Simplicity Gavin Birch, Complexity is the enemy of clarity In Radical Simplicity Gavin Birch strips leadership back to what really matters focus intention and the courage to cut through the noise In a world drowning in strategy decks endless meetings and jargon filled missions this is a call to lead with purpose and precision Birch shares powerful principles real life examples and clear frameworks that show how simplicity isn t just elegant it s effective Whether you re building a team scaling a company or redefining your own leadership style this book will help you do more with less and do it better Because simple isn t easy But it s what works **Radical Simplicity** Jim Merkel,2003-09-01 Imagine you are first in line at a potluck buffet The spread includes not just food and water but all the materials needed for shelter clothing healthcare and education How do you know how much to take How much is enough to leave for your neighbors behind you not just the six billion

people but the wildlife and the as yet unborn In the face of looming ecological disaster many people feel the need to change their own lifestyles as a tangible way of transforming our unsustainable culture Radical Simplicity is the first book that guides the reader to a personal sustainability goal then offers a process to monitor progress to a lifestyle that is equitable amongst all people species and generations It employs three tools to help readers begin their customized journey to simplicity      Teach What You Believe Deacon Michael E. Bulson,2007 More homilies by a deacon for deacons and anyone else who preaches These homilies which reflect the author s firm commitment to social justice are followed by discussion questions      Not Buying It Judith Levine,2007-02-27 This cold turkey confession by an award winning journalist follows her progress and inevitable relapses over an entire year of not spending      **Legisprudence** Luc J. Wintgens,2016-04-22 This book establishes legisprudence in contrast to jurisprudence as a legal theory of rational law making It suggests that by rejecting the common wisdom about the nature of political law making legislation could be improved and streamlined Using the methods theoretical insights and tools of current legal theory and philosophy of law in a new way the book suggests the creation of law by legislators rather than government Raising new questions and problems of the validity of norms the book opens a new perspective on legitimacy of norms their meaning and the structure of the legal system In distinguishing legitimacy and legitimation of law the book ventures into the philosophical roots of legal theory and suggests the articulation of a new conception of sovereignty In shifting the emphasis to the position of the legislator and legislation this book opens a number of new insights into the relationship between legislative problems and legal theory Its main claim is that legislation should be justified by the legislator      **The Three Marriages** David Whyte,2009 David Whyte knows there are three crucial relationships or marriages in our lives the marriage or partnership with a significant other the commitment we have to our work and the vows spoken or unspoken we make to an inner constantly developing self In The Three Marriages the bestselling author poet and speaker argues that it is not possible to sacrifice one relationship for the others without causing deep psychological damage Too often he says we fracture our lives and split our energies foolishly so that one or more of these marriages is sacrificed and may wither and die in the process impoverishing them all Whyte looks to a different way of seeing and connecting these relationships and prompts us to examine each marriage with a fierce but affectionate eye as he shows us the importance of cherishing all three equally From publisher description      **I** David R. Hawkins, MD/PHD,2014-03-03 Experience spiritual enlightenment and personal transformation from world renowned author psychiatrist clinician spiritual teacher and researcher of consciousness David R Hawkins M D Ph D This book combines consciousness studies with transpersonal psychology providing an accessible gateway into the deeper dimensions of self and reality It concludes the presentation of a long predicted major advance in critical human knowledge It explains and describes the very substrate and essence of consciousness as it evolved from its primordial appearance as life on earth on up through evolution as the human ego and hence to the ego s transcendence as the spiritual Reality of Enlightenment and the Presence

of Divinity It completes the description of the evolution of human consciousness from the level of approximately 800 to its peak experience at 1 000 which historically has been the ultimate possibility in the human domain This is the realm of the mystic whose truth stems solely from the radical subjectivity of divine revelation The text of the material is taken from lectures dissertations and dialogues with students visitors and spiritual aspirants from around the world who have different spiritual and religious backgrounds and varying levels of consciousness On the referenced Scale of the Levels of consciousness which calibrates the levels of Truth from 1 to 1 000 Power versus Force calibrates at 850 The Eye of the I at 980 and the final volume of the trilogy I calibrates at a conclusive 999 8 The uncommon clarity and lucidity with which the highly evolved subject matter is presented facilitates understanding As with the reading of Power versus Force or The Eye of the I the reader s level of consciousness increases measurably as a consequence of exposure to this material itself which is presented from a powerful field of exposition Conflict is resolved within the mind of the student by means of recontextualization which solves the dilemma Argument and adversity are resolvable by identifying the positionalities of the ego which are the basis of human suffering Some Chapters Include The Process Spiritual Purification The Ego and Society Spiritual Reality Realization The Realization of Divinity The Radical Reality of the Self The Mystic The Levels of Enlightenment The Nature of God The Obstacles Transcending the World The Emotions Mind Considerations Karma The Final Doorway The Transcendence The Inner Path No Mind The Way of the Heart The Recontextualization Spiritual Research Homo Spiritus This masterpiece is a revolutionary tool for personal transformation blending quantum physics with spirituality and a perfect read for anyone seeking enlightenment and a deeper understanding of the universe **York Notes**

