Mary Swann:

Mary Swann Carol Shields,1996-11 Mary Swann submitted some poems to a newspaper just hours before her husband hacked her to pieces The poems are works of genius and are extraordinary coming from someone who led such a dull sheltered life In this novel four very different people search for the elusive answer to the riddle *Mary Swann* Carol Shields,2018-07-03 Southside Virginia Families John Bennett Boddie,1966 The second volume of the set see Item 531 covers more families from the early counties of Virginia s Lower Tidewater and Southside regions With an index in excess of 10 000 names Swann Carol Shields,1987 To her neighbors Mary Swann was a simple hardworking farm wife her delicate poems are discovered only after she is brutally murdered The strange evocative verses attract the attention of an earnestly self absorbed feminist scholar a pompous literary biographer a virginal small town librarian and a curmudgeonly retired newspaper editor But as interest increases all traces of Swann s existence her notebook the first draft of her work even her photograph mysteriously vanish In solving the puzzle of Swann s disappearing legacy Carol Shields explores the larger mysteries of the nature of art as well as the powerful forces that motivate us all *Swann* Carol Shields,2011-01-21 Carol Shields s award winning and critically acclaimed literary mystery first published in 1987 Swann is the story of four individuals who become entwined in the life of Mary Swann a rural Canadian poet whose authentic and unique voice is discovered only hours before her husband hacks her to pieces Who is Mary Swann And how could she have produced these works of genius in almost complete isolation Mysteriously all traces of Swann s existence her notebook the first draft of her work even her photograph gradually vanish as the characters in this engrossing novel become caught up in their own concepts of who Mary Swann was **Literary Culture and Female Authorship in Canada 1760-2000** Faye Hammill,2021-10-18 There are two ladies in the province I am told who read writes Frances Brooke s Arabella Fermor but both are above fifty and are regarded as prodigies of erudition Brooke s *The History of Emily Montague* 1769 was the first work of fiction to be set in Canada and also the first book to reflect on the situation of the woman writer there Her analysis of the experience of writing in Canada is continued by the five other writers considered in this study Susanna Moodie Sara Jeannette Duncan L M Montgomery Margaret Atwood and Carol Shields All of these authors examine the social position of the woman of letters in Canada the intellectual stimulation available to her the literary possibilities of Canadian subject matter and the practical aspects of reading writing and publishing in a post colonial country This book turns on the ways in which those aspects of authorship and literary culture in Canada have been inscribed in imaginative autobiographical and critical texts by the six authors It traces the evolving situation of the Canadian woman writer over the course of two centuries and explores the impact of social and cultural change on the experience of writing in Canada *William and Mary College Quarterly Historical Magazine* ,1912 **The Routledge Introduction to Canadian Crime Fiction** Pamela Bedore,2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as

a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre

The Worlds of Carol Shields David Staines, 2014-12-02 The Worlds of Carol Shields is the first book to examine Shields extraordinary career and life through the lens both of close friends and of literary critics

Carol Shields, Narrative Hunger, and the Possibilities of Fiction Ted Farrell, 2003-01-01 Award winning Canadian writer Carol Shields has garnered praise from scholars and an international audience of readers Inspired by the quality and scope of Shields's work Carol Shields Narrative Hunger and the Possibilities of Fiction addresses her creative exploration of postmodernism As the first thorough examination of the Pulitzer Prize winning author this collection of essays establishes the groundwork for future studies of her oeuvre The collection begins with a significant new essay from Shields herself Narrative Hunger and the Overflowing Cupboard perhaps her most substantial commentary upon her own aims as a writer In addition scholars from Canada England the United States and Australia explore the complexity of Shields's work and her contributions to the genre of the novel These lively essays reflect Shields's verve and her playful approach to today's sophisticated critical thinking Among the topics are Shields's use of biography and autobiography metafiction popular romance and symbolism While the essays foreground the unreliability of language and hence our inability to know one another or even ourselves the contributors argue that Shields has taken a step beyond postmodernism by suggesting that we can transcend the limitations of its epistemology Containing several essays on Swann and The Stone Diaries Shields's most popular works and the most extensive annotated bibliography available of works by and about Shields this collection will appeal widely to scholars students and readers of Carol Shields and Canadian fiction

Anxious Power Carol J. Singley, Susan Elizabeth Sweeney, 1993-01-01 This book explains the conflicting feelings of anxiety and empowerment that women historically excluded from masculine discourse feel when they read and write and it analyzes narrative strategies that reveal this ambivalence Anxious Power draws upon feminist literary theory narrative theory and reader response criticism to define women's ambivalence toward language It is the first collection to address issues of ambivalence in narrative by women to trace those issues from the medieval period to the present and to outline a theoretical framework for understanding them The contributors address a broad spectrum of female literary voices ranging from familiar British and American writers Jane Austen Charlotte Bronte and Willa Cather and those less well known Jane Barker Caroline Lee Hens Susan Warner Sarah Grand and Fanny Howe to European Canadian African American South and

Latin American and Asian American writers Christine de Pizan Marie Catherine d'Aulnoy Margaret Atwood Harriet Jacobs Toni Morrison Clarice Lispector Sandra Cisneros and Maxine Hong Kingston Anxious Power considers forms of women's narrative ranging from fairy tales through romances novels and autobiographies to feminist metafiction **Documentary History of Jamestown Island: Biographies of owners and residents** Martha W.
