. Lund, 2015-01-20 Returning seven years later to their original pieces from this landmark book over 20 leading scholars and activists revisit and reframe their rich contributions to a burgeoning scholarship on Whiteness With new reflective writings for each chapter and valuable sections on relevant readings and resources this volume refreshes and enhances the first text to pay critical and sustained attention to Whiteness in education with implications far beyond national borders Contributors include George Sefa Dei Tracey Lindberg Carl James Cynthia Levine Rasky and the late Patrick Solomon Courageously examining diverse perspectives contexts and institutional practices contributors to this volume dismantle the underpinnings of inequitable power relations privilege and marginalization The book's relevance extends to those in a range of settings with abundant and poignant lessons for enhancing and understanding transformative social justice work in education Revisiting The Great White North offers terrific grist for examining the persistence of Whiteness even as it shape shifts Chapters are comprehensive theoretically rich and anchored in personal experience Authors reflections on the seven years since publication of the first edition of this book complexify how we understand Whiteness while simultaneously driving home the need not only to grapple with it but to work against it Christine Sleeter Professor Emerita California State University Monterey Bay Our understanding of racial inequities in education will be impoverished unless we look deeply at White privilege its variation in different contexts and resistances to change Such is the call in this important book by Lund Carr and colleagues whose analyses within Canadian contexts framed and re framed for this captivating revised edition will be useful to educators and scholars around the world Read this book today Kevin Kumashiro Dean School of Education University of San Francisco President National Association for Multicultural Education Darren Lund and Paul Carr have given the contributors to their original 2007 text the opportunity to revisit rethink reconceptualize and reframe their earlier work The result is an interesting invigorating and unsettling group of chapters that challenge readers to also revisit and rethink their own ideas about Whiteness privilege and power Teachers administrators policymakers and researchers will all benefit from this critical work Sonia Nieto Professor Emerita Language Literacy and Culture College of Education University of Massachusetts Amherst Lund and Carr bring together a superb collection of authors who collectively challenge readers to go beyond liberal platitudes about race until educators confront the political social and economic consequences of inequitably distributed privilege the path towards equality and freedom will remain elusive By immersing us in the discourse of Whiteness the essays in this book illuminate that very path Joel Westheimer University Research Chair Professor Faculty of

Education University of Ottawa *Library Journal* ,2006 *Talking about Leaving Revisited* Elaine Seymour,Anne-Barrie Hunter,2019-12-10 Talking about Leaving Revisited discusses findings from a five year study that explores the extent nature and contributory causes of field switching both from and among STEM majors and what enables persistence to graduation The book reflects on what has and has not changed since publication of Talking about Leaving Why Undergraduates Leave the Sciences Elaine Seymour Nancy M Hewitt Westview Press 1997 With the editors guidance the authors of each chapter collaborate to address key questions drawing on findings from each related study source national and institutional data interviews with faculty and students structured observations and student assessments of teaching methods in STEM gateway courses Pitched to a wide audience engaging in style and richly illustrated in the interviewees own words this book affords the most comprehensive explanatory account to date of persistence relocation and loss in undergraduate sciences Comprehensively addresses the causes of loss from undergraduate STEM majors an issue of ongoing national concern Presents critical research relevant for nationwide STEM education reform efforts Explores the reasons why talented undergraduates abandon STEM majors Dispels popular causal myths about why students choose to leave STEM majors This volume is based upon work supported by the Alfred P Sloan Foundation Award No 2012 6 05 and the National Science Foundation Award No DUE 1224637 **Development Studies Revisited** Charles Cooper,E. V. K. FitzGerald,2016-04-15 First published in 1989 The Journal of Development Studies was founded 25 years ago as a professional journal for what had by then become an established sub discipline within British social science The Journal has consistently published a broad spectrum of British research on development studies a catholicity that has been reflected in the composition of the Editorial Board over the years and has always welcomed authors from the USA the European Continent and above all from the Third World Collated form the last twenty five years of the journal presented here are a collection of 20 odd papers that represent less than three per cent of articles published since 1964 **New Books on Women and Feminism** ,1997 **The Class of 86 Revisited** Lynn Barr-Telford,Geoff Bowlby,W. Clark,Statistics Canada,Canada. Human Resources Development Canada,1996 This report also funded by Human Resources Development Canada contains results of the Follow up of 1986 Graduates Survey FOG The FOG survey took place in March 1991 and was the second time that 1986 graduates were interviewed These graduates were first contacted in May 1988 for the National Graduates Survey NGS Over 35 000 respondents to the NGS who were still living in Canada were re interviewed by telephone for the FOG The results presented in this report represent the experiences of 1986 graduates of trade vocational career technical and university programs living in Canada in both May 1988 and March 1991 The report looks at 1986 graduates labour market activities their earnings the relationship between their education and labour market activities and their further educational qualifications five years after graduation The results of the FOG survey are also compared to those obtained in the NGS which was conducted two years after graduation Revisiting Moral Panics Vivienne E. Cree,Gary Clapton,Mark Smith,2016-06-15 We live in a world that is

