Major A Biography Of Dick Hern:

The Major Michael Tanner, 1991-01-01 **The Demon** Michael Tanner, 2017-05-11 The finest jockey rider on the English turf during the nineteenth century was George Fordham lauded throughout the sport as the Demon. Such was the judgment of his contemporaries from jockeys and trainers to owners and chroniclers. Yet history has not been kind to Fordham. Fate saw his career overshadowed by that of bitter rival Fred Archer, a jockey deemed his inferior but whose suicide invoked immortality. The question remains if Archer is fit to be mentioned in the same breath as twentieth century icons Gordon Richards and Lester Piggott. Just how good a jockey does that make the unsung George Fordham. Acclaimed turf historian Michael Tanner shines a light on the life of this remarkable jockey and places him at long last atop the pedestal he deserves.

The Oxford Murder Michael Tanner, 2015-09-19 The Oxford Murder that gripped the country in 1931 would grace any episode of Inspector Morse. Yet it was horrifically real. Annie Kempson was a defenceless widow bludgeoned and stabbed to death in her own home for the sake of a few pounds, a despicable crime for which the killer could expect no mercy. Following a nationwide man hunt, career criminal Henry Seymour was arrested by Scotland Yard's Lucky John Horwell. And thanks to renowned pathologist Sir Bernard Spilsbury, a guilty verdict was returned. This truly was an Oxford murder from beginning to end. The crime was committed in Oxford. The trial was held in Oxford. The execution was carried out in Oxford. But did the Oxford murder result in a miscarriage of justice?

Red Hand Michael Tanner, 2016-05-21 Britons watched the opening months of 1913 unfold with a sense of foreboding. On the continent they saw a brutal conflict in the Balkans increase the prospect of a war engulfing the whole of Europe. On their doorstep they observed the thorny issue of Irish home rule edge the island toward civil war as Ulster's Protestant Loyalists led by Sir Edward Carson vow they will fight to remain part of the United Kingdom rather than be subservient to a Catholic Republic governed from Dublin. And at home they watched militant suffragettes such as Emily Wilding Davison challenge the rule of law in their crusade for the vote. The fiction that follows is set against this turbulent backcloth and constructed around certain historical events and individuals. Yet who is to say the story doesn't chime with a faint ring of truth?

From Pow Camp to Oxford University Michael Tanner, 2018-07-24 This is the story of how a boy from a disadvantaged background on the outskirts of Oxford overcame all obstacles through an alliance of self-belief and inspirational grammar school teachers to fight his way into Oxford University.

Sport as History Tony Collins, 2013-09-13 Published to mark the career of one of sports history's pioneers, this book traces the evolution of sport across three continents. It brings together some of sports history's leading scholars to investigate not only the history of sport but also how that history is written. This Festschrift marks the retirement of Professor Wray Vamplew, an internationally renowned leader in the field of sports history. His 1976 book *The Turf* was one of the very first academic histories of sport and he has been a prolific writer, scholar and teacher for almost forty years. No one has played such an important role in the field of sports history across North America, Europe and Australia. President of the Australian Society of Sports
