sphere In this important and thought provoking work Alice Mattoni suggests an all encompassing approach to understanding grassroots political communication in contemporary societies Using original examples from precarious workers mobilizations in Italy she explores a range of activist media practices and compares different categories of media technologies organizations and outlets from the printed press to web application and from mainstream to alternative media Explaining how activists perceive and understand the media environment in which they are embedded the book discusses how they must interact with a diverse range of media professionals and technologies and considers how mainstream radical left wing and alternative media represent protests Media Practices and Protest Politics offers important insights for understanding mechanisms and patterns of visibility in struggles for recognition and redistribution in post democratic societies and provides a valuable contribution to the field of political communication and social movement studies *Community Radio Policies in South Asia* Preeti Raghunath,2020-08-07 The book draws on critical media policy studies to study the principles and performances of policies and policymaking for community radio in four countries of South Asia Sri Lanka Nepal India and Bangladesh It focuses on the processes and practices of deliberation that go into policymaking across space and time and the global local spectrum It stitches together a critical media policy ethnography drawing on over a 100 formal interviews and informal conversations with policy actors from South Asia in a bid to present a deliberative policy analysis of policymaking for community radio in the region Drawing on Grounded Theory the book fleshes out the Deliberative Policy Ecology Approach as an inclusive heuristic to study media policies **Media Revolution in Europe** Karol Jakubowicz,2011-01-01 The rags to riches story of Karol Jakubowicz s involvement in the work of the Council of Europe took him from the role of an awestruck newcomer from Poland in 1990 to that of the Chairman of the Steering Committee on the Media and New Communication Services 2005 06 Along the way he was elected delegated by the Steering Committee and invited by the Council of Europe Secretariat to serve in a number of other capacities In all of them he contributed a wide variety of papers reports and studies to assist the steering committee and other bodies in collecting information and formulating ideas in the general field of freedom of expression creation of free and democratic media systems including the issue of public service media regulation of transfrontier television the adjustment of Council of Europe human rights standards to the conditions of the information society and the development of broadcasting legislation in Council of Europe member states The present collection of these papers and reports is published in the conviction that they retain their value and relevance It provides the additional benefit of offering a glimpse of the work preceding the formulation of Committee of Ministers recommendations and declarations as well as resolutions of the Council of Europe Parliamentary Assembly *Alternative Media and Taiwan's Socio-Political Transformation, 1970s-1990s* Junhao Hong,Cheng-Nan Hou,2023-08-31 This book systematically and comprehensively studies on alternative media in Taiwan using a historical approach and primary data and first hand collected materials to examine how political openness and social movement in the 1980s through the 1990s in Taiwan

enabled the rapid growth and wide development of Taiwan's alternative media what impact the alternative media in Taiwan had on its socio political transformation and what implications Taiwan's case of alternative media has for other societies especially for other Asian societies This book would be a good reading for intellectuals media professionals government analysts and the general public as well who are interested in this topic      **Alternative Media Meets Mainstream Politics** Joshua D. Atkinson, Linda Kenix, 2019-05-20 *Alternative Media Meets Mainstream Politics* Activist Nation Rising demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful      *Social Movements and Their Technologies* Stefania Milan, 2013-11-06 Now in paperback for the first time *Social Movements and their Technologies* explores the interplay between social movements and their liberated technologies It analyzes the rise of low power radio stations and radical internet projects emancipatory communication practices as a political subject focusing on the sociological and cultural processes at play It provides an overview of the relationship between social movements and technology and investigates what is behind the communication infrastructure that made possible the main protest events of the past fifteen years In doing so Stefania Milan illustrates how contemporary social movements organize in order to create autonomous alternatives to communication systems and networks and how they contribute to change the way people communicate in daily life as well as try to change communication policy from the grassroots She situates these efforts in a historical context in order to show the origins of contemporary communication activism and its linkages to media reform campaigns and policy advocacy      *China's Media, Media's China* Chin-Chuan Lee, 2019-04-08 This book explores the rapidly evolving conditions of political communication in China It examines how ideology and professional roles affect both scholarly and journalistic understanding of China The book offers insights into Chinese journalism and Sino American relations      **Journalism Beyond Orwell** Richard Keeble, 2020-01-31 *Journalism Beyond Orwell* adapts and updates pioneering work by Richard Lance Keeble to explore George Orwell's legacy as a journalist in original critical and often controversial ways Though best known as the author of *Animal Farm* and *Nineteen Eighty Four* Orwell was throughout his career a journalist The essays in this collection explore Orwell's important legacy as a practising activist journalist critical of the dominant media as a polemicist essayist and novelist constantly concerned with issues relating to war and peace as a literary journalist determined to make political writing an art and as a writer who warned of the growing powers of the secret state Through this highly individualistic essay