increasingly characterised as full of risk danger and threat Every day a new social issue emerges to assail our sensibilities and consciences Drawing on the popular Economic Social and Research Council ESRC seminar series this book examines these social issues and anxieties and the solutions to them through the concept of moral panic With a commentary by Charles Critcher and contributions from both well known and up and coming researchers and practitioners this is a stimulating and innovative overview of moral panic ideas which will be an essential resource

Gender, Genre, and the Romantic Poets Philip Cox,1996 This book offers new insights into the ambiguous masculinity within male romantic poetry discussing the work of Byron Wordsworth Shelley Keats and Coleridge among others

Army at Home Judith Giesberg,2009-09-01 Introducing readers to women whose Civil War experiences have long been ignored Judith Giesberg examines the lives of working class women in the North for whom the home front was a battlefield of its own Black and white working class women managed farms that had been left without a male head of household worked in munitions factories made uniforms and located and cared for injured or dead soldiers As they became more active in their new roles they became visible as political actors writing letters signing petitions moving or refusing to move from their homes and confronting civilian and military officials At the heart of the book are stories of women who fought the draft in New York and Pennsylvania protested segregated streetcars in San Francisco and Philadelphia and demanded a living wage in the needle trades and safer conditions at the Federal arsenals where they labored Giesberg challenges readers to think about women and children who were caught up in the military conflict but nonetheless refused to become its collateral damage She offers a dramatic reinterpretation of how America s Civil War reshaped the lived experience of race and gender and brought swift and lasting changes to working class family life

Love Canal Revisited Elizabeth D. Blum,2008-03-19 Thirty years after the headlines Love Canal remains synonymous with toxic waste When this neighborhood of Niagara Falls New York burst upon the nation s consciousness the media focused on a working class white woman named Lois Gibbs who gained prominence as an activist fighting to save families from the poison buried beneath their homes Her organization the Love Canal Homeowners Association challenged big government and big business and ultimately won relocation But as Elizabeth Blum now shows the activists at Love Canal

were a very diverse lot Blum reveals that more lurks beneath the surface of this story than most people realize and more than mere toxins She takes readers behind the headlines to show that others besides Gibbs played important roles and to examine how race class and gender influenced the way people from African American women to middle class white Christian groups experienced the crisis and became active at Love Canal Blum explores the often rocky interracial relationships of the community revealing how marginalized black women fought to be heard as they defined their environmental activism as an ongoing part of the civil rights struggle And she examines how the middle class Ecumenical Task Force consisting of progressive educated whites helped to negotiate legal obstacles and to secure the means to relocate and compensate black residents Blum also demonstrates how the crisis challenged gender lines far beyond casting mothers in activist roles Women of the LCHA may have rejected feminism because of its anti family stance but they staunchly believed in their rights And the incident changed the lives of working class men who found their wives in the front lines rather than in the kitchen In addition male bureaucrats and politicians ran into significant opposition from groups of both men and women who pressed for greater emphasis on health rather than economics for solutions to the crisis No previous account of Love Canal has considered the plight of these other segments of the population By doing so Blum shows that environmental activism opens a window on broader social movements and ideas such as civil rights and feminism Her book moves the story of Love Canal well beyond its iconic legacy the Superfund Act that makes polluters accountable to highlight another vital legacy one firmly rooted in race class and gender

Baltimore Women War Workers in the Post-war Period United States. Women's Bureau, 1948 With the return to peacetime production after the end of the war an immediately important question facing the Women's Bureau was What has happened to women war workers The Women's Bureau explored this question by a resurvey during the fall of 1946 of a group of former women war workers in Baltimore who had been interviewed in the fall of 1944 Leaf 1
