Pokemon in a transnational and multidisciplinary perspective The 25 Sitcoms That Changed Television Aaron Barlow, Laura Westengard, 2017-12-01 This book spotlights the 25 most important sitcoms to ever air on American television shows that made generations laugh challenged our ideas regarding gender family race marital roles and sexual identity and now serve as time capsules of U S history What was the role of The Jeffersons in changing views regarding race and equality in America in the 1970s How did The Golden Girls affect how society views older people Was The Office an accurate if exaggerated depiction of the idiosyncrasies of being employees in a modern workplace How did the writers of The Simpsons make it acceptable to air political satire through the vehicle of an animated cartoon ostensibly for kids Readers of this book will see how television situation comedies have consistently held up a mirror for American audiences to see themselves and the reflections have not always been positive or purely comedic The introduction discusses the history of sitcoms in America identifying their origins in radio shows and explaining how sitcom programming evolved to influence the social and cultural norms of our society The shows are addressed chronologically in sections delineated by decade Each entry presents background information on the show including the dates it aired key cast members and the network explains why the show represents a notable turning point in American television and provides an analysis of each sitcom that considers how the content was received by the American public and the lasting effects on the family unit gender roles culture for young adults and minority and LGBT rights The book also draws connections between important sitcoms and other shows that were influenced by or strikingly similar to these trendsetting programs Lastly a section of selections for further reading points readers to additional resources

Production Studies Vicki Mayer, Miranda J. Banks, John T Caldwell, 2009-09-10 Behind the scenes stories of ranting directors stingy producers temperamental actors and the like have fascinated us since the beginnings of film and television Today magazines websites television programs and DVDs are devoted to telling tales of

trade lore from on set antics to labor disputes The production of media has become as storied and mythologized as the content of the films and TV shows themselves Production Studies is the first volume to bring together a star studded cast of interdisciplinary media scholars to examine the unique cultural practices of media production The all new essays collected here combine ethnographic sociological critical material and political economic methods to explore a wide range of topics from contemporary industrial trends such as new media and niche markets to gender and workplace hierarchies Together the contributors seek to understand how the entire span of media producers ranging from high profile producers and directors to anonymous stagehands and costume designers work through professional organizations and informal networks to form communities of shared practices languages and cultural understandings of the world This landmark collection connects the cultural activities of media producers to our broader understanding of media practices and texts establishing an innovative and agenda setting approach to media industry scholarship for the twenty first century Contributors Miranda J Banks John T Caldwell Christine Cornea Laura Grindstaff Felicia D Henderson Erin Hill Jane Landman Elana Levine Amanda D Lotz Paul Malcolm Denise Mann Vicki Mayer Candace Moore Oli Mould Sherry B Ortner Matt Stahl John L Sullivan Serra Tinic Stephen Zafirau
