

THE **MYTH** OF THE **LOST CAUSE**

**WHY THE SOUTH FOUGHT THE CIVIL WAR
AND WHY THE NORTH WON**

EDWARD H. BONEKEMPER III

Lost Cause

**Mark E. Neely, Jr., Harold Holzer, Gabor
S. Boritt**

Lost Cause:

The Myth of the Lost Cause and Civil War History Gary W. Gallagher, Alan T. Nolan, 2000 The myth of the Lost Cause of the Confederate States in the Civil War was and is an elaborate and intentional effort on the part of southerners to rationalise the secession and the war itself Unfortunately for historical truth and the national memory these skilful propagandists beginning with Jubal Early have been so successful that the Lost Cause has assumed a life of its own and continues to misrepresent what really happened distorting the national memory in the process In this book nine historians analyse the Lost Cause describing its content and identifying its falsity The work is thus a major contribution to Civil War historiography

The Myth of the Lost Cause, 1865-1900 Rollin Gustav Osterweis, 1973 **The Myth of the Lost Cause** Edward H. Bonekemper, 2015-10-05 History isn't always written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans **Ghosts of the Confederacy** Gaines M. Foster, 1987-04-23 After Lee and Grant met at Appomattox Court House in 1865 to sign the document ending the long and bloody Civil War the South at last had to face defeat as the dream of a Confederate nation melted into the Lost Cause Through an examination of memoirs personal papers and postwar Confederate rituals such as memorial day observances monument unveilings and veterans reunions *Ghosts of the Confederacy* probes into how white southerners adjusted to and interpreted their defeat and explores the cultural implications of a central event in American history Foster argues that contrary to southern folklore southerners actually accepted their loss rapidly embraced both reunion and a New South and helped to foster sectional reconciliation and an emerging social order He traces southerners fascination with the Lost Cause showing that it was rooted as much in social tensions resulting from rapid change as it was in the legacy of defeat and demonstrates that the public celebration of the war helped to make the South a deferential and conservative society Although the ghosts of the Confederacy still haunted the New South Foster concludes that they did little to shape behavior in it white southerners in celebrating the war ultimately trivialized its memory reduced its cultural power and failed to derive any special wisdom from defeat **Monuments to the Lost Cause** Cynthia Mills, Cynthia J. Mills, Pamela Hemenway Simpson, 2003 This richly illustrated collection of fourteen essays examines the ways in which Confederate memorials from Monument Avenue to Stone Mountain and the public rituals

surrounding them testify to the tenets of the Lost Cause a romanticized narrative of the war Several essays highlight the creative leading role played by women s groups in memorialization while others explore the alternative ways in which people outside white southern culture wrote their very different histories on the southern landscape The authors who include Richard Guy Wilson Catherine W Bishir W Fitzhugh Brundage and William M S Ramussen trace the origins objectives and changing consequences of Confederate monuments over time and the dynamics of individuals and organizations that sponsored them Thus these essays extend the growing literature on the rhetoric of the Lost Cause by shifting the focus to the realm of the visual They are especially relevant in the present day when Confederate symbols and monuments continue to play a central role in a public and often emotionally charged debate about how the South s past should be remembered The editors Art Historian Cynthia Mills a specialist in nineteenth century public sculpture is executive editor of *American Art* the scholarly journal of the Smithsonian American Art Museum Pamela H Simpson is the Ernest Williams II Professor of Art History at Washington and Lee University She is the coauthor of *The Architecture of Historic Lexington* [The American South](#) William J. Cooper Jr., Thomas E. Terrill, Christopher Childers, 2016-11-17 In *The American South A History* Fifth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South This volume contains updated chapters and tables [Reading Confederate Monuments](#) Maria Seger, 2022-08-24 Winner of a 2023 Edited Collection Award from the South Atlantic Modern Language Association Contributions by Danielle Christmas Joanna Davis McElligatt Garrett Bridger Gilmore Spencer R Herrera Cassandra Jackson Stacie McCormick Maria Seger Randi Lynn Tanglen Brook Thomas Michael C Weisenburg and Lisa Woolfork *Reading Confederate Monuments* addresses the urgent and vital need for scholars educators and the general public to be able to read and interpret the literal and cultural Confederate monuments pervading life in the contemporary United States The literary and cultural studies scholars featured in this collection engage many different archives and methods demonstrating how to read literal Confederate monuments as texts and in the context of the assortment of literatures that produced and celebrated them They further explore how to read the literary texts advancing and contesting Confederate ideology in the US cultural imaginary then and now as monuments in and of themselves On top of that the essays published here lay bare the cultural and pedagogical work of Confederate monuments and counter monuments divulging how and what they teach their readers as communal and yet contested narratives thereby showing why the persistence of Confederate monuments matters greatly to local and national notions of racial justice and belonging In