collection that connects Orwellian themes to modern journalism Richard Lance Keeble explores key topics including Orwell the proto blogger How Orwell put his political economy critique of the corporate press into practice Information warfare in an age of hyper militarism The manufacture of the myth of heroic warfare in the reporting of the Afghan conflict The debates over the theory and practice of peace journalism The ethical challenges for journalists reporting on conflict The crucial role of the alternative media The pleasures and pitfalls of the celebrity profile This collection will be of particular interest to students and researchers in journalism studies English literature media intelligence studies and international relations

**Taking the Square** Maria Rovisco,, Jonathan Corpus Ong,2016-06-10 From the Arab uprisings to the indignados movement and the global Occupy sit ins recent protests and civil unrest have sparked new debates about political organisation media representation and the nature of contemporary citizenship But is there anything new about these occupations of public space How are these protests legitimised or undermined by the intense mediation of streets and squares And how are these different from expressions of dissent in other contexts including those of ethnic minorities in the New Orleans mardi gras and survivors of natural disaster in the Philippines This book challenges the notion of a disappearance of public space by reconsidering the significance of physical space and embodiment in the conduct and consequences of protest events Looking at a range of assemblies sustained and fleeting spectacular and ordinary this volume illuminates how square and street politics and their mediation become vehicles for new ideas of community citizenship and public life

**Journey into Social Activism** Joshua D. Atkinson,2017-02-01 Academic study of social activism and social movements has become increasingly prevalent over the years this is due in large part to the fact that activists have captured public imagination and gained substantial influence in political discourse For instance Occupy Wall Street activists Tea Party activists and activists affiliated with the Arab Spring have transformed political debates and have become the focus of mainstream news media coverage about a variety of different political topics Journey into Social Activism explicates the philosophical foundations of the study of activism and illustrates four different research sites in which activism can be observed and studied organizations networks events and alternative media The book will introduce students and scholars to important qualitative approaches to the study of social activism within these four research sites which is based entirely on successful research projects that have been conducted and published in recent years Ultimately this book will prove integral to any students and scholars who wish to use qualitative methods for their research endeavors concerning social activism in contemporary society

**The Politics of Iranian Cinema** Saeed Zeydabadi-Nejad,2009-12-04 Iran has undergone considerable social upheaval since the revolution and this has been reflected in its cinema Drawing on first hand interviews and detailed ethnographic research this book explores how cinema is engaged in the dynamics of social change in contemporary Iran The author not only discusses the practices of regulation and reception of films from major award winning directors but also important mainstream filmmakers such as Hatamikia and Tabizi Contributing to ethnographic accounts of

Iranian governance in the field of culture the book reveals the complex behind the scenes negotiations between filmmakers and the authorities which constitute a major part of the workings of film censorship The author traces the relationship of Iranian cinema to recent social political movements in Iran namely reformism and women s movement and shows how international acclaim has been instrumental in filmmakers engagement with matters of political importance in Iran This book will be a valuable tool for courses on film and media studies and will provide a significant insight into Iranian cultural politics for students of cultural studies and anthropology Middle Eastern and Iranian studies

