H. BULLEN,2018-03-23 Excerpt from Lyrics From the Song Books of the Elizabethan Age In Elizabeth s days composers were not con tent to regard the words of a song as a mere peg on which to hang the music but sought the ser vices of true born lyrists It 15 not too much to say that for fielicate perfection of form some of the Elizabethan songs can compare with the choicest epigrams in the Greek Anthology At least one composer Thomas Campion wrote both the words and the music of his songs and there are no sweeter lyrics in English poetry than are to be found in Campion s song books But it may be assumed that as a rule the composers are responsibie only for the music About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