**Companions: Romantic Literature** John Gilroy, 2014-08-28 **Speak Silence** Mark L. Greenberg, 1996 Published in 1783 Poetical Sketches was William Blake s first volume of poetry and his only published work to appear in letterpress This little book has been relegated by some critics to the periphery of the Blake canon Yet the book s uniqueness and authorship have drawn scholars to it resulting in often illuminating criticism Speak Silence continues in this line and represents the first and only collection of essays devoted solely to exploring Poetical Sketches Mark Greenberg s critical introduction traces the historical tendency both to denigrate and to praise the Sketches The other chapters in this collection written by distinguished scholars Susan J Wolfson Stuart Peterfreund Thomas A Vogler Vincent DeLuca Nelson Hilton and Robert F Gleckner analyze traditional elements of poetry as they appear in the Sketches This analysis reveals how fully Blake as a young poet absorbed these elements and how deftly he manipulated and transvalued them in his early ambitious and revolutionary experiments with language voice and rhetorical form This volume also focuses on the Sketches politics originality and complex connections with Blake s poetic precursors and with other cultural institutions What is most compelling about Speak Silence is the way in which the chapters are in dialogue with one another The collection resembles a conversation between its notable contributors inviting readers to witness the developmental process of particular ideas about Blake s early art and its

relation to his later work as they solidify are transformed or dissolve

**Simple and Free** Jen Hatmaker, 2022-03-29 Why do we pursue more when we'd be happier with less In this updated edition of 7 New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence and what they learned along the way about living a truly meaningful life Simple and Free is the true story of how Jen Hatmaker along with her family identified seven areas of excess food clothes spending media possessions waste and stress and made seven simple choices to fight back against the modern day diseases of greed materialism and overindulgence So what's the payoff from living a deeply reduced life It's the discovery of a greatly increased connection with God a call toward simplicity and generosity that transcends social experiment to become a radically better life In this new edition written not just for readers of faith but for everyone who craves a gentler simpler life Hatmaker shares how sustainability and generosity still impact and challenge her today Annotated throughout with new reflections from the author this book offers thoughtful insights on the vastly different world of Simple and Free from back when it was first published as 7 and considers the dramatically different space Hatmaker occupies now Simple and Free is funny raw and not a guilt trip in the making Come along and discover what Jesus version of rich blessed and generous might look like in your life

Conscious Feelings Clinton Callahan, 2022-10-01 This book comprehensively details the path of feeling Once one has a long drink of the experience of feeling that Callahan writes about it will be difficult to quench one's thirst for it with less Timothy S Bennett writer artist and filmmaker An owner's manual for Sane Human Being Pretty soon you'll reclaim who you have always been who you came here to be deep and authentic feeling conscious life and a chance to play a part in the healing of our collective nightmare Malidoma Patrice Som PhD author healer African Shaman For modern seekers responding to the call for initiation into relationship here is an open invitation As with all true rites of passage there is no promise of safety along the way and the potential for transformation is boundless Sally Erickson artist psychotherapist community organizer and film producer This book is about feelings and the ways that we as individuals and as a culture have numbed ourselves against them It is about unleashing the possibility of using your conscious feelings to re shape your life around what really matters to you Conscious Feelings introduces readers to the concept of the personal numbness bar a measure set high by modern culture as a way of keeping everything cool under control and consequently out of touch This book provides the insight and the means for lowering that numbness bar You can feel more wisely and effectively the author asserts You can regain the intelligence and energy of your feelings so long denied and dressed up to appear acceptable Being cool Callahan states allows you to look the other way about schooling prescription drugs corporate wrongdoing corruption pollution injustice your life purpose your love life and your job and to accept the generic malaise that characterizes so many ordinary relationships The central framework of the book is built with the Ten Distinctions for Consciously Feeling including Learning the potent difference between thoughts and feelings Sorting out feelings based in the present from emotions based in the past on cultural or religious beliefs Experiencing how feelings

are absolutely neutral energy and information neither good nor bad neither positive nor negative yet extremely useful in your adult life Each chapter is enriched with THOUGHTMAPS clear diagrams of ways you presently think and ways you could possibly think supported by an abundance of practical experiments t     The politics of freedom of information Ben Worthy,2017-02-10 Why do governments pass freedom of information laws The symbolic power and force surrounding FOI makes it appealing as an electoral promise but hard to disengage from once in power However behind closed doors compromises and manoeuvres ensure that bold policies are seriously weakened before they reach the statute book The politics of freedom of information examines how Tony Blair s government proposed a radical FOI law only to back down in fear of what it would do But FOI survived in part due to the government s reluctance to be seen to reject a law that spoke of freedom information and rights After comparing the British experience with the difficult development of FOI in Australia India and the United States and the rather different cases of Ireland and New Zealand the book concludes by looking at how the disruptive dynamic and democratic effects of FOI laws continue to cause controversy once in operation     *American Machinist* ,1918     7: An Experimental Mutiny Against Excess (Updated and Revised) Jen Hatmaker,2020-03-03 Why do we pursue more when we d be happier with less This is the story of how New York Times bestselling author Jen Hatmaker and her family tried to combat overindulgence and what they learned about living a truly meaningful life along the way Do you feel trapped in the machine of excess Jen Hatmaker was Her friends were And some might say that our culture is Jen once considered herself unmotivated by the lure of prosperity but after she was called rich by an undeniably poor child evidence to the contrary mounted and a social experiment turned spiritual journey was born 7 is the true story of how Jen along with her husband and her children took seven months identified seven areas of excess and made seven simple choices to fight back against the modern day diseases of materialism and overindulgence food clothes possessions media and technology spending waste and stress So what s the payoff from living a deeply reduced life It s the discovery of a greatly increased God a call toward Christ like simplicity and generosity that transcends a social experiment to become a radically better life Revised and updated to reflect newer challenges of modern life 7 is funny raw and not a guilt trip in the making so come along and consider what Jesus version of rich blessed and generous might look like in your life     The Iron Age ,1919
