Radical Social Work Roy Victor Bailey, Mike Brake, 1975 Milligan Don Homosexuality sexual needs and social problems pp 96 111

The Road Not Taken Michael Reisch, Janice Andrews, 2001 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

Social Work for Lazy Radicals Jane Fenton, 2019-04-12 Be proud to be a lazy radical This textbook makes the case for a radical approach to social work that can be embraced by everyone It s an approach based on real empathy and an understanding of oppression of managerialism of the moral heart of social work of humanism and of the effects of neoliberal hegemony Jane Fenton provides a model of radical practice for students and social workers who are committed to doing the right thing and who want to develop their own framework for practice This book will appeal to students who are activists but want to frame their individual level practice in a meaningful way and to those who are non activist and non political but simply want to be good social workers It will give a political and moral understanding of social work practice and lead to confident value based and enjoyable social work

Doing Radical Social Work Colin Turbett, 2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work

Radical Social Work in Practice Iain Ferguson, Rona Woodward, 2009-05-14 APPROVED BY AUTHOR Radical social work is a tradition often identified exclusively with the movement which developed in the UK in the 1970s However this much needed new textbook the first student text devoted to radical social work demonstrates that the relevance of radical approaches to contemporary social work practice have never been stronger Challenges to a neoliberal approach to social work have been gaining ground academically and with practitioners This book provides a true vision of the radical tradition and shows how it can be developed in contemporary social work Using case studies and a problem based learning approach to illustrate the type of dilemmas faced by workers in their day to day practice the book sets out the ways in which a radical social work approach can inform constructive responses It emphasises the need to understand the diverse lives of service users encouraging readers to share experience and knowledge and to discuss past and present events to build confidence in tackling injustice at individual and societal levels As many social workers are becoming disillusioned and dissatisfied with the bureaucracy and regulation in the profession this book promotes a practice that is rooted in a commitment to positive change and to social justice that will offer a breath of fresh air to students and practitioners alike

Radical social work today Lavalette, Michael, 2011-02-23 Created to celebrate the 35th anniversary of Bailey and Brake s seminal text *Radical Social Work* 1975 this volume seeks to explore the radical tradition within social work and assess its legacy relevance and prospects With a foreword by Roy Bailey the book brings together leading academics within social work in Britain to reflect on the legacy of *Radical Social Work* both the original text and the wider social movement within social work education theory and practice With the current issues

facing social work in Britain this book examines the radical tradition to assert that another social work is possible *Radical Challenges for Social Work Education* Jane Fenton, 2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end *Radical Challenges for Social Work Education* is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy Development Studies Anthropology and Human Geography The chapters in this book were originally published as a special issue of the journal *Social Work Education* **The Road Not Taken** Michael Reisch, Janice Andrews, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company *The Politics of Social Work* Fred W Powell, 2001-05-25 *The Politics of Social Work* provides a major contribution to debates on the politics of social work at the beginning of the 21st Century It locates social work within wider political and theoretical debates and deals with important issues currently facing social workers and the organisations in which they work By setting the current crisis of identity social workers are experiencing in international context Fred Powell analyses the choices facing social work in postmodern society Fred Powell explores in this text contemporary and historical paradigms of social work from its Victorian origins to the development of reformist practice in the welfare state to radical social work responses to social exclusion the renaissance of civil society multiculturalism feminism and anti oppressive practice In conclusion he examines the options facing social work in the 21st century and argues for a civic model of social work based on the pursuit of social justice in an inclusive society **The Quest for a Radical Profession** David Wagner, 1990 This book based on in depth interviews of radical social workers who at one time were associated with the Catalyst collective explores through oral history the social psychological effects of upward mobility on political ideology **The Routledge Handbook of International Critical Social Work** Stephen A. Webb, 2022-11-11 *The Routledge Handbook of International Critical Social Work* is a companion volume to the *Routledge Handbook of Critical Social Work* It brings together world leading scholars in

