Radiohead Green Plastic Wateringcan:

Radiohead William Stone,1996-10-01 *Radiohead and the Resistant Concept Album* Marianne Tatom Letts,2010-11-08

How the British rock band Radiohead subverts the idea of the concept album in order to articulate themes of alienation and anti capitalism is the focus of Marianne Tatom Letts s analysis of *Kid A* and *Amnesiac* These experimental albums marked a departure from the band s standard guitar driven base layered with complex production effects Considering the albums in the context of the band s earlier releases Letts explores the motivations behind this change She places the two albums within the concept album progressive rock tradition and shows how both resist that tradition Unlike most critics of Radiohead who focus on the band s lyrics videos sociological importance or audience reception Letts focuses on the music itself She investigates Radiohead s ambivalence toward its own success as manifested in the vanishing subject of *Kid A* on these two albums

Radiohead William Stone,1996 **Exit Music** Mac Randall,2012-02-01

Radiohead doesn t play by the rules of rock stardom When conventional wisdom urges a turn to the right Thom Yorke Jonny Greenwood Ed O Brien Colin Greenwood and Phil Selway unfailingly turn left Despite or perhaps because of this Radiohead has become one of the world s most famous bands and more important unique in its style themes and ability to connect to a loyal fan base But Radiohead s journey to fame over more than a decade has been fraught with tension As the quintet continues to search for sounds that haven t been heard before each new album and tour is a potential crisis point threatening to split the band apart Through it all these consummate outsiders have revealed little about themselves But *Exit Music The Radiohead Story* uncovers the details behind the songs In this new updated and revised edition author Mac Randall follows the band from its beginnings in suburban Oxford UK through the success of *Creep* and *OK Computer* to the traumatic recording sessions that spawned *Kid A* *Amnesiac* *Hail to the Thief* on to the award winning *In Rainbows* and beyond This new edition also includes coverage of the band s most current release and eighth studio album *The King of Limbs*

The Language of Trees: A Rewilding of Literature and Landscape Katie Holten, 2023-04-04 NATIONAL BESTSELLER Inspiring insights that are scientific intimate and surprising a call to action for those who still care The Washington Post Inspired by forests trees leaves roots and seeds The Language of Trees A Rewilding of Literature and Landscape invites readers to discover an unexpected and imaginative language to better read and write the natural world around us and reclaim our relationship with it In this gorgeously illustrated and deeply thoughtful collection Katie Holten gifts readers her tree alphabet and uses it to masterfully translate and illuminate beloved lost and new original writing in praise of the natural world With an introduction from Ross Gay and featuring writings from over fifty contributors including Ursula K Le Guin Ada Lim n Robert Macfarlane Zadie Smith Radiohead Aimee Nezhukumatathil James Gleick Elizabeth Kolbert Plato and Robin Wall Kimmerer Holten illustrates each selection with an abiding love and reverence for the magic of trees She guides readers on a journey from creation myths and cave paintings to the death of a 3 500 year old cypress tree from Tree Clocks in Mongolia and forest fragments in the Amazon to the language of fossil poetry unearthing a new way to see the natural beauty all around us and an urgent reminder of what could happen if we allow it to slip away The Language of Trees considers our relationship with literature and landscape resulting in an astonishing fusion of storytelling and art and a deeply beautiful celebration of trees through the ages Say *It With Me* Vanessa Lampert, 2022-04-24 Rooted in everyday communities the voice of Say It With Me is wry candid and knowing offering poems that playfully record the foibles of domestic life There are curious stories a parrot flies away but always returns to its master a school bully becomes their victim s acupuncture patient in adulthood and a donor finds new

kinship with the woman who receives his calls. All these stories are gems full of curious twists and turns. Often the poems represent specific places and people sometimes nostalgically so like memories of family beach trips with loved ones now deceased. Others are flights of fancy imagining a park of one's dreams an ode to the small pleasures of life or inventing a new history where a father didn't die young. Most significant however are the poignant and remarkable stories of family life. There are happy portraits as well as thoughtful poems concerning divorce and parenthood also the body in triumph and decline. Though speakers take up a watchful distance from events they are also fierce and unafraid to intervene. A middle aged woman on the beach wades into the sea to chastise some lads playing with an inflatable sex doll. Say it with me a line taken from the poem Canada is a phrase that often precedes a rallying cry or a brave but controversial factual statement. The tales in this collection feel true and honest and its title is a call to unite. This is a collection about the communities in which we live and the interconnectedness of human beings. The likeable speaker of these poems surveys it all with the dry humour and wisdom of an older woman posing scenarios that we can all recognize as authentic. Ultimately Vanessa Lampert uses deep and rich storytelling to lay bare truths that are at once funny moving and illuminating. The poems in Vanessa Lampert's new collection are lodestars. How lucky to be guided by them. In this book nature is more than an encounter to wonder about it is a binding both to our home here on earth the dailyness joy and loss of that and to our own corporeal selves. For anyone looking for the words to what it means to be human look no further they are here. Matthew Dickman. Vanessa Lampert has a rare talent for telling stories which although they come from a place deeply personal to her become universal in their rendering. These are poems which welcome us in like old friends full of warmth and generosity and which have the sudden ability to switch gears and with them our emotions in just a few short lines or phrases. Say It With Me is a remarkable first collection of poems a book infused with darkness and light beauty and sadness humour and ultimately hopefulness. Brian Bilston. In Say It with Me Lampert's observant and witty voice accompanies us through subtle turns in thought redirecting our attention with a glance a clearing of the throat so that we step from the scenery of life into the resonant emotional landscape of living. Her poems open the aperture and expose us to the loss that time is always enacting upon us its cruelty and its beauty. Jack Underwood. Vanessa Lampert is a chronicler of minute but crucially significant moments she holds them to the light to find their gleam and then shows them to us as stunning jewels. We enter one of her poems on the familiar ground of a summer beach or an ordinary municipal park and leave years later often having communed with those we've lost. What she accomplishes may seem simple but the seismic shifts of our lives are packed into her humming lines. Her poems are like a fairground on the final night of the season we want to clasp onto their joy and celebration that bit longer. Tamar Yoseloff.

Blood of a Paper Doll Carla Vendries,2003-01-22 Through this account of one girl s battle with depression and euphoria she learns

the key to not allowing the self to be wrapped up by the machine is to crush certain ideologies and conventions that say behavior needs to be labeled Self indulgence creates an emotional life perpetually spent inside an isolated dark wave but in this book she ultimately learns slowly but gradually that every thing that nourishes you also destroys you These disturbingly pretty poems are about undergoing an emotional state of metamorphosis and the acceptance of them Through a psyche fragmented by circumstances beyond control traveling on an edgeless encompassing path eventually leads to a beautiful spiritual catharsis The extremities of life succumb to a deep exploration of sex love separation and death Surrendering to intimacy and relationships serves as the band aid to the wound that could not yield from bleeding It is human nature for self destruction to take hold of the world nevertheless with it also follows the beginning of an age of paradisiacal happiness beyond belief By crushing the machine causing unnecessary poignancy in the heart It is how renouncing certain dangers in reality she transcends from one state to a more mysterious one In the end strength and courage are given birth to and it endures inside a woman who still feels her warm blood flowing through what appeared seemingly as a tailored cut out of a non resonant paper doll inside an anechoic mental chamber Orotund tones in grandiloquent rise espouse the stygian collapse of the bloody paper doll The obstacle staircase of liberal poems mirrors society outside the walls
