Serial Forms Clare Pettitt, 2020-06-03 *Serial Forms* The Unfinished Project of Modernity 1815 1848 proposes an entirely new way of reading the transition into the modern It is the first book in a series of three which will take the reader up to the end of the First World War moving from a focus on London to a global perspective *Serial Forms* sets out the theoretical and historical basis for all three volumes It suggests that as a serial news culture and a stadial historicism developed together between 1815 and 1848 seriality became the dominant form of the nineteenth century Through serial newsprint illustrations performances and shows the past and the contemporary moment enter into public visibility together *Serial Forms* argues that it is through seriality that the social is represented as increasingly politically urgent The insistent rhythm of the serial reorganizes time recalibrates and rescales the social and will prepare the way for the 1848 revolutions which are the subject of the next book By placing their work back into the messy print and performance culture from which it originally appeared *Serial Forms* is able to produce new and exciting readings of familiar authors such as Scott Byron Dickens and Gaskell Rather than offering a rarefied intellectual history or chopping up the period into Romantic and Victorian Clare Pettitt tracks the development of communications technologies and their impact

on the ways in which time history and virtuality are imagined      *No Mercy* Eleanor Learmonth, Jenny Tabakoff, 2013-07-24

Disaster strikes A ship goes down a plane crashes a party of travellers is cut off But when the panic and confusion subside and the dead are counted the survivors must find a way to keep surviving And in desperation unconstrained by law or conventional authority the tactics they resort to can be both horrifying and ultimately self destructive Learmonth and Tabakoff outline the physical and neurological changes that typically affect the victims of disaster Then using true stories from history as case studies they investigate the scenario famously imagined by William Golding in *Lord of the Flies* and borne out by the extraordinary Robbers Cave experiments of the 1950s As this fascinating book unfolds the awful truth becomes clear In extremis humans are capable of a swift descent into murderous savagery that is both hard to believe and impossible to forget Eleanor Learmonth has worked as a teacher and freelance journalist in Japan and Australia She has a reputation as a magnet for natural disasters Jenny Tabakoff has been a senior journalist in Australia and Britain for *The Times* the *Sydney Morning Herald* and *AAP* She is the co author of *Australian Style* Eleanor and Jenny live in Sydney with their husbands and children They met at the school gate Succinct yet considered accessible yet authoritative Learmonth and Tabakoff strike a happy balance between scholarliness and readability throughout cogent presentation of some truly harrowing subject matter which less responsible hands might have milked for vulgar sensationalism Bookseller and Publisher Well researched and well argued lively and energetic *No Mercy* is full of insights into leadership loyalty sacrifice and compassion that will challenge readers to wonder what they might do if similarly tested Booktopia Buzz Sometimes adversity brings out the best in people at other times it does the opposite This is about those other times excellent reading when you're safely at home Weekend Herald A fascinating post mortem of how certain groups manage to survive while others flailed about in drunken murderous chaos Daily Telegraph This fascinating book shines light on an awful truth Get Reading      [Art Is Life](#) Jerry Saltz, 2022-11-01 From the Pulitzer Prize winner and bestselling author of *How to Be an Artist* a deliciously readable survey of the art world in turbulent times Jerry Saltz is one of our most watched writers about art and artists and a passionate champion of the importance of art in our shared cultural life Since the 1990s he has been an indispensable cultural voice witty and provocative he has attracted contemporary readers to fine art as few critics have An early champion of forgotten and overlooked women artists he has also celebrated the pioneering work of African American LGBTQ and other long marginalized creators Sotheby's Institute of Art has called him simply the art critic Now in *Art Is Life* Jerry Saltz draws on two decades of work to offer a real time survey of contemporary art as a barometer of our times Chronicling a period punctuated by dramatic turning points from the cultural reset of 9/11 to the rolling social crises of today Saltz traces how visionary artists have both documented and challenged the culture *Art Is Life* offers Saltz's eye opening appraisals of trailblazers like Kara Walker David Wojnarowicz Hilma af Klint and Jasper Johns provocateurs like Jeff Koons Richard Prince and Marina Abramovi and visionaries like Jackson Pollock Bill Traylor and Willem de Kooning Saltz celebrates landmarks like

the Obama portraits by Kehinde Wiley and Amy Sherald writes searchingly about disturbing moments such as the Ankara gallery assassination and offers surprising takes on figures from Thomas Kinkade to Kim Kardashian And he shares stories of his own haunted childhood his time as a failed artist and his epiphanies upon beholding work by Botticelli Delacroix and the cave painters of Niaux With his signature blend of candor and conviction Jerry Saltz argues in *Art Is Life* for the importance of the fearless artist reminding us that art is a kind of channeled voice of human experience a necessary window onto our times The result is an openhearted and irresistibly readable appraisal by one of our most important cultural observers
