Raft Socrates Asks Why Two Conversatio:

The Raft / Socrates Asks Why Eric Linklater, 2014-06-24 Are the people of Britain capable of serving the new world of writing with honour a new chapter of history The answer conclusively is Yes But Socrates in the third of the pieces has still to be satisfied that the Allies are truly conscious of their purpose A four fold rule of law is not enough the peace within that rule must not be an idle peace but creative If that is not explicitly our intention and desire then why are we fighting The Raft and Socrates Asks Why are imaginary conversations revolving around the political and military problems of WWII The Raft is set in the mid Atlantic where six survivors from a torpedoed ship discuss the position of Britain and the difficulties and moral dilemmas of a soldier life Socrates Asks Why is a conversation between Socrates Voltaire Johnson and Lincoln where the Allies aim of peace and ending of the war is discussed and questioned These conversations were first published in 1942

The Raft and Socrates Asks why Eric Linklater, 1942 **Samuel Johnson and the Culture of Property** Kevin Hart, 1999-09-28 Kevin Hart traces the vast literary legacy and reputation of Samuel Johnson Through detailed analyses of the biographers critics and epigones who carefully crafted and preserved Johnson s life for posterity Hart explores the emergence of what came to be called The Age of Johnson Hart shows how late seventeenth and early eighteenth century Britain experienced the emergence and consolidation of a rich and diverse culture of property In dedicating himself to Johnson s death Hart argues James Boswell turned his friend into a monument a piece of public property Through subtle analyses of copyright forgery and heritage in eighteenth century life this study traces the emergence of competing forms of cultural property a Hanoverian politics of property engages a Jacobite politics of land Kevin Hart places Samuel Johnson within this rich cultural context demonstrating how Johnson came to occupy a place at the heart of the English literary canon

R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

King's Counsellor Alan Lascelles, 2020-08-06 The diaries of Tommy Lascelles as featured in the Netflix hit THE CROWN Brilliantly entertaining and historically priceless Spectator Fascinating as much a contribution to royal legend as to the history of the war Daily Telegraph As Assistant Private Secretary to four monarchs Tommy Lascelles had a ringside seat from which to observe the workings of the royal household and Downing Street during the first half of the 20th century These

fascinating diaries begin with Edward VIII's abdication and end with George VI's death and his daughter Elizabeth's Coronation. In between we see George VI at work and play a portrait more intimate than any other previously published. This compelling account also includes Princess Margaret's relationship with Peter Townsend and throws an intriguing new light on the way in which King George VI and Winston Churchill worked together during the Second World War. Lascelles was a fine writer like most of the best diaries his are a delight to read as well as being invaluable history. *The Bibliotheck*, 1967.
