earns his respect by refusing to press charges with a policeman who saw his violent ejection into the street Challenger ushers him back inside and extracting promises of confidentiality eventually reveals he has discovered living dinosaurs in South America At a tumultuous public meeting in which Challenger experiences further ridicule Malone volunteers for an expedition to verify the discoveries His companions are to be Professor Summerlee and Lord John Roxton an adventurer who helped end slavery on the Amazon the notches on his rifle showing how many slavers he killed doing so Running the gauntlet of hostile tribes the expedition finally reaches the lost world with the aid of Indian guides who are superstitiously scared of the area When they finally succeed in scaling the cliffs and entering the lost world another helper Gomez whose brother was killed by Roxton in his fight against slavery destroys their makeshift bridge The four explorers are now trapped on the plateau Whilst investigating the wonders of the lost world discovering many plants and creatures thought to be extinct they narrowly escape an attack from pterodactyls Although barely escaping with their lives Roxton takes great interest in nearby blue clay deposits At night a ferocious dinosaur is about to break through the thorn bushes surrounding their camp Roxton averts disaster by bravely dashing at it thrusting a blazing torch at its face to scare it away Later all except Malone are captured by a race of ape men Whilst in captivity they discover that a tribe of natives with whom the ape men are at war inhabit the other side of the plateau Roxton escapes and together with Malone mounts a rescue preventing many unpleasant deaths including a young native who is a prince of his tribe The rescued natives take the party to their village then with the help of their firepower return to defeat the ape men After witnessing the power of their guns the tribe wish to keep them on the plateau but helped by the young prince they saved they eventually discover a tunnel leading back to the outside world Sir Arthur Ignatius Conan Doyle KStJ DL 22 May 1859 7 July 1930 was a British writer best known for his detective fiction featuring the character Sherlock Holmes
