Lost Years Of Jesus:

The Lost Years of Jesus Elizabeth Clare Prophet, 2020-12-22 Reads like a detective thriller It picks you up and never lets go of you Jess Stearn bestselling author of *Edgar Cayce The Sleeping Prophet* Ancient texts reveal that Jesus spent 17 years in the Orient They say that from age 13 to age 29 Jesus traveled to India Nepal Ladakh and Tibet as both student and teacher For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the twentieth century Now you can read for yourself what Jesus said and did prior to his Palestinian mission It s one of the most revolutionary messages of our time *The Unknown Life of Jesus Christ* Nicolas Notovitch, 2023-12-23 In *The Unknown Life of Jesus Christ* Nicolas Notovitch presents a controversial and thought provoking exploration of the life of Jesus claiming to uncover aspects of his early years that have largely been overlooked by mainstream Christianity Written in a narrative style that blends scholarly analysis with personal testimony Notovitch s book posits that during his supposed lost years Jesus traveled to India and Tibet immersing himself in Eastern spiritual traditions This text challenges conventional biblical narratives by incorporating anecdotal evidence purported translations of ancient texts and Notovitch s own experiences making it a unique contribution to both religious studies and historical inquiry Nicolas Notovitch was a Russian traveler and writer whose wanderlust and deep philosophical questioning likely fueled his pursuit of understanding the historical Jesus His travels in the late 19th century particularly in the regions of India and Tibet exposed him to a myriad of spiritual beliefs and practices which ultimately influenced his assertions about Jesus formative years Notovitch s own background as a seeker of truth and his encounters with local sages and monks lend an intriguing albeit controversial dimension to his claims This book invites readers to reconsider traditional narratives regarding Jesus Christ and the broader implications of his potential teachings in diverse cultural contexts Ideal for scholars of religious studies history enthusiasts or anyone curious about the intersections of Eastern and Western spirituality *The Unknown Life of Jesus Christ* offers a compelling lens through which to re examine one of history s most pivotal figures *Prisoners of Shangri-La* Donald S. Lopez, 1999-05 Lopez finds that even as Tibet s romance is invoked by exiled lamas it ultimately imprisons those who seek the goal of Tibetan independence from Chinese occupation **King of Travelers** Edward T. Martin, 2008-09 What really happened to Jesus Christ during the mysterious missing 18 years of his life from the age of 12 to 30 that are not accounted for in the New Testament Join maverick researcher and explorer Edward T Martin as he journeys to remote exotic locations in India Nepal Afghanistan and elsewhere unraveling the mysteries of Jesus Lost Years attempting to separate myth and legend from fact and evidence This is the book that inspired the 2008 Paul Davids film distributed by NBC Universal International Television *JESUS IN INDIA* as seen on the SUNDANCE Channel *Magdalene's Ascension* Annine van der

Christianity John Dominic Crossan,1999-04-01 John Dominic Crossan explores the lost years of earliest Christianity the years immediately following Jesus execution He establishes the contextual setting through a combination of literary anthropological historical and archaeological approaches He challenges the assumptions about the role of Paul and the meaning of resurrection and forges a new understanding of the birth of the Christian church Here is a vivid account of early Christianity s interaction with the world around it and of the new traditions and communities established as Jesus companions continued their movement after his death **The Life of Saint Issa** Nicholas Notovitch,Virchand R.

Gandhi,2018-07-25 Notovitch s biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here A Crimean Jewish adventurer and explorer of India Notovitch traveled widely across the East in the late nineteenth century He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time Spotting inconsistencies in Notovitch s account it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the