doing so this collection illustrates what critics of US literature and culture can offer to ongoing scholarly and public discussions about Confederate monuments and memory Even as we remove relocate and recontextualize the physical symbols of the Confederacy dotting the US landscape the complicated histories cultural products and pedagogies of Confederate ideology remain embedded in the national consciousness To disrupt and potentially dismantle these enduring narratives alongside the statues themselves we must be able to recognize analyze and resist them in US life The pieces in this collection position us to think deeply about how and why we should continue that work

The Won Cause Barbara A. Gannon, 2011-05-30 In the years after the Civil War black and white Union soldiers who survived the horrific struggle joined the Grand Army of the Republic GAR the Union army's largest veterans organization In this thoroughly researched and groundbreaking study Barbara Gannon chronicles black and white veterans efforts to create and sustain the nation's first interracial organization According to the conventional view the freedoms and interests of African American veterans were not defended by white Union veterans after the war despite the shared tradition of sacrifice among both black and white soldiers In *The Won Cause* however Gannon challenges this scholarship arguing that although black veterans still suffered under the contemporary racial mores the GAR honored its black members in many instances and ascribed them a greater equality than previous studies have shown Using evidence of integrated posts and veterans thoughts on their comradeship and the cause Gannon reveals that white veterans embraced black veterans because their membership in the GAR demonstrated that their wartime suffering created a transcendent bond comradeship that overcame even the most pernicious social barrier race based separation By upholding a more inclusive memory of a war fought for liberty as well as union the GAR's *Won Cause* challenged the *Lost Cause* version of Civil War memory

The Limits of the Lost Cause Gaines M. Foster, 2024-04-03 *The Limits of the Lost Cause* challenges prevailing ways of thinking about the impact of the Civil War on the American South Above all Gaines Foster's work encourages Americans to confront the new divisions within their society even as they wrestle with old national not just southern failings

Never Surrender W. Scott Poole, 2004-01-01 Near Appomattox during a cease fire in the final hours of the Civil War Confederate general Martin R. Gary harangued his troops to stand fast and not lay down their arms Stinging the soldiers home state pride Gary reminded them that South Carolinians never surrender By focusing on a reactionary hotbed within a notably conservative state South Carolina's hilly western upcountry W. Scott Poole chronicles the rise of a post Civil War southern culture of defiance whose vestiges are still among us The society of the rustic antebellum upcountry Poole writes clung to a set of values that emphasized white supremacy economic independence masculine honor evangelical religion and a rejection of modernity In response to the Civil War and its aftermath this amorphous tradition cohered into the *Lost Cause* myth by which southerners claimed moral victory despite military defeat It was a force that would undermine Reconstruction and as Poole shows in chapters on religion gender and politics weave its way into nearly every dimension of white southern life The *Lost Cause*'s shadow still looms over the South

Poole argues in contemporary controversies such as those over the display of the Confederate flag Never Surrender brings new clarity to the intellectual history of southern conservatism and the South's collective memory of the Civil War God and General Longstreet Thomas Lawrence Connelly, Barbara L. Bellows, 1995-03 More than a century after Appomattox the Civil War and the idea of the Lost Cause remain at the center of the southern mind God and General Longstreet traces the persistence and the transformation of the Lost Cause from the first generation of former Confederates to more recent times when the Lost Cause has continued to endure in the commitment of southerners to their regional culture Southern writers from the Confederate period through the southern renaissance and into the 1970s fostered the Lost Cause creating an image of the South that was at once romantic and tragic By examining the work of these writers Thomas Connelly and Barbara Bellows explain why the nation embraced this image and outline the evolution of the Lost Cause mentality from its origins in the South's surrender to its role in a century-long national expression of defeat that extended from 1865 through the Vietnam War As Connelly and Bellows demonstrate the Lost Cause was a realization of mortality in an American world striving for perfection an admission of failure juxtaposed against a national faith in success After the War David B. Sachsman, 2017-07-28 After the War presents a panoramic view of social political and economic change in post Civil War America by examining its journalism from coverage of politics and Reconstruction to sensational reporting and images of the American people The changes in America during this time were so dramatic that they transformed the social structure of the country and the nature of journalism By the 1870s and 1880s new kinds of daily newspapers had developed New Journalism eventually gave rise to Yellow Journalism resulting in big city newspapers that were increasingly sensationalistic entertaining and designed to attract everyone The images of the nation's people as seen through journalistic eyes from coverage of immigrants to stories about African American Black fiends and Native American savages tell a vibrant story that will engage scholars and students of history journalism and media studies **Black Women in America** Kim Marie Vaz, 1994-11-02 This stimulating volume challenges the tendency to represent African American women's experiences as a monolithic whole The interdisciplinary approach organized around the theme of activism enables an unusual and inventive selection of topics to be presented The history culture sociology and psychology of black women are richly represented The Confederate Image Mark E. Neely, Jr., Harold Holzer, Gabor S. Boritt, 2000-09-30 First published in 1987 The Confederate Image examines the popular lithographs and engravings cherished by Southerners during and after the Civil War These images helped sustain and revive Southern identity following the collapse of the Confederacy **American Civil War** James R. Hedtke, 2018-08-17 This book debunks popular myths and misconceptions about the American Civil War through primary source documents and shows how misinformation can become so widespread The American Civil War deeply divided the nation and was a pivotal point in American history The acrimony and bitterness of this four year struggle coupled with its importance to the fabric of American life has resulted in the development and perpetuation of many myths about the conflict This work separates myth

