Bohn, 1991 Completely revised and updated the new edition of this text aims to provide a solid grounding in all areas of mass communication and stimulate students to become critical consumers of today's media output Mass Media, 1982 **Instructor's Manual Mass Media VI** Bob Abelman, Robert Abelman, 1991 *Mass Media* Ray Eldon Hiebert, 1974 **Mass Media II** Ray Eldon Hiebert, 1979 **Mass Media III** Ray Eldon Hiebert, Donald F. Ungurait, Thomas W. Bohn, 1982 Mass Media IV : an Introduction to Modern Communication Ray Eldon Hiebert, 1984

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Mass Media Addison-Wesley Educational Publishers, Incorporated, 1991-01 *Media Studies: Institutions, theories, and issues* Pieter Jacobus Fourie, 2001 This outcomes based textbook provides comprehensive information on the makeup of media institutions theories in media studies and critical issues that face the media today With this guide media students learn the history of the media and learn how to keep up with the latest trends and developments in broadcasting printed press and film Outlined is how to develop an internal media policy with company mission statements news and programming policies The relationship of the media to the economy politics and society and how the media represents race gender violence and terrorism are also discussed Exploring Mass Media for A Changing World Ray A Hiebert, 2017-10-23 Beautifully written and class tested Exploring Mass Media for a Changing World provides a comprehensive but modestly priced text around which instructors can develop a customized teaching package Written for introductory courses it covers essential information students need in order to understand the media the mass communication process and the role of media in society It summarizes basic generally agreed upon principles theories significant historical events and essential facts but does so in a tightly written readable style Taken together this information can be thought of as a minimum repertoire that all citizens of the information age need in order to become literate consumers and users of mass communication Features include Historical Framework For ease of comprehension media processes and individual media are placed in historical context to show their technological evolution and the effects of those changes on society Organization The first seven chapters deal with the evolution of communication theories and processes common to all media The next five deal with specific media in

the chronological order in which they became mass media Chapters 13 and 14 introduce two non media institutions advertising and public relations whose exploration is essential in order to understand how mass media functions in our society Finally chapter 15 returns to the theme of technological evolution and its effects on society with an in depth discussion of the internet Flexibility Because it is concise affordable and comprehensive it can be used either as a stand alone text in mass media courses or as part of an instructional package in courses where mass communication is one of several major units Themes The following themes are introduced early and carried throughout a the evolution of media technology and its effects on society b the global and culture bound characteristics of mass media and c the need for media literacy in the 21st century Supplements An accompanying instructor s manual begins with a chapter length essay on teaching the mass media course then offers the following items for each chapter topical outline and key vocabulary key ideas to be emphasized and pitfalls to be avoided discussion questions objective and essay test items and both print and nonprint resources for further study

An Introduction to the Effects of Mass Media Roger Haney,2024-02-06 This textbook covers the basics of media research through which the reader will learn the advantages of scientific research over other types of knowing and how to conduct experimental and survey research including polling procedures The book also presents the historical development of mass media the nature of the audiences of each medium the basics of various learning theories research on children s learning from Sesame Street and Mr Rogers and discussion of critical thinking techniques Also included is extensive research on how the media socializes us encompassing studies on stereotypes presented by the media and how to offset them eating disorders and the prosocial effects of the media Little Green Men, Meowing Nuns and Head-Hunting Panics Robert E. Bartholomew,2001-06-06 For a two week period in 1956 residents in the vicinity of Taipei Taiwan lived in fear that they would be the next victims of a crazed villain who was prowling the streets and slashing people at random with a razor or similar weapon At least 21 victims were reported during this period mostly women and children of low income and education A thorough investigation revealed however that five slashings were innocent false reports seven were self inflicted cuts eight were due to cuts rather than razors and one was complete fantasy This is one example of many cases of what has traditionally been called mass hysteria that are examined in this comprehensive study of human beings fear of the unknown Beginning with a concise history of mass hysteria and social delusions the author differentiates between the two and investigates mass hysteria in closed settings such as work and school and mass hysteria in communities with incidents such as gassings Pokemon illnesses in Japan and medieval dance crazes Also examined are collective delusions with information on five major types immediate threat symbolic scare mass wish fulfillment urban legends and mass panics The book ends with a discussion of major issues in the area of mass hysteria and a look toward the future of this intriguing subject
