Radio Times Star Trek 30 Years Official Collectors Edition

Tobias Bleicker

Radio Times Star Trek 30 Years Official Collectors Edition:

Star Trek Duncan Barrett, Michèle Barrett, 2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon

The Influence of Star Trek on Television, Film and Culture Lincoln Geraghty, 2014-07-15 When the first season of Star Trek opened to American television viewers in 1966 the thematically insightful sci fi story line presented audiences with the exciting vision of a bold voyage into the final frontiers of space and strange new galactic worlds Perpetuating this enchanting vision the story has become one of the longest running and most multifaceted franchises in television history Moreover it has presented an inspiring message for the future addressing everything from social political philosophical and ethical issues to progressive and humanist representations of race gender and class This book contends that Star Trek is not just a set of television series but has become a pervasive part of the identity of the millions of people who watch read and consume the films television episodes network specials novelizations and fan stories Examining Star Trek from various critical angles the essays in this collection provide vital new insights into the myriad ways that the franchise has affected the culture it represents the people who watch the series and the industry that created it **Cult Telefantasy Series** Sue

Short, 2011-07-25 From The Prisoner in the 1960s to the more recent Heroes and Lost a group of television series with strong elements of fantasy have achieved cult status Focusing on eight such series this work analyzes their respective innovations and influences Assessing the strategies used to promote cult appeal it also appraises increased opportunities for interaction between series creators and fans and evaluates how television fantasy has utilized transmedia storytelling Notable changes within broadcasting are discussed to explain how challenging long form dramas have emerged and why telefantasy has transcended niche status to enjoy significant prominence and popularity **Star Trek** C. Gregory, 2016-01-26 In Star Trek Chris Gregory analyses the reasons for the continuing success of the Star Trek phenomenon traces its overall development

and comments on how the differences between 1990s and 1960s series reflect changes in the mass media environment during this period He examines Star Trek as a series of generic and mythological texts compares TV and filmed versions explores its cult appeal and looks in detail at its psychological social and political themes **The Impossible Has Happened** Lance Parkin,2016-07-19 A biographer goes in search of Gene Roddenberry creator of the world's most successful science fiction franchise This book reveals how an undistinguished writer of cop shows set out to produce Hornblower in space and ended up with Star Trek an optimistic almost utopian view of humanity's future that has been watched and loved by hundreds of millions of people around the world Along the way Lance Parkin examines some of the great myths and turning points in the franchise's history and Roddenberry's particular contribution to them He looks at the view that the early Star Trek advanced a liberal egalitarian and multi racial agenda charts the various attempts to resuscitate the show during its wilderness years in the 1970s explores Roddenberry's initial early involvement in the movies and spin off Star Trek The Next Generation as well as his later estrangement from both and sheds light on the colorful personal life self mythologizing and strange beliefs of a man who nonetheless gifted popular culture one of its most enduring narratives

The Television Genre Book Glen Creeber,2023-11-30 In this new edition of *The Television Genre Book* leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like *Stranger Things* *Killing Eve* *The Crown* *Chernobyl* *Black Mirror* *Fleabag* *Breaking Bad* and *RuPaul's Drag Race* this book offers a comprehensive understanding of television genre for scholars and students alike *The Television Genre Book* Toby Miller,John Tulloch,Glen Creeber,2001 No Marketing Blurb

Americanization, Globalization, Education Gerhard Bach,Sabine Bröck-Sallah,Ulf Schulenberg,2003 Following the events of 9/11 as well as the current U.S. involvement in the Near East the concepts and practices of Americanization and Globalization once more demand widespread international attention This volume of essays selected from the 2001 annual conference of the German Association for American Studies focuses on the United States pervasive influence and its effects of real or perceived Americanization tendencies on a global scale including the ambivalent responses such homogenization has produced worldwide The essays thus represent a multifaceted documentation of American Studies interests characterizing different fields and focal points popular culture music education history and contemporary social concerns

"Infinite Diversity in Infinite Combinations" Katja Kanzler,2004 Since its first appearance on the small screen in 1966 the multimedia franchise Star Trek has attracted an unprecedented fan following in the U.S. and beyond For many viewers it has been Star Trek's ostensible representation of a multicultural utopia that fascinated them This book seeks to

elucidate the semiotics of Star Trek's popular multiculturalism Engaging Cultural Studies and American Studies theory the book proceeds from a discussion of Star Trek's self-fashioning as a multicultural vision to readings of its changing articulations of racial ethnic gender and sexual difference and concludes with case studies of two fan communities creative appropriations of Star Trek's promise of an egalitarian future **Radio Times** ,1973 **Living with Star Trek** Lincoln Geraghty,2007-03-30 There is a wealth of literature on Star Trek and this book is a welcome and original contribution to it The book not only sets Star Trek in dialogue with ideas and stories of utopia community self improvement that are central to American culture and history but goes further to examine the ways in which these are taken up and used by ordinary fans who engage with Star Trek in complex and significant ways Lincoln Geraghty explores for example Star Trek's multiple histories and how Star Trek has used the Puritan American Jeremiad one of the nation's foundational texts to create a narrative that relates how through communal effort and personal change utopia can be achieved He discusses how fans define the series as a blueprint for the solution of such social problems in America as racism and war and shows how they have used the series to cope with personal trauma and relate to such characters as Data and Seven of Nine in moments of personal transformation This is all in all an enjoyable and revealing book on Star Trek's active relationship with its many thoughtful fans **Saturday Morning Madness: Treasury Edition** Mini Komix,2014-11-20 Don't touch that dial Fill up your cereal bowl and get ready for some serious cartoon craziness Saturday Morning Madness highlights the best work from today's independent artists and creators Featuring three tales of the jokey Jesi the Genie set in the Arabian Nights three monstrous funny animal yarns from the murky town of Gloomstadt sensational superheroics with The Plus shaky shenanigans with Monster and the Rockits travel time and space with the robot teddy bear T E D crime fighting calamity with Kinetic Kitty and find out What A Beautiful World This Is Starring the talents of Jer Alford Jon Cowen James Dawsey Natalie Eckman Denise Jones Ariel Levya James Lyle Jenn Oseicki John Powell Tyler Sticka James Street and Desi Turner This all ages extravaganza is for the kid in everyone 100 Big Pages Karate Kid (1976-1978) , Karate Kid 1 15 1976 1978 Karate Kid also known as Val Armorr has mastered every single form of unarmed combat in the 30th Century He travels to the 20th Century and decides to stay there as he finds purpose in his life The Year of the Geek James Clarke,2017-10-19 The Year of the Geek is a fascinating look into geek culture Each day will tell a different story from the sci fi universe from famous franchises and figures such as Star Wars The Matrix Peter Jackson and Luc Besson to lesser known stories including the French cult classic City of Lost Children the Japanese anime Akira and bestselling German novelist Marcus Heitz With text written by self confessed geek James Clarke and accompanied by over 100 infographics that have been specially commissioned for this book The Year of the Geek celebrates all things geek in a new and intriguing way *New York Magazine* ,1983-11-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and

photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