from reality The author examines 10 popular myths about the war each of which is examined in terms of its origins and how it became ensconced in the American memory It uses primary sources to explain the evolution of the myths and to inform the reader about what really happened providing a unique quality to this work Moreover the book not only explains the flaws in the myth but encourages the reader to further investigate each of the topics

Sustaining Southern Identity Keith D. Dickson, 2011-11-21 Pulitzer Prize winning historian Douglas Southall Freeman perhaps more than any other writer in the first half of the twentieth century helped shape and sustain a collective identity for white southerners A journalist lecturer radio broadcaster and teacher of renown Freeman wrote and spoke on themes related to southern memory throughout his life Keith D Dickson s *Sustaining Southern Identity* offers a masterful intellectual biography of Freeman as well as a comprehensive analysis of how twentieth century southerners came to remember the Civil War fashion their values and ideals and identify themselves as citizens of the South Dickson s work underscores Freeman s contributions to the enduring memory of Confederate courage and sacrifice in southern culture The longtime editor of the *Richmond News Leader* Freeman wrote several authoritative and extraordinarily influential multivolume historical narratives about both Confederate general Robert E Lee and the high command of the Army of Northern Virginia His contributions to the enduring southern memory framework with its grand narrative of Confederate courage and sacrifice and its attachment to symbols and rituals still serve as a touchstone for the memory truths that define a distinct identity in the South

The Sublime Tragedy of the Lost Cause A. St. J. Pickett, 1884 *The Sublime Tragedy of the Lost Cause* by A St J Pickett first published in 1884 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

The Lost Cause Regained Edward Alfred Pollard, 1868

Race and Reunion David W. Blight, 2002-03-01 No historical event has left as deep an imprint on America s collective memory as the Civil War In the war s aftermath Americans had to embrace and cast off a traumatic past David Blight explores the perilous path of remembering and forgetting and reveals its tragic costs to race relations and America s national reunion

From Havana to Hollywood Philip Kaisary, 2024-07-01 *From Havana to Hollywood* examines the presence or absence of Black resistance to slavery in feature films produced in either Havana or Hollywood including Gillo Pontecorvo s *Burn* neglected masterpieces by Cuban auteurs Tom s Guti rrez Alea and Sergio Giral and Steve McQueen s Oscar winning *12 Years a Slave* Philip Kaisary argues that with rare exceptions the representation of Black agency in Hollywood has always been and remains taboo Contrastingly Cuban cinema foregrounds Black agency challenging the ways in which slavery has been misremembered and misunderstood in North America and Europe With powerful richly theorized readings the book

shows how Cuban cinema especially recreates the past to fuel visions of liberation and asks how the medium of film might contribute to a renewal of emancipatory politics today

Thank you completely much for downloading **Lost Cause**. Maybe you have knowledge that, people have look numerous time for their favorite books gone this Lost Cause, but stop stirring in harmful downloads.

Rather than enjoying a fine book in imitation of a cup of coffee in the afternoon, then again they juggled when some harmful virus inside their computer. **Lost Cause** is user-friendly in our digital library an online right of entry to it is set as public for that reason you can download it instantly. Our digital library saves in fused countries, allowing you to get the most less latency era to download any of our books behind this one. Merely said, the Lost Cause is universally compatible next any devices to read.
