Lost Daughters:

The Lost Daughters of China Karin Evans, 2008-10-02 In 1997 journalist Karin Evans walked into an orphanage in southern China and met her new daughter a beautiful one year old baby girl In this fateful moment Evans became part of a profound increasingly common human drama that links abandoned Chinese girls with foreigners who have traveled many miles to complete their families At once a compelling personal narrative and an evocative portrait of contemporary China The Lost Daughters of China has also served as an invaluable guide for thousands of readers as they navigated the process of adopting from China However much has changed in terms of the Chinese government's policies on adoption since this book was originally published and in this revised and updated edition Evans addresses these developments Also new to this edition is a riveting chapter in which she describes her return to China in 2000 to adopt her second daughter who was nearly three at the time Many of the first girls to be adopted from China are now in the teens China only opened its doors to adoption in the 1990s and this edition includes accounts of their experiences growing up in the US and in some cases of returning to China in search of their roots Illuminating the real life stories behind the statistics The Lost Daughters of China is an unforgettable account of the red thread that winds from China's orphanages to loving families around the globe

Global Crusoe Ann Marie Fallon,2016-04-22 Global Crusoe travels across the twentieth century globe from a Native American reservation to a Botswanan village to explore the huge variety of contemporary incarnations of Daniel Defoe s intrepid character In her study of the novels poems short stories and films that adapt the Crusoe myth Ann Marie Fallon argues that the twentieth century Crusoe is not a lone struggling survivor but a cosmopolitan figure who serves as a warning against the dangers of individual isolation and colonial oppression Fallon uses feminist and postcolonial theory to reexamine Defoe s original novel and several contemporary texts showing how writers take up the traumatic narratives of Crusoe in response to the intensifying transnational and postcolonial experiences of the second half of the twentieth century Reading texts by authors such as Nadine Gordimer Bessie Head Derek Walcott Elizabeth Bishop and J M Coetzee within their social historical and political contexts Fallon shows how contemporary revisions of the novel reveal the tensions inherent in the transnational project as people and ideas move across borders with frequency if not necessarily with ease In the novel Robinson Crusoe Crusoe s discovery of Friday s footprint fills him with such anxiety that he feels the print like an animal and burrows into his shelter Likewise modern readers and writers continue to experience a deep anxiety when confronting the narrative issues at the center of Crusoe s story
