The Lost Honour of Katharina Blum Julian Preece, 2022-03-24 Brisk and forceful Sight Sound Lucidly argued Total Film Margarethe von Trotta and Volker Schlöndorff's *The Lost Honour of Katharina Blum* 1975 was a pivotal film for the New German Cinema movement Julian Preece considers what makes Katharina Blum new and radical in particular in respect of women's cinema and its portrayal of the ordeal of its female lead in a world run by men Drawing on archival material including drafts of the screenplay brochures and props reviews and interviews Preece traces the conception of the film and its development from Heinrich Böll's original novel Preece analyses how the film continues to resonate with our contemporary moment and has influenced film makers from the German Turkish director Fatih Akin to the British screenwriter Peter Morgan

Leak Max Holland, 2017-02-10 Through the shadowy persona of Deep Throat FBI official Mark Felt became as famous as the Watergate scandal his leaks helped uncover Best known through Hal Holbrook's portrayal in the film version of Bob Woodward and Carl Bernstein's *All the President's Men* Felt was regarded for decades as a conscientious but highly secretive whistleblower who shunned the limelight Yet even after he finally revealed his identity in 2005 questions about his true motivations persisted Max Holland has found the missing piece of that Deep Throat puzzle one that's been hidden in plain sight all along He reveals for the first time in detail what truly motivated the FBI's number two executive to become the most fabled secret source in American history In the process he directly challenges Felt's own explanations while also demolishing the legend fostered by Woodward and Bernstein's bestselling account Holland critiques all the theories of Felt's motivation that have circulated over the years including notions that Felt had been genuinely upset by White House law breaking or had tried to defend and insulate the FBI from the machinations of President Nixon and his Watergate henchmen And while acknowledging that Woodward finally disowned the principled whistleblower image of Felt in *The Secret Man* Holland shows why that famed journalist's latest explanation still falls short of the truth Holland showcases the many twists and turns to Felt's story that are not widely known revealing not a selfless official acting out of altruistic patriotism but rather a career bureaucrat with his own very private agenda Drawing on new interviews and oral histories old and just released FBI Watergate files papers of the Watergate Special Prosecution Force presidential tape recordings and Woodward and Bernstein's Watergate related papers he sheds important new light on both Felt's motivations and the complex and often problematic relationship between the press and government officials Fast paced and scrupulously fact checked Leak resolves the mystery residing at the heart of Mark Felt's actions By doing so it radically revises our understanding of America's most famous presidential scandal

sexology and criminology to twentieth century psychoanalysis H cker demonstrates how modern authors consciously engaged casuistic forms of writing to arrive at new understandings of literary discourse that correspond to major historical transformations in the function of fiction He argues for the centrality of literature to changes in the conceptions of psychological knowledge production around 1800 legal responsibility and institutionalized forms of decision making throughout the nineteenth century and literature s own realist demands in the early twentieth century *TLA Film, Video, and DVD Guide 2002-2003* David Bleiler,2001-11-03 A film video and DVD guide for the true lover of the cinema this volume focuses on independent and international films as well as the best of the mainstream 450 photos throughout **The Michigan Alumnus** ,1997 In v 1 8 the final number consists of the Commencement annual **Twentieth-century Literature** Alfred Charles Ward,1928 **The Worst-Kept Secret** Avner Cohen,2010-10-26 Israel has made a unique contribution to the nuclear ageit has created with the tacit support of the United States a special bargain with its bomb Israel is the only nuclear armed state that keeps its bomb invisible unacknowledged opaque It will only say that it will not be the first to introduce nuclear weapons to the Middle East The bomb is Israel s collective ineffablethe nation s last taboo This bargain has a name in Hebrew it is called amimut or opacity By adhering to the bargain which was born in a secret deal between Richard Nixon and Golda Meir Israel creates a code of nuclear conduct that encompasses both governmental policy and societal behavior The bargain lowers the salience of Israel s nuclear weapons yet it also remains incompatible with the norms and values of liberal democracy It relies on secrecy and opacity It infringes on the public right to know and negates the notion of public accountability and oversight among other offenses Author of the critically acclaimed *Israel and the Bomb* Avner Cohen offers a bold and original study of this politically explosive subject Along with a fair appraisal of the bargain s strategic merits Cohen provides a critique of its antidemocratic faults Arguing that the bargain has become increasingly anachronistic he calls for a reform in line with domestic democratic values as well as current international nuclear norms Most important he believes the old methods will prove inadequate in dealing with a nuclear Iran Cohen concludes with fresh perspectives on Iran Israel and the effort toward global disarmament **Lost Man's River** Peter Matthiessen,1998-09-29 One of the few American writers ever nominated for the National Book Award for both fiction and nonfiction presents the second novel in his Watson trilogy Lucius Watson is obsessed with learning the truth about his father Who was E J Watson Was he a devoted family man an inspired farmer a man of progress and vision Or was he a cold blooded murderer and amoral opportunist Were his neighbors driven to kill him out of fear Or was it envy And if Watson was a killer should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions The characters in this tale are men and women molded by the harsh elements of the Florida Everglades an isolated breed descendants of renegades and pioneers who have only their grit instinct and tradition to wield against the obliterating forces of twentieth century progress Speck Daniels moonshiner and alligator poacher turned gunrunner Sally Brown who struggles to escape the racism and shame of