disputed documents concerning Christ *Unknown Years Of Jesus' Humanity* Audrey Nitsche, 2021-06-30 So many times I wonder what Jesus life was really like outside of what s written in the Bible While the gospels talk about his wisdom and teachings they don t really reveal the true man he was and how he handled the delicacies of humanity s primal nature The book ponders the possible lost years of Jesus Christ which enabled him to proclaim his gospel parables of faith hope and love It hypothesizes the humble humanity of Jesus existence on Earth and the life he may have lived to go from being a naive boy to turning into the wise man who would become a Messiah It also describes the author s own faith journey in God Just ask yourself what must Jesus have been like during all those years we know nothing about him How did God persuade him to elegantly heal and do miracles Was he ever reluctant to take on his destined role Did he always have long hair Did he have a pet while a young man Did he ever make mistakes while learning the true ways and nuances of living life This book asks those questions and many more in hopes we begin to believe we can become more like his humble integrity and loving intelligence showed us **The New Conspiracy Reader** Al Hidell, Joan D'Arc, 2004 Ever wondered if you re being told the whole truth about supernatural phenomena new developments in biological and chemical warfare and atrocities like Heaven s Gate This all new anthology features thirty one provocative and engrossing articles from the pages of Paranoia the world s most popular and respected conspiracy journal For the first time you ll get the real story behind the important cultural and political events that shape our world Compelling controversial and featuring a wealth of documentation and sources The New Conspiracy Reader will convince you that the truth is indeed out there and may be stranger than you ever imagined Book jacket **The Great White Brotherhood in the Culture History and Religion of America** Elizabeth Clare Prophet, 1976 This insightful book reveals the little known role of the masters of wisdom who work together with their students to fulfill the cosmic destiny of the millions of souls evolving on the planet earth *Incredible Shrinking Son of Man* Robert M. Price, 2009-09-25 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and

teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus life He also examines the parables for authenticity as well as Jesus teachings about the Kingdom of God repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price s highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity Lost Teachings on Keys to Spiritual Progress Mark Prophet, Elizabeth Clare Prophet, 1988 Gives you the tools to transcend life s circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery Mary Magdalene and the Divine Feminine Elizabeth Clare Prophet, Annice Booth, 2020-08-17 What was Jesus relationship with Mary Magdalene What did he teach about the role of women Is God only male Mary Magdalene and the Divine Feminine explores these questions and much more as it unfolds Jesus liberating teaching on Woman and on the true nature and destiny of the soul teaching that has been lost for thousands of years With detailed research and penetrating insight Elizabeth Clare Prophet shows that Jesus actually broke with the tradition of his time and brought a revolutionary and freeing message for women that was later suppressed She talks about why early Christian leaders denied Jesus message on reverence for Woman and on the inner feminine potential of both man and woman She also reveals the true relationship of Jesus and Mary Magdalene and why the concept of original sin which was not part of Jesus original teachings was invented In these pages you will also explore the principle and role of the Mother and the Divine Feminine in East and West from ancient times through the teachings of the Hindus Hebrews Christians Gnostics and others And you will come to see how the story of Mary Magdalene is representative of our own soul s journey and holds valuable keys for your personal spiritual growth and awakening **The Bringer of Life** Hayley A. Ramsey, 2023-02-15 Who and what is the divine feminine What does She represent and where can She be found Hayley Ramsey starts at the beginning of time itself and explains the origins of goddess veneration and follows Her history chronologically through the rise and fall of civilizations around the world How did the worship of the goddess affect society What caused the shift from matriarchal society to a patriarchal society What was the relationship between religions such as Christianity and the suppression of the goddess Ramsey will examine the connections between Mary Magdalene Jesus and the Holy Grail while considering the importance of astrological precession Many believe that She disappeared but perhaps Her veneration went underground Ramsey proposes the goddess and Her followers never disappeared but instead She became shrouded in allegory and symbolism by different secret societies that still exist today Is there a connection between the medieval Knights Templar the divine feminine and modern Freemasonry Her secrets and symbols have been used to reveal Her presence to those who know where to look for many millennia but just what exactly are these symbols and where does one find Her today *New Age Movement* Ron Rhodes, 2016-09-06 Reincarnation auras and energizing crystals surely these are the stuff of fairy tales nothing more People don t really speak to ancient Egyptian holy men or listen seriously to

Shirley MacLaine for that matter do they Drawing from a range of occult pagan and pseudo scientific traditions the New Age Movement is broad diffuse hard to nail down and insidiously dangerous Its belief in the divinity of humanity its emphasis on self actualization and its looking forward to a coming utopian new world have tremendous appeal But does it have the truth

Messages from Heaven Patricia Kirmond,2020-02-10 What is heaven really like A recently departed soul speaks from heaven about his experiences on the other side The unseen author of this book tells us of life s true purpose and urges us to make the most of our sojourn on earth He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see If we act now we can still turn things around but we need help from heaven I have witnessed so many beautiful and amazing events on this side However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference I feel an urgency to help people recognize the signs of the times This story of a soul s life after death will change the way you look at life and death
