**The Radiant Road to Reality** Bhagat Singh Thind, 2013-10 This is a new release of the original 1947 edition **Sach Khand, 5**, **Radiant Road to Reality** Bhagat Singh Thind, 1947 *The Sach Khand Journal of Radhasoami Studies* David Lane, 2015-12-12 This unique journal covers the history of the Radhasoami movement as founded by Shiv Dayal Singh in the mid 19th century with unique articles on the various offshoots that have branched off from its inception Includes essays on Eckankar MSIA MasterPath and other American based gurus Also includes special issues on the death of Julian P Johnson and Soamiji's forgotten guru *The Guru In America*, *Radhasoami Reality* Mark Juergensmeyer, 1991 Radhasoami Reality explores the emergence of a new religious tradition that is expanding rapidly across North India and throughout the world Mark Juergensmeyer seeks to explain why the religious logic of Radhasoami which is based on the teachings of medieval Hindu saints is so compelling to today's society [Sach Khand, 3](#), **Radiant Road to Reality** Bhagat Singh Thind, 1976-12 Dr Thind's disciples count this book as Their Teacher's greatest writing It deals with enduring truths of spiritual import verifiable facts of the highest human psychological possibilities Dr Thind reveals an exact science showing the seeker how to connect the individual soul with its Universal Creator In the Preface he writes It this book is for him who seeks to illumine his intelligence by the torch of his own Divinity who hungers to attain the Consciousness which transcends the barriers of time and space **Nectar #13** Babaji Bob Kindler, Father Abbot Joseph Homick, Kyogen Carlson, Professor Sivaramkrishna, Sumita Roy, OP Sharma, Lex Hixon, 2003-09-19 Divine Reality is all encompassing ever present and all pervasive that is the testament of the enlightened beings throughout countless ages and seems to be the consensus of the writers featured in this issue of Nectar of Nondual Truth And not only are the seemingly varied perspectives of philosophy brought together in such a profound and unilateral insight the assumed divisions between man and man man and woman nation and nation religion and religion and even heaven and earth are also harmoniously conjoined therein Further the very concepts of transcendence and immanence something beyond and something present also get a thorough revamping in our minds particularly if we imagine that they represent a contrasting dichotomy when in truth they do not As the Indian poet sage Ramaprasad is wont to sing repeatedly Mother's Reality escapes every mind that imagines sets of dualities to be real In the pages of this bold and well intentioned journal as well as in the hoary leaves comprising the revered scriptures of the world the idea of Nonduality Advaita persists Regardless there are always and predominantly two things on the minds of living beings whether they are awakened or unawakened those are Reality and relativity The unawakened either do not know about Reality do not think of It attempt to escape it in themselves or remain antagonistic to It If they accept it at all in what the seers call the beginnings of spiritual awakening there is still the considerable problem of overcoming procrastination prevarication and compromise and swiftly approaching It As for relativity the world of name and form perceived via the five senses as being ultimately real those unawakened to the Divine Verity mistake it to be the Reality

bartering the infinite wealth at the center of their being for a world of mere colored glass as the poet sings Thus through lack of natural realization and unconscious of the underlying presence of Brahman they default to what the senses report and dictate and remain satisfied even through persistent suffering and obvious limitation with relative existence and what it has to offer     **Destination** Bill Fitzpatrick,Roopal Jain,2009-11 Distant and Mysterious India is made less so as Bill Fitzpatrick and Roopal Jain explain what is Beyond the Taj and Behind the Symbols in their thoughtful humorous and often touching three week journey While historical figures such as Akbar Shah Jahan and Saint Francis Xavier are described and the vexing symbols of India explained the strength of Destination India Destiny Unknown is in the graceful manner the authors encounter and the describe the surprising heart of India     California's Pioneering Punjabis Lea Terhune,2023-01-09 evocative vignettes and inspiring stories from many of California s South Asian American citizens Paul Michael Taylor Director Asian Cultural History Program Smithsonian Institution At the turn of the 19th and 20th centuries adventurous travelers left the Punjab in India to seek their fortune in California and beyond Laboring in farms fields and orchards for low wages while enduring racial discrimination they strove to put down roots in their new home Bhagat Singh Thind an immigrant who served in the United States Army had his citizenship granted and revoked twice before a 1936 law expanded naturalization to all World War I veterans regardless of race Dalip Singh Saund obtained a master s degree and doctorate in mathematics from UC Berkeley only to return to farming when no one would hire him In 1956 Saund went on to become the first Asian elected to the U S Congress Ethnic South Asians are now found in every trade and profession in the United States including the Office of the Vice President Descendants of the first Punjabi immigrants from Yuba City to the Imperial Valley still farm adding to the rich tapestry of the Central Valley Author Lea Terhune recounts the risks setbacks and persistence of the people who achieved their American dreams     Sach Khand, 7 ,     **A Sacred Thread** Raymond Brady Williams,1996 What are UFOs And what did happen in Hanger 57 This book looks into the stories behind the sightings including several closed military files that may have some very strange evidence within them     **Edgar Cayce in Context** K. Paul Johnson,2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions

and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective

sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is