the field to provide additional in depth and provocative consideration of alternative and progressive ways of thinking about social work Critical social work is increasingly involved in a global conversation and as a subfield of social work it is rapidly becoming an interdisciplinary field in its own right and promoting novel forms of political activism The Handbook showcases the global influences and path breaking ideas of critical social work and examines the different stances taken on important political and ethical issues It provides the first complete survey of the vibrant field of critical social work in a rich international context This definitive volume is one of the most comprehensive source books on crucial social work that is available on the international stage and an essential guide for anyone interested in the politics of social work The Handbook is divided into seven sections Thinking the Political Politics and the Ruins of Neoliberalism Negotiating the State Resistance Protest and Dissent Race Bordering Practices and Migrants Post Colonialism Subaltern and the Global South Critical Feminism Sexuality and Gender Politics Posthumanism Pandemics and Environment The Handbook is comprised of 46 newly written chapters and one reprint which concentrate on differences between European and American contributions in this field as well as explicitly identifying the significance of critical social work in the context of Latin America It provides a further vital trajectory of intellectual practice theory via interdisciplinary discussion of areas such as biopolitics critical race theory boundaries of gender and sexuality queer studies new conceptions of community issues of public engagement racism and Roma people ecological feminism environmental humanities and critical animal studies The Handbook is an innovative and authoritative guide to theory and method as they relate to policy issues and practice and focus on the primary debates of today in social work from a critical perspective and will be required reading for all students academics and practitioners of social work and related professions

Radicals in Social Work Daphne Statham, 1978 Globalisation, Global Justice and Social Work Iain Ferguson, Michael Lavalette, Elizabeth Whitmore, 2005

Globalization has become a seemingly unstoppable force over recent decades and in its wake global notions of social justice have developed in response to its negative aspects Neo liberal economic policies have been a key element in the wider process of globalization and these policies have had a profound impact on welfare provision and the shape of social work practice Arising dissatisfaction among users of welfare and social work services is fuelling the search for a new more radical social work that is firmly rooted in principles of social justice Globalisation Global Justice and Social Work explores the global effects of neo liberal policies on welfare services in different countries with contributions from social work academics practitioners and welfare activists around the world The first section of the book presents case studies of impact of neo liberalism on welfare systems social service provision and the practice of social work In the second section the chapters explore the relationship between social work practice and the struggle for social justice Authors discuss the personal and political dilemmas they have had to address in seeking to link a personal commitment to social justice with their daily practice as workers and educators in social work The final section assesses the prospects for social work practice based on notions of social justice by looking at what

can be learned from the experience of previous radical movements as well as from emergent global and local movements

Social Policy and Social Work Jo Cunningham, Steve Cunningham, 2017-06-05 An understanding of social policy is crucial for social workers as it underpins and shapes the legislative framework that they work within From safeguarding service users and enabling them to improve their lives to protecting the most vulnerable in society social policy also has a vital role to play within social work education It is important therefore for students to engage critically with social policy This book introduces policy and shows how it has changed and evolved over time how it reflects changes in society and how it is applied to everyday practice

Social Work in an Unequal World Rajendra Baikady, 2025 Social Work in an Unequal World offers a comprehensive collection of current global perspectives addressing the complex issues arising at the intersection of inequality and social work The book aims to help social work educators students practitioners and policy makers think critically about the skills and knowledge they need to understand and tackle inequality and provide meaningful help to the people most in need

Social Work & Received Ideas Chris Rojek, 2012-10-12 The first book to examine the language of both traditional and radical social work as forms of power The will to help and care for people unintentionally results in new types of dependency control and domination

Social Policy and Social Work: An Introduction Jo Cunningham, Steve Cunningham, 2012-01-26 An understanding of social policy is crucial for social workers as it underpins and shapes the legislative framework that they work within From safeguarding service users and enabling them to improve their lives to protecting the most vulnerable in society social policy also has a vital role to play within social work education It is important therefore for students to engage critically with social policy This book introduces policy and shows how it has changed and evolved over time how it reflects changes in society and how it is applied to everyday practice

Revolutionary Social Work Masoud Kamali, 2022-11-24 This book shows how social work can be an active agent for promoting revolutionary changes in order to counter the global neoliberal market fundamentalism which is destroying our planet and reinforcing socioeconomic inequalities political instability antidemocratic political ideologies and movements small wars conflicts racism and other forms of oppression Providing case studies from South Africa Chile Iran Europe Australia and the USA written by leading critical and radical social work scholars this book sheds light on consequences of the global neoliberal racial capitalism and postcolonial oppression By presenting innovative ideas and suggestions for a revolutionary social work aimed at promoting systemic changes and eliminating the roots of social problems this book will be of interest to all scholars and students of social work community development and social justice more broadly

ThirdWay, 1979-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Proceedings of the National Conference of Social Work at the ... Annual Session Held in ... National Conference of Social Work (U.S.). Annual Session, 1925

Eventually, you will certainly discover a further experience and exploit by spending more cash. still when? complete you take that you require to acquire those all needs similar to having significantly cash?