### **The Lebanon Uprising of 2019**

Jeffrey G. Karam, Rima Majed, 2022-09-22 In October 2019 hundreds of thousands took to the streets of Lebanon to protest austerity measures in what became known as the *thawra* These were the largest mass protests seen in the country s modern history The Lebanon Uprising of 2019 puts the revolution in its historical and regional context and also follows the huge transformations that have been unraveling in Lebanon ever since The book is a unique source of testimonies that brings to the fore the voices of those scholars activists researchers and journalists who took part in the protests or were closely involved in the unfolding events These accounts include stories about specific events and struggles views of the uprising from various regions of the country and reflections on topics such as the labor struggle disability the student movement foreign interventions the struggle for preserving environmental spaces the role of refugees and non Lebanese within the movement and women and queer participation The book situates the protests within the historical political economic social and environmental foundations of the Lebanese polity as well as in the broader context of a second wave of Arab uprisings and a global wave of upheavals in 2019 making this book a testament to the rich history of protests and activism in the country It features some primary documents including photos and other materials that were disseminated in the streets and over social media platforms making this book an important resource of first hand knowledge

*Beyond Mainstream Media* Stephen Cushion, 2023-09-26 Offering one of the most comprehensive assessments of alternative media to date *Beyond Mainstream Media* examines the rise of alternative media over the last decade analysing their changing content and editorial strategies and exploring why many people go beyond the mainstream media for news and information Considering the differences in agenda between alternative and mainstream media coverage Cushion sheds light on why right wing alternative media have become a more prominent part of national media systems than left wing sites in the Western World In doing so he argues that alternative left wing media should place less emphasis on attacking professional journalism and focus more on converging into the world of mainstream news to promote their politics This book draws on over 3 500 articles and 17 000 social media posts produced by alternative media extensive interviews with editors and contributors and a survey of over 2 700 media users It develops a comparative international perspective by explaining how findings and concepts can be applied to understanding much broader issues such as public distrust in the mainstream media or the influence different media and political systems have on the production of alternative media Providing both an introduction to and a critical analysis of the

state of alternative media today this book is written in clear jargon free language and is recommended reading for advanced students undertaking courses in Alternative Media and Political Journalism      Challenge for Change Thomas Waugh, Michael Brendan Baker, Ezra Winton, 2010-02 An examination of the radical politics and cinema of the legendary documentary film program devoted to social change      Routledge Handbook of Media, Conflict and Security Piers Robinson, Philip Seib, Romy Frohlich, 2016-11-10 This Handbook links the growing body of media and conflict research with the field of security studies The academic sub field of media and conflict has developed and expanded greatly over the past two decades Operating across a diverse range of academic disciplines academics are studying the impact the media has on governments pursuing war responses to humanitarian crises and violent political struggles and the role of the media as a facilitator of and a threat to both peace building and conflict prevention This handbook seeks to consolidate existing knowledge by linking the body of conflict and media studies with work in security studies The handbook is arranged into five parts Theory and Principles Media the State and War Media and Human Security Media and Policymaking within the Security State New Issues in Security and Conflict and Future Directions For scholars of security studies this handbook will provide a key point of reference for state of the art scholarship concerning the media security nexus for scholars of communication and media studies the handbook will provide a comprehensive mapping of the media conflict field      Advocacy Coalitions and Democratizing Media Reforms in Latin America Christof Mauersberger, 2015-07-27 This book examines democratizing media reforms in Latin America The author explains why some countries have recently passed such reforms in the broadcasting sector while others have not By offering a civil society perspective the author moves beyond conventional accounts that perceive media reforms primarily as a form of government repression to punish oppositional media Instead he highlights the pioneering role of civil society coalitions which have managed to revitalize the debate on communication rights and translated them into specific regulatory outcomes such as the promotion of community radio stations The book provides an in depth comparative analysis of media reform debates in Argentina and Brazil analyzing Chile and Uruguay as complementary cases supported by original qualitative research As such it advances our understanding of how shifting power relations and social forces are affecting policymaking in Latin America and beyond
