Alfa Romeo 1300 and Other Miracles Fabio Bartolomei, 2012-10-30 A raucous debut novel of organized and unorganized crime A story that takes itself unseriously enough to be funny The Daily Beast This Week's Hot Reads Diego is a forty something car salesman with a talent for telling half truths Fausto sells watches over the phone Claudio manages barely his family owned neighborhood supermarket The characteristic common to each of these three men is their abject mediocrity Yet mediocrity being the mother of outrageous invention they embark on a project that would be too ambitious in scope for any single one of them let alone all three together They decide to flee the city and to open a rustic holiday farmhouse in the Italian countryside outside Naples Their misconceived endeavor would have been challenging enough for these three unlikely entrepreneurs but when a local mobster arrives and demands they pay him protection money things go from bad to worse Now their ordinary if wrongheaded attempt to run a small business in an area that organized crime syndicates consider their own becomes a quixotic act of defiance A miraculous Italian comedy that will have readers laughing out loud Alfa Romeo 1300 and Other Miracles marks Fabio Bartolomei's vivid debut An entertaining and humorous debut La Repubblica A melancholy yet hopeful fable told with a smile Internazionale Left the kind of smile on my face that doesn't go unnoticed and which people often mistake for a kind of facial paralysis Valentina Aversano Setteperuno The National Magazine, 1924

**Investing in Miracles** Katharine L. Wiegele, 2004-09-30 Since the early 1980s approximately ten million people have turned to charismatic businessman turned preacher Brother Mike and his Catholic prosperity movement El Shaddai DWXI Prayer Partners Foundation International Inc Investing in Miracles offers an in depth look at this unique indigenous movement characterized by its effective use of mass media and its huge emotion filled outdoor rallies The book investigates the sociocultural political and economic contexts of El Shaddai's popularity among the Filipino urban poor and aspiring middle classes and explores its significance for its followers which reaches well beyond promises of appliances salary raises

jobs abroad and healing Katharine Wiegele argues that Shaddai's theology directly engages and affirms desires for the material signs of modernity in ways that the mainstream Philippine Roman Catholic Church and Filipino leftist movements do not. At stake for its many adherents are their place and identity within the broader society, the meaning of their experiences of poverty, suffering and oppression, and the relevance of their very notions of God, Christian community and Christian life. Wiegele evocatively captures the religious and everyday experiences of her informants' lives in poor squatter neighborhoods of Manila. She is particularly sensitive to El Shaddai's delicate and often contorted relationship with the Catholic Church, which accepts the movement reluctantly, fearful of losing the loyalty of millions of faithful Catholics. While anchored in the local realities of the Philippines, *Investing in Miracles* will be of great interest to readers elsewhere for its exploration of religious seduction and interpretation, the interface between religion and politics, and the relevance of religion for the urban disenfranchised.

Author Lorene Hanley Duquin shares stories she has collected from real people: people praying for physical healing, people praying for wisdom in making an important life decision, people in need of spiritual healing, and many more. **Shootout at Miracle Valley** William R. Daniel, 2008 A little over one hundred years after the legendary shootout at the OK Corral, a radical South Chicago preacher named Frances Thomas moved to Miracle Valley, Arizona. Believing that God had called her to take over Miracle Valley, Pastor Thomas and her cult of followers set out to do just that, with explosive results.
