Ragged Trousers Philanthropists:

The Ragged Trousered Philanthropists Robert Tressall, 2011-06-14 This classic piece of working class literature is both expensive and hard to find in its first edition With grim humour and pitiless realism Tressell reveals the lives and harts of his mates their opinions of their betters their political views and their attitude toward Socialism Edited by Jessie Pope who was handed the manuscript by a friend and the daughter of Tressell after her father s death this book is a fascinating read for any social historian Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *The Ragged Trousered Philanthropists* Robert Tressall, 1954 *THE RAGGED TROUSERED PHILANTHROPISTS* Robert Tressell, 1976 *The Ragged Trousered Philanthropists* Robert Tressell, 1921 *The Ragged Trousered Philanthropists* Robert Tressell, 2010 Robert Tressell s classic pre First World War account of the lives of a group of housepainters is vividly adapted by Brenton *The Ragged Trousered Philanthropists (Classic Reprint)* Robert Tressall, 2016-07-22 Excerpt from *The Ragged Trousered Philanthropists* A few months ago a friend asked me to look at the manuscript of a novel *The Ragged Trousered Philanthropists* the work of a socialistic house painter who wrote his book and died I consented wit **Tressell** David Harker, 2003-07 Tressell *The Real Story of The Ragged Trousered Philanthropists* describes the author s life puts the book in its historical context and traces its success over the past ninety odd years It shows that *The Ragged Trousered Philanthropists* is about socialist values and their continued relevance at a time when we are being told that capitalism is here for ever that greed is good that war famine poverty racism and oppression are natural normal and permanent features of life on Planet Earth Crucially Tressell s passionate compassionate denunciation of the capitalist system is about hope so little wonder *The Ragged Trousered Philanthropists* is selling very well indeed in these anti capitalist days BOOK JACKET *Robert Tressell and The Ragged Trousered Philanthropists* Jack Mitchell, 1969 **The Ragged Trousered Philanthropists** Tom Thomas, 1936 **The Ragged Trousered Philanthropist** Robert Tressell, 1927 *The Ragged Trousered Philanthropists* Robert Tressell, 2020-05-12 We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic *Mugsborough Then & Now* David E Lowes, 2020-02-24 The story of Robert Tressell and his book has been told and re told by various authors each account framed in accordance with their own perspective His novel has also been the subject of academic scrutiny and literary criticism but the approach adopted here is different It focuses on the striking not to say shocking parallels with modern day Britain comparing Tressell s descriptions of early 20th century Britain and with their 21st century counterparts Each subject is split into two parts with the first section quoting examples from *The Ragged Trousered*

Philanthropists and in the second part evidence based modern day equivalents are introduced *The Ragged Trousered Philanthropists - Scholar's Choice Edition* Robert Tressell, 2015-02-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Robert Tressell Papers* Robert Tressell Workshop, 1982-01-01 [The Ragged Trousered Philanthropists - the Original Classic Edition](#) Robert Tressell, 2012-04 Finally available a high quality book of the original classic edition of *The Ragged Trousered Philanthropists* It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Robert Tressell which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside *The Ragged Trousered Philanthropists* Easton was still reading the *Obscurer* he was not about to understand exactly what the compiler of the figures was driving at probably the latter never intended that anyone should understand but he was conscious of a growing feeling of indignation and hatred against foreigners of every description who were ruining this country and he began to think that it was about time we did something to protect ourselves Well I don't go in for politics much either but if what's in this ere paper is true it seems to me as we oughter take some interest in it when the country is being ruined by foreigners The only difference between Free Trade and Protection is that under certain circumstances one might be a little worse than the other but as remedies for Poverty neither of them are of any real use whatever for the simple reason that they do not deal with the real causes of Poverty Wot I mean said Slyme is that no man oughtn't to marry till he's saved up enough so as to ave some money in the bank an another thing I reckon a man oughtn't to get married till e's got an ouse of is own Well we all know pretty well wot Free Trade and Protection means but most of us don't know exactly what Socialism means and I say as it's the dooty of every man to try and find out which is the right thing to vote for and when e's found it out to do wot e can to elp to bring it about [Robert Tressell and Ragged Trousers](#) Christopher Ford, 2023-12-21 *Robert Tressell and Ragged Trousers* is an exploration into the life of Robert Tressell a mysterious figure behind the revolutionary novel *The Ragged Trousered Philanthropists* Delving into Tressell's life early influences and his journey to becoming a writer this book unravels the enigmatic author's motivations struggles and the

societal context that shaped his literary masterpiece Set against the backdrop of late 19th and early 20th century England this book vividly portrays the harsh conditions faced by the working class painting a poignant picture of their struggles exploitation and the rising tide of labor movements and socialist ideologies This book digs deep into the heart of the novel s themes exploitation inequality and the class divide offering insights into their enduring relevance in contemporary society It explores the book s unique structure and narrative style showcasing its literary significance and timeless impact on literature politics and social reform Through the lens of Tressell s struggles in getting his work published and the eventual recognition of his manuscript this book encapsulates the enduring legacy of *The Ragged Trousered Philanthropists* and its lasting influence on activism social consciousness and the ongoing fight for social justice
